World **Class** Creativity
Is Now in Session

A NOVA desk isn't simply a piece of classroom furniture...

It actively participates in your classroom.

We take creativity beyond the expected. A NOVA desk can serve as a computer station, a testing environment, or a traditional classroom. NOVA's Trolley Monitor Lift option (shown above) provides instructors and administrators the maximum flexibility in classroom design and use at the touch of a button. The Trolley Monitor Lift facilitates instruction and learning and is easily adaptable to other teaching programs and tools.

PROJECTS

A business curriculum needed desktop computers with a mock stock trading wall. A school needed a traditional IT lab that could serve other course needs. A course required both desktop computer screens and lecture components without computer distraction. A law enforcement office needed a war room for crisis situations. The NOVA desk solution was adaptable for each.

NOVA currently holds 2 GSA contracts – (GS-28F-005GA & GS-28F-0026W)

Effingham, Illinois 62401-0725

FOR PROMPT DELIVERY, ALL ORDERS MUST INCLUDE:
1) Purchase order number
2) Attached layout/drawing
3) Billing address
4) Ship-to information and e-mail address
5) Special handling instructions
6) Complete model and finish number
7) Correct pricing
8) CPU / Monitor Dimensions (Where Applicable)

ORDER ACKNOWLEDGEMENT
Please notify NOVA immediately of any discrepancies in your order acknowledgement. The customer assumes all responsibility for order accuracy. NOVA does not assume responsibility for errors caused by miscommunications from the customer. Orders are accepted only by issuance of NOVA's formal acknowledgement. Orders are subject to the terms and conditions set forth herein, notwithstanding any variance in terms and conditions set forth on buyer's order forms. The order acknowledgement is the final confirmation of the agreement between the customer and NOVA and supersedes all prior oral and written statements regarding the order. Once the order confirmation has been sent, only NOVA approved and signed modifications will supersede the original confirmation.

DIMENSIONS/SPECIFICATIONS/FINISHES
All dimensions are approximate and may vary due to technique of each craftsman. If exact dimensions are required, it is necessary for the customer to state such specifications with the order. Detailed specifications sheets are available for each series of goods, and customer should consult NOVA's customer service department for these specification sheets. NOVA reserves the right to make changes in dimensions, style, or specifications if NOVA believes these changes will improve the goods' quality or appearance.

ORDER CHANGES
Upon acknowledgement of an order, NOVA may not be able to accept a change order. NOVA will not accept changes on specials or customer items once production begins. Every attempt to make the requested change will be made and the following conditions apply:
1) Requested changes must be submitted in writing
2) Additional charges for materials, labor, and administrative costs may be charged
3) Completion dates may be rescheduled as required based on changes

CANCELLATION POLICY
Prior to production, no charges to the customers. After this period, the Federal customer will be charged all actual costs incurred if items are not sold within a six month period.

STORAGE FEES
Open market

SHIPPING INFORMATION
NOVA Solutions products are shipped via contract carriers. NOVA's product pricing is dock delivered, based on standard delivery between normal business hours Monday through Friday, excluding weekends and holidays. Any charges arising from failure to meet shipments, rerouting while in transit, or carrier shortage charges are the responsibility of the customer. Detention charges will be incurred for untimely off-loading of product or other time delays incurred. Customer pick ups are handled on an appointment basis. Please contact NOVA Customer Service to schedule appointment.

Loss, Damage or Delay: NOVA shall not be liable for loss, damage or delay resulting from causes beyond its reasonable control, including but not limited to fire, strike, inclement weather, accidents, or delay in transportation. In the event of a delay, due to any such cause, the delivery date will be postponed.

Shortages: If the shipment is not delivered in accordance with the quantity of cartons and packages shown on the Bill of Lading and/or Freight Bill, do not accept it until such shortages are noted on both documents.

Open Market Shipping Fees
Handling Fee (all orders not able to be shipped via small parcel carriers): All orders under $30,000 list will incur $200 handling fee
Call Before Delivery (CBD) fee: $30 per order and location
Multiple site deliveries: $100 per order and location drop charge
Non-Standard Detention Time: $100 per hour after two hours for each delivery location
Delivery Time (outside normal delivery hours): Contact Customer Support for charges and availability
Fuel Surcharge: A fuel surcharge will be added to all items shipped via small parcel carriers.
Residential Deliveries: Additional charge will apply, contact Customer Support for more information.

