5.0 PROTEST PROCEDURE

5.1 PROTEST INFORMATION

It is the intent of the Specifications to obtain a product that will adequately meet the needs of the user while promoting the greatest extent of competition that is practicable. It is the responsibility of the prospective bidder to review the entire Notice and Instructions and proposal packet and to notify MDOT Procurement Division if the RFQF, the Specifications or Instructions are formulated in a manner which would unnecessarily restrict competition. Any question concerning the Specifications or RFQF/Reverse Auction procedures must be received in writing by the MDOT Procurement Division by **10:00 A.M., Tuesday, February 11, 2020**. Questions may be submitted to facsimile number 601-359-7302, or email at reverseauctions@mdot.ms.gov.

The MDOT Procurement Division will prepare a written response to all timely inquiries and forward a copy of the same to all persons/companies that have been provided the RFQF by MDOT. Respondents shall rely only on this RFQF and any written communications from the MDOT Procurement Division in submitting proposals. MDOT shall not be bound by any oral communications; respondents who rely upon any oral communications regarding this RFQF do so at their own risk.

Protest of the award of this RFQF/Reverse Auction process shall be done in accordance with Chapter VI of the Procurement Manual of the Office of Purchasing, Travel, and Fleet Management of the Mississippi Department of Finance and Administration.

Once the protestor has exhausted their state administrative remedies as outlined in the preceding paragraph, the protestor may request a review by the Federal Transit Administration (FTA), if FTA review is applicable. The protest to the FTA will be governed by FTA Circular C 4220.1F or the Circular, which is in effect at the time the SOQ is protested. The current FTA website is <http://www.fta.dot.gov/>. A copy of any protest will be delivered simultaneously to MDOT's Procurement Director.

6.0 RFQF/SOQ PROPOSAL GENERAL INFORMATION

6.1 SEALED PAPER SOQ SUBMITTAL

Sealed paper SOQs must be submitted on forms furnished by MDOT, or they will not be considered. Letters will NOT be considered a part of your SOQ and any alteration of the RFQF forms in any manner (INCLUDING THE RFQF REQUIREMENTS AND SPECIFICATIONS) shall be considered non-conforming and the SOQ shall be rejected. Attachments A and C do not need to be submitted with the sealed paper SOQ.

Facsimile transmissions or email submittal of the SOQ will not be accepted.

6.2 SEALED PAPER ALTERNATE SOQ

If you are submitting an **ALTERNATE SOQ** as a sealed paper SOQ, **YOU MUST MAKE COPIES OF THE ORIGINAL FORMS AND SUBMIT AS A SEPARATE SOQ.**

7.0 MDOT DISCRIMINATION POLICY

7.1 DISCRIMINATION POLICY

The vendor understands that MDOT is an equal opportunity employer and therefore maintains a policy which prohibits unlawful discrimination based on race, color, creed, sex, age, national origin, physical handicap, disability, or any other consideration and the vendor agrees during the term of the agreement that the vendor will strictly adhere to this policy in its employment practices and provision of services.

7.2 IMMIGRANT STATUS CERTIFICATION

The vendor represents and warrants that it will ensure its compliance with the Mississippi Employment Protection Act, Section 71-11-1, et seq. of the Mississippi Code Annotated (Supplement 2008), and will register and participate in the status verification system for all newly hired employees. The term "employee" as used herein means any person that is hired to perform work within the State of Mississippi. As used herein, the "status verification system" means the Illegal Immigration Reform and Immigration Responsibility Act of 1996 that is operated by the United States Department of Homeland Security, also known as the E-Verify Program, or any other successor electronic verification system replacing the E-Verify Program. The vendor agrees to maintain records of such compliance and, upon request of the State and approval of the Social Security Administration or Department of Homeland Security, where required, to provide a copy of each such verification to the State. The vendor further represents and warrants that any person assigned to perform services hereunder meets the employment eligibility requirements of all immigration laws of the State of Mississippi. Vendor understands and agrees that any breach of these warranties may subject vendor to the following: (a) termination of this Agreement and ineligibility for any state or public contract in Mississippi for up to three (3) years, with notice of such cancellation/termination being made public, or (b) the loss of any license, permit, certification or other document granted to vendor by an agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year, or (c) both. In the event of such termination/cancellation, the vendor would also be liable for any additional costs incurred by the State due to contract cancellation or loss of license or permit. The vendor is required to provide to the Mississippi Department of Transportation ("MDOT") a Certification and Agreement (**Attachment D**) prior to the execution of the contract. The vendor is solely responsible for compliance with the requirements of the Mississippi Employment Protection Act.

