

# METAL SAFE PLUS

## ENVIRONMENTALLY RESPONSIBLE DISHMACHINE DETERGENT

### Product Properties

COLOR: Off White Solid  
ODOR: Mild Detergent  
pH (1%): 13  
HARD WATER TOLERANCE: Very Good  
FOAMING: None  
DETERGENCY: Excellent

### Description

This strong, solid detergent removes food soils quickly, while providing reserve cleaning capacity to handle stubborn soils. Built to handle the most challenging water conditions, it delivers sparkling clean results on china, glassware, stainless ware and other materials. Dissolves uniformly to minimize "overshoot" and maximize efficiency and economy. This product contains no phosphates and provides a more positive environmental profile.

### Features...Benefits

Concentrated .....Economical  
Solid Product .....Safer to Handle  
Fast Acting .....Labor Saving  
Hard Water Tolerant .....Improved Performance  
Phosphate-free .....Environmentally Safe

### Directions

Use this product only in an approved dispenser. Remove detergent container cover. Place container open end down in dispenser. When container is empty, carefully lift from dispenser, turn upright and use cover from new container to close empty container. If product contacts hands, wash off immediately. Consult your Sales or Service Representative for specific information on use of this product in your application.
