LIGHT ON YOUR BACK...

OUR SOLUTION

TOUGH, RUGGED, MADE TO FIT EACH UNIQUE FIREFIGHTER, RANGER™ GEAR PROTECTS THROUGH THE ROUGHEST OF CALLS.

OFFERING YOU A WIDE VARIETY OF OPTIONS SO YOU CAN CUSTOM DESIGN YOUR GEAR TO SERVE YOUR SPECIFIC NEEDS, RANGER™ GEAR IS COMFORTABLE AND LIGHT, MAKING IT THE OPTIMAL CHOICE FOR BUDGET-CONSCIOUS FIRE DEPARTMENTS WHO DO NOT WANT TO COMPROMISE ON QUALITY OR PROTECTION.

THE CHALLENGE

DESIGN A SET OF GEAR THAT IS AMAZINGLY LIGHT YET HIGHLY PROTECTIVE, AT A PRICE EVERY DEPARTMENT CAN AFFORD, WITHOUT SACRIFICING QUALITY.

...EVEN LIGHTER ON
YOUR BUDGET!

RANGER™ AT A GLANCE

Additional Features

- Double-thickness, exterior-mounted storm shields
- Hang-up loop with 80-lb hang strength
- Button suspender attachments
- Options attached with lock stitching
- Advanced Protective Tracking: barcoded for simplified NFPA 1851 tracking requirements

Articulating Drag Rescue Device
Comfortable in everyday wear, able to deploy in multiple directions with little discomfort to the wearer, rolled edges reduce abrasion against moisture barrier (patented)

Hook and Loop Double Stitched on Coat Closure, Chinstrap, and Collar
Longer durability

Black Leather Cuff Reinforcements
Longer durability in high-abrasion areas

Variegated Length Hem
Increased range of motion in upper legs, improved torso ventilation, better visibility from behind

Postman Take-up Straps
Adjustable to provide a better, tailored fit (standard on pants, option on coats)

Full-Access Pant Fly
Easier for donning and doffing, stores over boots more easily

Custom Sizing
Five custom alteration measurements, three additional when needed, are taken for a true custom fit

Black Leather Cuff Reinforcements
Longer durability in high-abrasion areas

Shoulder and Elbow Thermal Enhancements
Increased thermal protection in compression areas

Raglan Sleeves with Forward Flex Attribute
Higher comfort, better mobility in the arm

Nesting of All Three Garment Layers
3 layers work as a system to maximize ergonomic function of the gear

Waterproof Wristlets
Double-layer Nomex® wristlets with continuous moisture barrier provide a liquid seal at the wrist (patented)

Traditional Waist-high Pant
Increased mobility at the waist, full-torso ventilation

Seam Guard on Trim at Cuffs (Structural Only)
Better resistance of threads in high-abrasion areas for longer durability (patented)

DuPont™
Nomex®

DuPont™ and Nomex® are trademarks or registered trademarks of E.I. du Pont de Nemours and Company.
