Project Details

1. Describe the commodity/service that the agency/institution is seeking to procure:

Doximity is a HIPAA secure private network, similar to "Linkedin" but is specifically for Physicians with over two million active provider members. Doximity's Talent Finder platform helps organizations find, contact, and recruit passive physician candidates from other academic institutions, thus saving on search firm fees.

2. Explain why the commodity/service is the only one (1) that can meet the needs of the agency/institution:

Talent Finder helps to leverage connections to quickly find, contact, and recruit physician members in a transparent and meaningful way. Talent Finder is the only tool positioned to assist UMMC to find relevant candidates, engage in a dialogue, and recruit for academic searches. In addition, UMMC will have the ability to proactively target Professors and Deans employed by other medical schools. This cannot be accomplished with a job posting/board.

3. Explain why the source is the only person or entity that can provide the required commodity/service:

Doximity, Inc. is the sole source of the Doximity Talent Finder physician recruitment service. See supporting letter from Doximity, Inc. Attachment A.

4. Explain why the amount to be expended for the commodity/service is reasonable:

The estimated amount to be expended for the purchase of Doximity Talent Finder is **\$80,000.00 for three years**. Please be advised that UMMC will determine if additional enhancements, upgrades, support, or equipment are within scope during the certification period and may increase the spending authority accordingly. Should Doximity, Inc. change their name during this certification period, then UMMC will determine if a recertification is necessary. This amount is within the expected price range for these products.

5. Describe the efforts that the agency/institution went through to obtain the best possible price for the commodity/service:

Pricing is compared against available market intelligence and identified discounts are pursued where applicable.
