We have established an agreement with Minnesota Multistate Contracting Alliance to allow purchases from their cooperative contract with Redwood Toxicology Laboratory, Inc. MMCAP pricing is only available by being an MMCAP member and informing Redwood Toxicology Laboratory, Inc. of the entity's willingness to participate. It is the buyer's responsibility to ensure this contract is not used for required competitive process items or as a substitute for other required purchasing approvals as required by Mississippi law. **Only those items with a net cost of \$25,000 or less are included in this agreement.** This contract allows agencies to save money on drug testing kits and provides that the provisions thereof may be available to any county, municipality, school board or other local public agency or authority of the State of Mississippi which may elect to purchase at the prices, terms and conditions of sale specified therein.

*Forensic Use Only devices (FFUO) are intended for use only in drugs of abuse testing for law enforcement purposes. Appropriate users of such devices include, for example, court systems, police departments, probation/parole offices, juvenile detention centers, prisons, jails, correction centers and other similar law enforcement entities, or laboratories or other establishments performing forensic testing for these entities. Forensic Use Only devices are not designed, tested, developed, or labeled for use in other settings, such as clinical diagnostic or workplace settings.