UNCARTONED OR BLANKET WRAPPED
NOVA Solutions, Inc. uses the finest packing and cartoning. No blanket wrapped orders will be allowed.

DAMAGED MERCHANDISE
All merchandise is carefully packed and thoroughly inspected prior to shipment. Responsibility for its safe delivery is assumed by the carrier. Please inspect the merchandise immediately upon receipt. If shipment arrives short or obviously freight-damaged, notate immediately on freight bill so claim can be filed with the carrier. In the event of concealed damage, take pictures immediately and **notify NOVA within 7 days of receipt**. All cartons and packaging must be kept with the merchandise at the delivered location. Failure to comply will void any recourse to NOVA Solutions or the carrier. Failure to report damage within 7 days after receipt of merchandise constitutes acceptance and a waiver of any such claim.

RETURN POLICY
NOVA Solutions, Inc. will not accept the return of any merchandise for any reason unless prior written approval, including a Returned Material Authorization number (RMA), is issued by NOVA Solutions, Inc. Special order items may not be returned for credit. If merchandise is approved for return, the restocking fee of 25% will be applied. No returns will be allowed after sixty (60) days from the ship date. Upon receipt, all returned merchandise will be thoroughly inspected, and any discrepancies will result in an adjustment in the amount of credit issued.

RESULTS AND ALLOWANCES
NOVA will not make allowances for trip or delivery charges, but will only make allowance for actual work performed to correct manufacturing defects. Allowances may be authorized only by a company officer. It is the responsibility of the field sales representative to inspect any

Terms & Conditions

GENERAL SERVICES ADMINISTRATION

defective merchandise and make suggestions and recommendations as to the proper disposition. Field personnel cannot obligate or bind the company by definite agreement, without final authorization by a company officer. NOVA will not accept automatic charge backs which do not have prior authorization. All defects must be called to the company's attention upon arrival at the customer's "ship to" destination. To initiate any type of claim or request for parts, it is imperative to have the model number.

NOVA'S PERFORMANCE OF ITS OBLIGATION
The production and delivery of the goods to the extent delayed or hindered or prevented from the performance by reason of natural disasters, acts of God, strikes, lockouts, labor troubles, inability to procure materials, casualties, failure of power, restrictive governmental laws or regulations, riots, insurrections, acts of terrorism, war or other reason of a like nature not the fault of NOVA shall excuse for the period of the delay NOVA's performance and the period for the performance shall be extended for a period equivalent to the period of such delay.

WARRANTY PROVISION
LIMITED LIFETIME WARRANTY: NOVA Solutions warrants that its products are free from defects in materials and workmanship given normal use and care for the lifetime of service; proof of delivery being the only official document accepted by NOVA for any claim. In the event that a product is used more than normal use, the applicable warranty period may be reduced.

This warranty is made by NOVA Solutions to the original customer for as long as the original customer owns and uses the product. NOVA Solutions' warranty is only valid if the products are given normal and proper use, and installed in accordance with NOVA Solutions' installation and/or application guidelines, and installed by an authorized NOVA Solutions' dealer or agent. NOVA Solutions assumes no responsibility for repairs to products sustaining damages resulting from end-user modifications, attachments to a product, misuse, abuse, alteration, or negligence.
This warranty is subject to the limitations, exclusions, and other provisions provided below:
• Twenty-five years: Thermofused laminate
• Twenty years: Drawer slides
• Ten years: Locks
• Five years: Downview™ technology with flat panel monitor Flat Panel Display Security Arm, high-pressure laminate, casters, fabrics, electrical components, PVC extrusions, adjustable surface mechanisms, and accessories.
• Three years: The Trolley™ E and The Trolley™ EXL with Intelligent Motion Technology and NOVALinked™ Components:
  Three years for parts and repair labor plus optional extended warranty available for purchase.
  Additional installation labor charges may not be covered by this warranty. Variation in finishes is characteristic, in terms of color & texture, and does not constitute a defect.
• Five years: Electric Lift for Sit-Stand Units:
  Five years for parts and repair labor.
  Additional installation labor charges may not be covered by this warranty. Variation in finishes is characteristic, in terms of color & texture, and does not constitute a defect.

As your manufacturer, NOVA Solutions stands behind our quality products and will do everything possible to resolve any problems that might arise within the terms of this warranty.

For more information, or to file a warranty claim, please contact NOVA Solutions' Customer Support at 800-730-6682.

