case goods

royale

Royale series case goods by Stance Healthcare are available in 7 popular laminate finishes with a range of hardware choices and numerous options including plastic drawer inserts, drawer locks, galley rails and more.

The Royale series is an entry level product line with a simple, yet regal, design that enables it to fit into virtually any patient or resident room environment.

The Royale lineup consists of a broad range of designs to suit the needs of virtually every patient or resident: bedside tables, 3 and 4 drawer dressers, wardrobes, and TV cabinets.

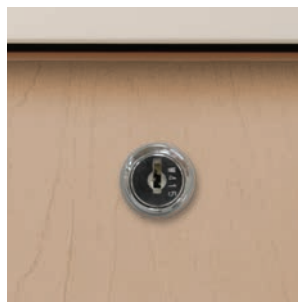

features

Solid matching backs provide superior structural integrity

Powder-coated steel drawer sides covered by lifetime warranty

Optional drawer lock may be specified on any Royale cabinet

K-D fasteners allow tops to be easily replaced in the field
