To Whom It May Concern:

This letter certifies that HYPACK, a division of PureHM U.S. Inc., having place of business at 56 Bradley St., Middletown Connecticut 06457, is the sole developer of HYPACK hydrographic surveying software, HYSWEEP multibeam and LiDAR editing software, and DREDGEPACK dredge monitoring software. The HYPACK Maintenance Plan services include technical support and software updates, and are provided exclusively through HYPACK. HYPACK training is provided by our HYPACK certified technical team.

Please contact me if you require any further information on this.

Sincerely,

A handwritten signature in dark ink, appearing to read 'Straud Armstrong', with a stylized, flowing script.

Straud Armstrong
Director, HYPACK Business Development