GOVERNING LAW
This contract shall be construed and governed in accordance with the laws and regulations of the state of Illinois. Customer agrees to submit to the jurisdiction of and agrees all lawsuits relating to any disputes between the customer and the company will be brought only in a state court located in Effingham County, Illinois or the United States District Court for Marion, Illinois. The customer hereby waives the right to a trial by jury in any action, proceeding, claim, or counter-claim whether in contract or tort, at law or in equity, arising out of or relating in any way to these terms and conditions and all other disputes between the parties.

REMEDIES
The remedies herein reserved shall be cumulative, and additional to any other or further remedies provided in law or equity. No waiver of a breach of any provision of these terms and conditions shall constitute waiver of any other breach or of such provision.

LIMITATION OF LIABILITY
NOVA shall not under any circumstances be liable to the customer, owner of the goods or any third party for special, indirect, incidental, or consequential damages, including, without limitation, loss of profits or revenues, loss or damage to other property or equipment, cost of capital or of purchased or replacement goods, or expense, delay, or inconvenience cause by or arising from the purchase, sale, use, repair or inability to use the goods or by any performance or non-performance under, or breach of, these terms and conditions. NOVA's sole liability for any defective goods shall be its repair or its replacement pursuant to the express warranties set forth above, or if amended, as applicable at the time of manufacture or repair of the goods. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusion may not apply to all customers. Any action resulting from any breach on the part of NOVA as to the goods or services delivered here under must be commenced within one year after the cause of action has occurred.

Product Benefits

Integrated Furniture Features

Extensive Product Portfolio
NOVA Solutions is proud to offer a diverse product portfolio in high-quality laminate, targeting markets that include office, education, training, hospitality, and health care. GSA and State Contracts allow government agencies to participate in NOVA's extensive offering. Architects and designers are critical contacts and liaisons for specifying "The Right Solutions™" from NOVA's unique product portfolio.

Exceptional Quality
Quality furniture shipped complete and on time is the standard of excellence required with customers to even be considered a viable offering. NOVA partners with quality suppliers that demand this same philosophy. NOVA's extensive investment in the latest state-of-the-art machining technology provides unlimited flexibility while insuring we exceed our promised fit and finish. Attention to detail at every level in the manufacturing process is a requirement. "Would I spend my money to buy that finished product?" is the final quality check.

Durable Construction
Durability and strength are necessities for the utmost value in quality furniture. Our durable thermofused laminate components provide that strength, coupled with our metal-to-metal hardware assembly. Added rigidity is integrated through framed and recessed back panels. Our first-class engineering ensures every product's design includes maximum durability and strength.

Integrated Technology
Our various Visual Display Options (The Trolley™, Downview™, and Surface Mount Arm for example) are unique solutions that differentiate NOVA from any other furniture manufacturer. The Trolley™ Personal Monitor Arm System with Intelligent Motion Technology™ is the latest addition to the family. The Trolley™ is a mainstream solution allowing you to view your flat panel display in its normal position. Then with the push of a button, your monitor recedes below the work surface allowing full utilization of the work area. Whereas our Downview™ technology positions your flat panel display below the work surface at a natural reading angle while also allowing you to use the entirety of the workspace in addition to the display. We also offer our Surface Mount Arm that allows you to secure your display in an upright position above the worksurface.

Quality Look
Attention to detail integrated throughout our product portfolio creates a quality look. Overlapped drawer and door designs in our office solutions products ensure the proper fit for every function. Matching edge banding on all surfaces allows a seamless view that accentuates the product's clean lines. Our Classroom Training Series gets high marks for providing a clear, crisp design that allows our Visual Display Options to blend in perfectly.

Multiple Selections
NOVA Solutions' comprehensive product portfolio confirms your only limitation is your imagination. Impress others with a vast variety of components with multiple options that fit your every need — from the back room to the boardroom. Now you can maintain a consistent company image that matches your facility and its function. Make your furniture an essential element of your productive environment!

Unlimited Flexibility
Throughout each product offering, unlimited flexibility gives you colors and shapes that can be mixed or matched to fit your style in any working or learning environment. Enjoy the freedom to create your own environment!

Customer Friendly
The majority of NOVA Solutions' furniture is shipped assembled, ready-to-install in your working or learning environment. Those components that require some assembly are designed to fit together with simplicity and minimal effort.

Environmental Accountability

NOVA Solutions takes our environmental accountability seriously with regards to our daily processes and products we produce. It is our corporate responsibility to our employees, customers, and community. We maintain the highest sensitivity and follow-through in preserving our natural resources today, and more importantly, for our future generations.