It is agreed by the parties that no person employed by the vendor pursuant to the provisions hereof will be considered an agent or employee of the State of Mississippi or the Mississippi Department of Transportation.

It is further agreed by the parties that no provision of this agreement is intended, nor shall it be construed to give rise to a third-party beneficiary claim on the person or entity, not a party hereto.

7.3 E-VERIFY

E-VerifyTM is a free Internet-based system operated by the U.S. Department of Homeland Security's U.S. Citizenship and Immigration Services [USCIS], in partnership with the Social Security Administration. Information concerning E-VerifyTM may be obtained by accessing the USCIS website at

www.uscis.gov/E-Verify. First, select “Services and Benefits,” then “Employer Information,” next click the link “Services Available to Employers in the United States,” and finally “Use E-Verify?” to download Publication M-655 (09/07). You will need Adobe Acrobat Reader to view and print this publication. Further information and assistance are also available for employers from USCIS toll-free at (888) 464-4218.

Employers, contractors, subcontractors, and vendors can register online for E-VerifyTM at <https://e-verify.uscis.gov/enroll/>, which provides instructions for completing the secure registration process. These instructions are intended for informational purposes only. The vendor is solely responsible for compliance with the requirements of the Mississippi Employment Protection Act.

8.0 INVOICING

8.1 E-INVOICE AND E-PAYMENT PAYMODE

The State of Mississippi requires that all vendors submit invoices electronically throughout the term of this agreement and/or contract. Vendor invoices shall be submitted to the State of Mississippi using the processes and procedures identified by the State of Mississippi, which are known and/or available to the vendor. Procedures for new vendors may be found in the MAAPP Manual in the Vendor File Maintenance sections 11.20.10, 17.20.05, and 17.10.10, and in the related section on requirements for requesting an exemption from electronic payment found in section 17.10.20. The vendor understands that the vendor must be enrolled in the PayMode e-payment module prior to being enrolled for e-invoicing and agrees to the same unless the vendor has applied for and been granted, an exemption. The vendor may request assistance enrolling by contacting <http://www.dfa.ms.gov/dfa-offices/mmrs/> or by calling the MMRS Call Center at (601) 359-1343. The vendor agrees to accept all payments in United States currency via the State of Mississippi’s electronic payment and remittance vehicle. These payments shall be deposited in the bank account of the vendor’s choice. The vendor understands that the State of Mississippi is exempt from the payment of taxes.

8.2 AVAILABILITY OF FUNDS

It is expressly understood and agreed that the obligation of the State of Mississippi to proceed under any Contract or Agreement is conditioned upon the availability of funds, the appropriation of funds by the Mississippi Legislature, and/or the receipt of state and/or federal funds, as provided by Section 27-104-25, of the Mississippi Code.

9.0 GENERAL VENDOR INSTRUCTIONS

9.1 INSTRUCTIONS FOR VENDORS

Detailed information may be obtained from the MDOT Procurement Division by calling (601) 359-7300.

The MTC reserves the right to reject any and all SOQs. The MTC further reserves the right in the Reverse Auction process to reject any or all bids and to accept all or only certain units of any bid.

Vendor, if selected to participate in the Live Reverse Auction, acknowledges and affirms that the item being bid will be the same in all respects as the item described and submitted in the vendor’s SOQ.

It is understood that all SOQs are submitted on the basis of complying with the provisions, terms, and specifications set out in the RFQF, PROVIDED THAT YOU CAN DO SO UNDER THE VARIOUS GOVERNMENT RULINGS AND DIRECTIVES NOT IN EFFECT OR WHICH MAY BE ISSUED DURING THE PERIOD OF CONTRACT. In the event you bid on furnishing any materials which are prohibited from being manufactured by a Government ruling or directive and are awarded such materials, you will not be required to make such shipment of said prohibited materials so long as Government directive is in effect. However, any change in Specifications or provisions of the quotation should be discussed with MDOT promptly upon your being advised of the Government ruling or directive necessitating a change.

With respect to the Manufacturer's Certification for Bus Testing Program, the bidder acknowledges that in accordance with federal statutes and the terms and conditions of this solicitation, misrepresentation of the testing status of any vehicle acquired as a result of this solicitation, could result in civil penalties and assessments as outlined in the U.S. Department of Transportation regulations "Program Fraud Civil Remedies, 49 Part 31." In addition, such willful misrepresentation shall result in the debarment of the bidder from participating in any further solicitations or vehicle purchases conducted by MDOT for a period of at least one year. If the manufacturer is asserting that the vehicle to be purchased and delivered has been "grandfathered," (i.e. used in mass transit service in the U.S. prior to October 1, 1988, and is currently being produced without a major change in configuration or components), the manufacturer shall attach to its SOQ the name and address of previous recipients of such a vehicle, including a description of the vehicle's configuration and major components.

