Customer’s Own Material ■
Specifications Form
January 2023

How to Specify

As a standard procedure, KI applies seating upholstery as swatched by the textile distributor. Reference distributor’s website. Upholstery that is required to be applied differently than is swatched, will need a Product Modification Request written spec ifying the direction the upholstery is to be applied.

Seating upholstery requiring specific positioning of intricate patterns or patterns repeats on seats and backrests, will need a Product Modification Request written including a sketch noting the specific requirements, as in Diagram A.

C.O.M. must be supplied in continuous yardage.

Yardage requirements listed in price list are based on plain goods 54” wide. Fabrics less than 54” wide, or those requiring matching (stripes, plaids, prints, large patterns) will require additional yardage based on the fabric used and the item ordered. Consult matrix below for additional yardage needed.

C.O.M. INCREASE MATRIX (yardage matrix is also applicable to any reservations of KI Ingrade, Pallas, or K.O.M. upholsteries).

This table is a general guide.

FABRIC WIDTH	PLAIN FABRIC	UNDER 7” REPEAT	8”–13” REPEAT	14”-21” REPEAT	22”-27” REPEAT	28”-33” REPEAT	34”-40” REPEAT	41”-48” REPEAT
54”	0	20%	25%	30%	45%	55%	70%	80%
51”-53”	15%	25%	30%	35%	50%	60%	80%	90%
48”-50”	20%	30%	35%	40%	55%	65%	85%	95%
45”-47”	30%	45%	50%	55%	60%	80%	90%	100%
36”-44”	50%	65%	70%	75%	80%	100%	110%	120%

Fabric with double repeat: If using a fabric with a double repeat, please follow this formula: take the total amount of the larger and half of the smaller repeat; add together to find the correct overall repeat. Example: 10” vertical with 14” horizontal would be 14+5=19.

If fabric comes in on multiple rolls, one additional yard per roll needs to be added to the yardage requirement.

Leather hides must be a minimum of 50 square feet of usable material. The outer edges cannot be calculated as square feet or yardage. To determine square footage, multiply unit yardage by 18 square feet to obtain the total square footage required per unit.

For exact production yardage requirements, call 1-800-424-2432, ext. 2707.

Production

Customer’s upholstery must be approved prior to acceptance for production.

After approval, a memo swatch of the C.O.M. from the textile distributor must accompany the order. KI assumes no responsibility for wear, defects, or performance of C.O.M. or K.O.M. upholstery.

C.O.M. not received into the appropriate facility 3 weeks prior to acknowledged delivery date may go on hold. See KI C.O.M. Shipping Location listing for the correct facility address by product.

All C.O.M. must be labeled as follows:

1. Name and address
2. Your purchase order number
3. Our style number to which fabric is to be applied
4. Supplier name and fabric name, number, and color

ALL C.O.M. Shipments must be prepaid. Collect shipments will be refused.

Testing

When KI requires testing, actual yardage to upholster one chair may be required. The C.O.M. Specialist will confirm model and fabric testing requirements when applicable.

Approved test samples will be applied to the order or will be held for 6 months. After 6 months, the sample will no longer be applied to your order. For all product testing, send fabric samples to the manufacturing facility. See KI C.O.M. Shipping Location listing for the correct facility address by product.

ALL C.O.M. Shipments must be prepaid. Collect shipments will be refused.

Treated Materials

If C.O.M. requires processing such as a stain resistance treatment or acrylic backing, it may shrink. To prevent delays in delivery or back ordering due to shrinkage, please have your processor verify measurement after processing and assure adequate yardage shipped.

Split Orders

If a portion of the shipment which does not require C.O.M. application is to be processed and shipped early, KI will enter the order immediately at your request. These split shipments are subject to minimum order changes.

Excess Upholstery Material

KI will dispose of excess upholstery material at the time of shipment unless expressly requested to return it with the product shipment.