We have chosen suppliers that share this same commitment. Particleboard, the foundation of our furniture design, is manufactured from 100% recycled post-industrial materials. We ensure it is low formaldehyde emission particleboard, use water-based adhesives that are non-toxic in lamination, and band any exposed edges to seal the substrate.

To reduce materials in landfill sites, we integrate remaining cuttings into smaller products or packaging material. Our sawdust is recycled for use on local farms. We use recycled cardboard in all our packaging. NOVA also recycles cardboard, paper, plastics, steel, and aluminum. Even our Visual Display Options (Downview™ technology and The Trolley™) are completely recyclable.

NOVA continually evaluates all initiatives for improving our environmental accounability while providing the highest quality products to our customers.

Contents

Classroom Training

Classroom Training

These products are uniquely suited for the following environments...

Smart tools. Smart thinking.

Computer Training Desks
with iMod™ Wire Management System

Features

- Solutions for a wide variety of environments
- Visual Display Options available
- ADA compliant desks available
- Standard edge detail: 2mm Flat PVC. Matching edge banding colors
- Thermofused Melamine Worksurface; 1" Thick
- iMod™ compartment with removable modesty panels (locking optional; available in laminate or metal) for easy wire management
- Wire management system and power strip included per user
- CPU Shelf
- Manufactured with recycled post-industrial materials
- Ships assembled

How To Order

1. **Select model number**
   Ex: 46-SL303630RX
   - To specify an **ADA Height** unit, change height from 30 to **32** in model number and add $215 for single desk or $322 for double desk
     ADA Height Example: 46-SL303632**RX**
2. **Select laminate base and worksurface color** (see page 62)

   Ex: **227**   **044**
        Base   Worksurface
3. **Select laminate base color for removable laminate iMod™ modesty or metal color** (see page 63) **for removable metal iMod™ modesty**
   Ex: **227** (Fashion Grey laminate color for laminate modesty)
       PSL (Polished silver metal color for metal modesty)

   Optional Selections:
4. **Select Visual Display Options** (see page 12)
   Ex: TE0728NK (The Trolley™ EXL with NOVA keyboard drawer)
5. **Select Desk Options & Factory Installed Accessories** (see page 11)
   Ex: RWGSC (Star cut wire grommet)

Note: To indicate no power strip, add "-X" to model number and deduct $50 for a single desk and $100 for a double desk.

Split-Top Computer Training Desks

with iMod™ Wire Management System

How To Order

1. **Select model number**
   Ex: 46-SL303630ST
   • To specify an **ADA Height** unit, change height from 30 to **32** in model number and add $215 for single desk or $322 for double desk
   ADA Height Example: 46-SL303632ST
2. **Select laminate base and worksurface color** (see page 62)

   Ex: **227**   **044**
   　　Base　Worksurface
3. **Select laminate base color for removable laminate iMod™ modesty or metal color** (see page 63) **for removable metal iMod™ modesty**
   Ex: **227** (Fashion Grey laminate color for laminate modesty)
   　　PSL (Polished silver metal color for metal modesty)

Optional Selections:

4. **Select Visual Display Options** (see page 12)
   Ex: SMA0203NK (Surface Mount Arm with NOVA keyboard drawer)
5. **Select Desk Options & Factory Installed Accessories** (see page 11)
   Ex: RWGSC (Star cut wire grommet)

Note: To indicate no power strip, add "-X" to model number and deduct $50 for a single desk and $100 for a double desk.

Split-Top Options
- **Standard 6" D x 27" H rear shelf intended for a flat panel monitor with small base or Surface Mount Arm** (SMA0203NK or ASMA0203NK) **Visual Display Option.**

- **10" D x 27" H rear shelf option available for larger monitors. Add "-SP" to order with 10" D rear shelf**
  NOTE: Not available with any Visual Display Options. 24" D Desks with this option are not available with Keyboard Drawer

Worksurface Depths (6" Shelf)
24" D Desks = 18" D front worksurface and 6" D rear shelf
30" D Desks = 24" D front worksurface and 6" D rear shelf

Worksurface Depths (10" Shelf)
24" D Desks = 14" D front worksurface and 10" D rear shelf
**30" D Desks = 20" D front worksurface and 10" D rear shelf**

• **Standard CPU storage shelf right**
• **Add "-LX" for left CPU storage shelf or "-XX" for no CPU storage shelf**
• **CPU Storage Shelf Width:** See page 4

