Subject: Sole Source Notice

Computrition, Inc. offers a proprietary software package that includes foodservice operations management, nutritional care management/automated diet office and Point of Sale functionality. The Computrition Point of Sale software is only certified to interact with the VeriFone Payware Solution. This Software functionality is developed, tested, owned and maintained by Computrition, Inc. Computrition does not authorize any other entity to sell, support, train, or provide maintenance for this software.

Therefore, Computrition, Inc. is considered to be the sole source provider of this functionality. The software modules cannot be licensed by any other company.

Please do not hesitate to contact Computrition with any additional questions or needs. We look forward to continually working with you and your team.

Thank You,

Genevieve Gagnon
Vice President, Client Relations