If the manufacturer asserts that the vehicle has been previously and successfully tested at the Altoona Testing facility, certification **must** be made that the vehicle being offered for sale and delivered through this solicitation is **identical** in this configuration and major components as the vehicle in the test report. If this certification cannot be made, the manufacturer **shall** attach to its SOQ a detailed written basis for a determination that additional testing of the vehicle that is being offered and purchased is not required.

The MTC reserves the right to waive minor technicalities when it is in the best interest of the State.

Unless otherwise specified, the successful bid shall be binding for a minimum of sixty (60) days after the date of the Live Reverse Auction. If a bid is withdrawn after the close of the Live Reverse Auction, the vendor will be removed from the list of eligible bidders for a period of one (1) year.

Failure to respond on three contract advertisements will remove your name from the prospective bidders list.

Vendor must be duly qualified to do business and in good standing in the State of Mississippi and remain duly qualified and in good standing throughout the term of the contract and for as long thereafter as any obligations may remain outstanding under the contract.

To register or check your status with the State of Mississippi, visit <https://corp.sos.ms.gov/corp/portal/c/page/login/portal.aspx>

9.2 DISCLAIMER

MDOT makes no claims, promises, or guarantees about the accuracy, completeness, and timeliness of the manual entry of the SOQ or the Technical Assistance provided during a Live Reverse Auction. MDOT provides manual entry of the SOQ and Technical Assistance as a service to vendors who do not have access to the electronic bidding through MAGIC. Each vendor will be required to be present and be required to verify the accuracy of each bid entered for the vendor by Technical Assistance. No warranty of any kind, implied, expressed, or statutory, including, but not limited to, the warranties of non-infringement of third party rights, is given with respect to the content of the MAGIC website or the electronic bidding section of the MAGIC website. In no event shall the State of Mississippi, its agencies, and/or its employees be liable for any damages related to the access and use of the MAGIC website – regardless of the cause and/or the theory of liability pursued.

9.3 OFFICE CLOSURE

If the location of the sealed SOQ submittal or the Live Reverse Auction is closed for any reason, including but not limited to: acts of God, strikes, lockouts, riots, acts of war, epidemics, governmental regulations superimposed after the fact, fire, earthquakes, floods, or other natural disasters, (the "Force Majeure Events"), vendors will be notified of the new SOQ submittal deadline or qualified vendors will be notified of the new Live Reverse Auction date and time, as is appropriate. MTC and/or MDOT shall not be

held responsible for the rescheduling of any deadlines or Live Reverse Auction.

10.0 VENDOR AWARD INSTRUCTIONS

10.1 AWARD CRITERIA

No award will automatically result from a Live Reverse Auction, and MTC will review the results of the Live Reverse Auction and make a determination of award, if any, in a timely manner.

10.2 AWARDED VENDOR INSTRUCTIONS

If an award is made by the MTC, a contract will be forwarded to the successful bidder. Upon receipt of the properly executed contract by MDOT, a Purchase Order will be issued. If an agency contract is awarded and executed in connection with this proposal, the MTC reserves the right to extend the agency contract for this proposal for up to **forty-eight (48) months**, twelve (12) months at one time, upon written acceptance of both parties. Under no circumstances shall the total contract term, inclusive of extensions, **exceed sixty (60) months**.

Any contract or item award may be canceled with or without cause by the MTC upon 30 days written notice of intent to cancel. Reasons for the MTC to cancel may include, but is not limited to: cost exceeding current market prices for comparable purchases, request for an increase in prices during the period of the contract; or, failure to perform to contract conditions. The vendor will be required to honor all purchase orders prepared and dated prior to the date of expiration or cancellation if received by the vendor within a period of 30 days following the date of expiration or cancellation. Cancellation by the MTC does not relieve the vendor of any liability arising out of default or nonperformance. If a contract is canceled by the MTC due to the request for an increase in prices or failure to perform, the vendor may be removed from the bidder's list for a period of twelve (12) months. Protests of said removal from the bidder's list shall be in accordance with Chapter VI of the Procurement Manual of the Office of Purchasing and Travel of the Mississippi Department of Finance and Administration.