Available with Locking CPU Door
- **Add "-RD" for Locking CPU Door right, or "-LD" for Locking CPU Door left**
  • **Not available on units 32" or 63" wide**
  • **Not available with Contoured End Panels**
  • **Deduct 1 ½" from CPU width**
  • **Locking iMod™ modesty automatically included**
- **Add $386 for a single desk or $771 for a double desk**

ASSEMBLY REQUIRED

Options for Computer Training Desks

Contoured end panels

	Model	List Price
Not available on desks with Locking Door option (-D)		
	-S	$108 / Single Desk
		$161 / Double Desk

Locking CPU Door

To specify a locking CPU Door, replace "X" in the model number with "D"

Example: 46-SM243630RX** becomes 46-SM243630R**D**
• Not available on desks 30", 32", or 63" wide
• Not available in combination with Contoured End Panels (-S)
• Deduct 1 ½" from CPU width
• Locking iMod™ modesty automatically paired with locking CPU door

	-D	$386 / Single Desk
		$771 / Double Desk

Locking iMod™ Modesty

To add locking iMod™ modesty, add "-L" to the end of model number (Locking Modesty automatically paired with Locking CPU Door)
• Available in both Laminate or Perforated Metal

	-L	$167 / Single Desk
		$333 / Double Desk

No Power Strip

Power strip included in all desks by default, to remove:

	-X	Deduct $50 / Single Desk
		Deduct $100 / Double Desk

Casters

D x W x H (in.)	Model	List Price
To add casters, add "-C" to the end of model number. Includes stabilization bracket.		
Single Desk / Set of 4 (2 locking, 2 non-locking)		
2 ⅝ x 1 ¾ x 3 ¼	**-C**	$110 / set
Double Desk / Set of 6 (2 locking, 4 non-locking)		
2 ⅝ x 1 ¾ x 3 ¼	**-C**	$165 / set
Teacher Standup / Set of 4 Will increase height by 2¾"		
3 ½ x 3 x 4	**-C**	$402 / set

Privacy Panels for Single Desks
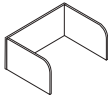

D x W x H (in.)	ft^3 / lbs	Model	List Price
For factory prep, must add "-PP" to end of model number. Specify base color only. 6" radius on front. Field installed.			
24 x 32 x 15	1.3 / 36	46-PP243215	$432
24 x 36 x 15	1.5 / 37	46-PP243615	$447
24 x 42 x 15	1.7 / 40	46-PP244215	$490
24 x 48 x 15	1.9 / 42	46-PP244815	$542
26 x 32 x 15	1.3 / 37	46-PP263215	$454
26 x 36 x 15	1.5 / 38	46-PP263615	$468
26 x 42 x 15	1.7 / 41	46-PP264215	$513
26 x 48 x 15	1.9 / 43	46-PP264815	$563
30 x 32 x 15	1.3 / 40	46-PP303215	$480
30 x 36 x 15	1.5 / 42	46-PP303615	$495
30 x 42 x 15	1.7 / 44	46-PP304215	$546
30 x 48 x 15	1.9 / 47	46-PP304815	$600

Privacy Panels for Double Desks
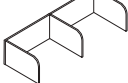

24 x 63 x 15	1.6 / 48	46-PP246315	$680
24 x 71 x 15	1.8 / 51	46-PP247115	$765
26 x 63 x 15	1.6 / 49	46-PP266315	$701
26 x 71 x 15	1.8 / 52	46-PP267115	$788
30 x 63 x 15	1.6 / 52	46-PP306315	$748
30 x 71 x 15	1.8 / 55	46-PP307115	$842

Computer Training Tables
with iMod™ Wire Management System

Features

- **Solutions for all learning environments**
- **Visual Display Options available**
- **ADA compliant tables available**
- **Standard edge detail: 2mm Flat PVC. Matching edge banding colors**
- **Thermofused Melamine Worksurface; 1" Thick**
- **iMod™ compartment with removable modesty panels (locking optional; available in laminate or metal) for easy wire management**
- **Wire management system and power strip included per user**
- **Adjustable CPU Holder**
- **Manufactured with recycled post-industrial materials**

How To Order

1. **Select model number**
   Ex: 26-RL303630TL
   - To specify an **ADA Height** unit, change height from 30 to **32** in model number and add $215 for single table or $322 for double table
   ADA Height Ex: 26-RL303632TL
   - To specify an **ADA Lift** unit, change model number from R to **A** and add $4,704. Available on single units with T-Legs only.
   ADA Lift Ex: 26-AL303630TL
2. **Select metal color for legs** (see page 63), **laminate color for worksurface, and laminate base color for iMod™ compartment** (see page 62)
   Note: Laminate iMod™ modesty will match base color, and Perforated Metal iMod™ modesty will match metal color.