Cancelled or Changed Orders

KI assumes no responsibility for extra C.O.M. due to a change of upholstery or cancellation of an order. If it the customer’s responsibility to arrange for return of the material.

Contact the C.O.M. Specialist at 1-800-424-2432, ext. 2707, with questions or to request a split order

Sela Tablet

Frame

Seat frames are constructed of 3/4" laminated hardwood plywood that is CNC cut with 5/4 maple cross rails. Ottomans are constructed of 3/4" laminated hardwood plywood. All mainframe joints are doubled doweled and glued. Stress points are further reinforced with the use of glue blocks that are stapled or screwed in place. The arms are constructed of 1/2", 3/4", and 1" laminated hardwood plywood.

Sled Base

Legs are constructed of 1" O.D. x 16-gauge round steel tubing welded to a 14-gauge steel mounting plate and secured to the frame with 16 #10 x 1.5" steel pan head wood screws.

Wood Frame

Wood base is 12/4 kiln dried beech hardwood with a moisture content of 6% - 8%. Wood base joints are mortise and tenon and dowel construction. Oversized corner blocks are glued and attached with screws and staples to secure.

Wood Armcap

Wood armcaps are 12/4 kiln dried beech hardwood with a moisture content of 6% - 8%. Wood armcaps are attached with compression dowel construction.

Tablet Arm

Left-facing tablet is standard. Right facing (left-handed) tablet is available if specified.

Seat and Back Suspension

The seat is constructed with stretch strap webbing, inner woven and stapled into position. Both seats and backs are covered with a layer of FLW (reinforced non-woven fiber) on top.

Foam

The back foam is 3" thick and contour cut for consistency. The seat foam is 6" thick. A .5" super soft wrap covers the front and top of the seat. The arm foam varies from from 1.25" thick to .5" thick.

UPHOLSTERY INFORMATION

C.O.M. Fabric

For C.O.M. fabric sent to KI-High Point on multiple rolls, add an additional yard of fabric per roll to the yardage requirements. Multiple rolls have shorter pieces of fabric on them and do not allow nesting and stacking of the fabric to achieve the best yield as is done with one large roll. This results in yardage shortages and requests for additional fabric from the client, which can delay an order. For each roll that is sent, one yard needs to be added to one of the rolls, not separately.

Fabric Disclaimer

Fabric will be applied as swatched by the fabric manufacturer. Fabric that is required to be applied differently than is swatched will need a Product Modification Request written specifying the direction the fabric is to be applied.

FINISH INFORMATION

Color Match

KI offers the additional option of color matching paint, polypropylene, or wood stain through Product Modification Requests. Contact Customer Service for details.

HOW TO ORDER

Indicate the following information on order form:

1. Quantity of each item.
2. Model number, including options. See “How To Build a Model Number”.
3. Any special service required.

Note:

- The ☐ indicates that a choice is required.
- The absence of the ☐ indicates that no choice is required.
- Alpha-numeric characters in place of ☐ indicate that no other alternatives are available.

HOW TO BUILD A MODEL NUMBER

- A**Select basic model.
- B**Select non-contrast or fabric contrast 1.
Refer to [ki.com/fabrics](#)
- C**Select fabric contrast 2.
Refer to [ki.com/fabrics](#)
- D**Select base finish color.
Chrome is standard but can be finished in any standard KI powdercoat, no additional upcharge.
Refer to the **Product Color Options** page in this price list.
- E**Select moisture barrier.

MB - Moisture barrier

NMB - No moisture barrier

See pricing column for moisture barrier upcharge.
- F**Select armcaps.

NAC - No armcap

- WAC** - Wood armcaps (pair); add \$407
- G**Select wood armcap finish color.
Refer to the **Product Color Options** page in this price list.
For Kensington Maple add upcharge.
- H**Select glide option.

NGL - No glides

GNY - Nylon glides (black); add \$6

KENSINGTON MAPLE UPCHARGE

Kensington Maple requires extended leadtimes.
