17. Termination for Convenience.
- 1) *Termination.* The Commissioner or designee may, when the interests of the State so require, terminate this contract in whole or in part, for the convenience of the State. The Commissioner or designee shall give written notice of the termination to Independent Contractor specifying the part of the contract terminated and when termination becomes effective.
 - 2) *Independent Contractor's Obligations.* Independent Contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination Independent Contractor will stop work to the extent specified. Independent Contractor shall also terminate outstanding orders and subcontracts as they relate to the terminated work. Independent Contractor shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work. The Commissioner or designee may direct Independent Contractor to assign Independent Contractor's right, title, and interest under terminated orders or subcontracts to the State. Independent Contractor must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.
18. Termination for Default.
- 1) *Default.* If Independent Contractor refuses or fails to perform any of the provisions of this contract with such diligence as will ensure its completion within the time specified in this contract or any extension thereof, or otherwise fails to timely satisfy the contract provisions, or commits any other substantial breach of this contract, the Commissioner or designee may notify Independent Contractor in writing

of the delay or nonperformance and if not cured in ten (10) days or any longer time specified in writing by the Commissioner or designee, such officer may terminate Independent Contractor's right to proceed with the contract or such part of the contract as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part, the Commissioner or designee may procure similar supplies or services in a manner and upon terms deemed appropriate by the Commissioner or designee. Independent Contractor shall continue performance of the contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.

- 2) *Contractor's Duties.* Notwithstanding termination of the contract and subject to any directions from the procurement officer, Independent Contractor shall take timely, reasonable, and necessary action to protect and preserve property in the possession of Independent Contractor in which the State has an interest.
- 3) *Compensation.* Payment for completed services delivered and accepted by the State shall be at the contract price. The State may withhold from amounts due Independent Contractor such sums as the Commissioner or designee deems to be necessary to protect the State against loss because of outstanding liens or claims of former lien holders and to reimburse the State for the excess costs incurred in procuring similar goods and services.
- 4) *Excuse for Nonperformance or Delayed Performance.* Except with respect to defaults of subcontractors, Independent Contractor shall not be in default by reason of any failure in performance of this contract in accordance with its terms (including any failure by Independent Contractor to make progress in the prosecution of the work hereunder which endangers such performance) if Contractor has notified the Commissioner or designee within 15 days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of the public enemy; acts of the State and any other governmental entity in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, Independent Contractor shall not be deemed to be in default, unless the services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit Independent Contractor to meet the contract requirements. Upon request of Independent Contractor, the Commissioner or designee shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, Independent Contractor's progress and performance would have met the terms of the contract, the delivery schedule shall be revised accordingly, subject to the rights of the State under the clause entitled in fixed-priced contracts, "Termination for Convenience". (As used in this Paragraph of this clause, the term "subcontractor" means subcontractor at any tier).

