Project Details

1. Describe the commodity/service that the agency/institution is seeking to procure:

Forte Research System, Inc. (Forte) is a private company founded in February 2000. The company is based in Madison, Wisconsin. Forte provides software and services in the critical areas of clinical trial management, clinical data management and research administration for cancer centers, academic medical centers and health systems. Forte's integrated portfolio, allows organizations to gain comprehensive visibility into research operations, increase financial viability.

2. Explain why the commodity/service is the only one (1) that can meet the needs of the agency/institution:

Forte Eval is the only solution that brings all the data together to connect and report on it in a meaningful way. Forte Eval allows users to show publication results from specific grant funding to showcase research ROI to NIH, NCI, sponsors, and internal stakeholders. Forte Eval comes packaged with Forte Insights. Insights provides a robust reporting solution. Insights offers full-integrated, turnkey dashboards that give visibility into programs, staff, publications and more. Insights dashboards are ideal for grant applications and showing progress.

3. Explain why the source is the only person or entity that can provide the required commodity/service:

Forte is the sole licensor of Forte EVAL. Forte does not have or utilize any third-party resellers and does not authorize any other party to license or sub-license Forte EVAL on its behalf

See supporting letter from Forte Research Systems, Inc., Attachment A.

4. Explain why the amount to be expended for the commodity/service is reasonable:

The estimated amount to be expended is for the purchase of Forte EVAL is \$235,500.00. Total investment to-date will be \$235,500.00. This amount is within the expected price range for these products.

5. Describe the efforts that the agency/institution went through to obtain the best possible price for the commodity/service:

Through market intelligence, UMMC was able to negotiate best pricing for these products. All applicable discounts were explored and applied.

Submission Instructions and Format of Response from Objecting Parties

Interested parties who have reason to believe that the Forte EVAL, (hereafter, “Products”) should not be certified as a sole source should provide information in the Vendor Form for the State to use in determining whether or not to proceed with awarding the sole source to Forte Research Systems, Inc. The Vendor Form may be found at <http://www.dfa.state.ms.us/Purchasing/documents/ObjectiontoSoleSourceDetermination.pdf>.

Objections must include the certification in Attachment B.
