# Knoll®

is a constellation of design-driven brands and people, working together with our clients to create inspired modern interiors.

We are people, collaborators, products, and brands, united by a rigorous process, shared experience, and a distinct modern sensibility. Our strength in office systems, seating, furniture, textiles, leather, and architectural and acoustical elements allows us to compose integrated solutions from products and services that naturally work together. Since 1938, we've been thinking about how people interact with their environments, and how their environments impact what they do.

**Knoll is Modern Always because modern always works.**

# Rockwell Group

creates extraordinary experiences and built environments across the globe.

Founded in 1984 by David Rockwell, FAIA, the firm focuses on architecture and design that emphasizes innovation and thought leadership in environments including restaurants, hotels, cultural institutions, and theater. Inspired by live performance, Rockwell Group creates a unique narrative for each project.