   Ex: **PBL**   **030**   **174**
           Metal   Worksurface   Base

Optional Selections:

3. **Casters or height-adjustable legs** (Arched or T-Legs only)
   For casters, add "**-C**" to the end of model numbe. (See page 15 for pricing)
   Ex: 26-RL244230TL-C
   For height-adjustable legs, add "**-H**" to the model number. (See page 15 for pricing)
   Ex: 26-RL244230TL-H
4. **Select Visual Display Options** (see page 17)
   Ex: TE0728NK (The Trolley™ EXL with NOVA keyboard drawer)
5. **Select Options and Factory Installed Accessories** (see page 15)
   **Ex: RWGSC** (Star cut wire grommet)

   Please Note:
   Power strip, wire management, and CPU Holder are included with iMod™ Tables.
   To indicate no power strip, add "**-X**" to model number and deduct $50 per user.
   To indicate no CPU Holder, add "**-XC**" to model number.

1 x 96 x 12	0.75 / 21	25-PM019612	$977

NOVALinked™ **Components**

NOVALinked™ is a networking system that provides complete control of NOVA's Trolley™ monitor lifts in a classroom or training room setting. Utilizing a Crestron, Extron, AMX or other major brand controller, or an ISI component, instructors can raise or lower all of the Trolley™ monitor lifts in the classroom simultaneously.

LCI - Linking Control Interface

The LCI is required for all NOVALinked™ installations. One LCI is required to control each Trolley™ monitor lift. It can be located in an inconspicuous location on each desk/table or within the total access iMod™ compartment (if available).
1 ⁹⁄₁₆" D x 4" W x 1 ¾" H

AC-LCI..**$269**

JCN - Junction

The JCN is a parallel 3 way splitter for the NOVALinked™ System. One JCN required per row. Designed for use only with the NOVALinked™ System.
**1 ⁹⁄₁₆" D x 4" W x 1 ¾" H**

AC-JCN3 (Three RJ45 ports)............**$202**

CAT6 Patch Cable

CAT6 molded boot patch cable.
AC-CAT6-1 (1ft) **$27**
AC-CAT6-2 (2ft) **$31**
AC-CAT6-5 (5ft) **$34**
AC-CAT6-7 (7ft) **$37**
AC-CAT6-10 (10ft).................................**$46**
AC-CAT6-14 (14ft).................................**$57**

ISI - Independent Switching Interface

The ISI allows full control of the On/Off and Up/Down functions of the NOVALinked™ System without interfacing with a control system. The ISI Module is designed to be housed in the lectern-based Trolley™ control panel.

ISI

AC-ISI (for Wired Systems).............................**$454**
AC-ISIRF (for Wireless RF Systems).............**$454**

CSIM - Control System Interface Module

The CSIM is required for "wired" NOVALinked™ installations. One CSIM is needed for every thirty (30) LCI units / Trolley™ monitor lifts. Includes a 24V = 1.67A, 40W MAX Power Supply with Cord.
1 ⁹⁄₁₆" D x 4 ⅛" W x 2 ¹⁵⁄₁₆" H

AC-CSIM...**$534**

Components for Wireless NOVALinked™

The Wireless NOVALinked™ application eliminates the issue of running power from the lectern to the first row of desks, and from row to row.

TXM - Transmitter

The Transmitter allows wireless control of the Trolley™, and is housed in the lectern or any other location in the room. The Transmitter connects to the Controller or ISI, and each one has a unique frequency address. It sends separate commands for On, Off, Up and Down.

AC-TXM **$511**

RCVR - Receiver

One Receiver required per row of desks, including the last row.

AC-RCVR..**$511**

NOTE: If not using a major brand controller, order ISI component for wireless systems (AC-ISIRF)

NOTE: Typically one CSIM is required for every 30 LCI units in the classroom. Each Trolley™ unit requires one LCI (even with the wireless configuration).

All NOVALinked™ components shown on this page.
Trolley™ monitor lifts shown in the "up" position

Trolley™ monitor lifts shown in the "down" position