- 5) *Erroneous Termination for Default.* If, after notice of termination of Independent Contractor's right to proceed under the provisions of this clause, it is determined for any reason that the contract was not in default under the provisions of this clause, or that the delay was excusable under the provisions of Paragraph (4) (Excuse for Nonperformance or Delayed Performance) of this clause, the rights and obligations of the parties shall, if the contract contains a clause providing for termination for convenience of the State, be the same as if the notice of termination had been issued pursuant to such clause.
- 6) *Additional Rights and Remedies.* The rights and remedies provided in this clause are in addition to any other rights and remedies provided by law or under this contract.
19. Termination Upon Bankruptcy. This contract may be terminated in whole or in part by MDCPS upon written notice to Independent Contractor, if Independent Contractor should become the subject of bankruptcy or receivership proceedings, whether voluntary or involuntary, or upon the execution by Independent Contractor of an assignment for the benefit of its creditors. In the event of such termination, Independent Contractor shall be entitled to recover just and equitable compensation for satisfactory work performed under this contract, but in no case shall said compensation exceed the total contract price.
20. Modification or Renegotiation. This agreement may be modified only by written agreement signed by the parties hereto. The parties agree to renegotiate the agreement if federal and/or state revisions of any applicable laws or regulations make changes in this agreement necessary. Modifications shall not be initiated by the Independent Contractor within the last 90 days of the contract period, without prior approval from the Commissioner's Office.
21. Anti-assignment/Subcontracting. Contractor acknowledges that it was selected by the State to perform the services required hereunder based, in part, upon Contractor's special skills and expertise. Contractor shall not assign, subcontract, or otherwise transfer this agreement, in whole or in part, without the prior written consent of the State, which the State may, in its sole discretion, approve or deny without reason. Any attempted assignment or transfer of its obligations without such consent shall be null and void. No such approval by the State of any subcontract shall be deemed in any way to provide for the incurrence of any obligation of the State in addition to the total fixed price agreed upon in this agreement. Subcontracts shall be subject to the terms and conditions of this agreement and to any conditions of approval that the State may deem necessary. Subject to the foregoing, this agreement shall be binding upon the respective successors and assigns of the parties.
22. Non-Solicitation of Employees. Each party to this agreement agrees not to employ or to solicit for employment, directly or indirectly, any persons in the full-time or part-time employment of the other party until at least six (6) months after this agreement terminates unless mutually agreed to in writing by the State or Contractor.
23. Waiver. No delay or omission by either party to this agreement in exercising any right,

power, or remedy hereunder or otherwise afforded by contract, at law, or in equity shall constitute an acquiescence therein, impair any other right, power or remedy hereunder or otherwise afforded by any means, or operate as a waiver of such right, power, or remedy. No waiver by either party to this agreement shall be valid unless set forth in writing by the party making said waiver. No waiver of or modification to any term or condition of this agreement will void, waive, or change any other term or condition. No waiver by one party to this agreement of a default by the other party will imply, be construed as or require waiver of future or other defaults.

24. E-Payment. Independent Contractor agrees to accept all payments in United States currency via the State of Mississippi's electronic payment and remittance vehicle. The agency agrees to make payment in accordance with Mississippi law on "Timely Payments for Purchases by Public Bodies," which generally provides for payment of undisputed amounts by the agency within forty-five (45) days of receipt of invoice. 25. E-Verify. If applicable, Independent Contractor represents and warrants that it will ensure its compliance with the Mississippi Employment Protection Act of 2008, and will register and participate in the status verification system for all newly hired employees. Mississippi Code Annotated §§ 71-11-1 et seq. The term "employee" as used herein means any person that is hired to perform work within the State of Mississippi. As used herein, "status verification system" means the Illegal Immigration Reform and Immigration Responsibility Act of 1996 that is operated by the United States Department of Homeland Security, also known as the E-Verify Program, or any other successor electronic verification system replacing the E-Verify Program. Independent Contractor agrees to maintain records of such compliance. Upon request of the State and after approval of the Social Security Administration or Department of Homeland Security when required, Independent Contractor agrees to provide a copy of each such verification. Independent Contractor further represents and warrants that any person assigned to perform services hereafter meets the employment eligibility requirements of all immigration laws. The breach of this agreement may subject Independent Contractor to the following:
- (1) termination of this contract for services and ineligibility for any state or public contract in Mississippi for up to three (3) years with notice of such cancellation/termination being made public;
 - (2) the loss of any license, permit, certification or other document granted to Independent Contractor by an agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year; or,
 - (3) both. In the event of such cancellation/termination, Independent Contractor would also be liable for any additional costs incurred by the State due to Contract cancellation or loss of license or permit to do business in the State.
26. Transparency. This contract, including any accompanying exhibits, attachments, and appendices, is subject to the "Mississippi Public Records Act of 1983," and its exceptions. Independent Contractor understands and agrees that the State is exempt from the payment of taxes. All payments shall be in United States currency.

Any notice required or permitted to be given under this Agreement shall be in writing and personally delivered or sent by electronic means provided that the original of such notice is sent by certified United States mail, postage prepaid, return receipt requested, or overnight courier with signed receipt, to the party to whom the notice should be given at their business listed herein.
