

ODOR Assassin™

Metered Aerosols

Odor Assassin metered refills deliver continual, long-lasting odor control in your choice of ten exceptional scents including new Lavender Zest, Crisp Cotton, and Vanilla Bean. All fragrances contain our patented odor control ingredient that truly eliminates offensive malodors! They are more than just nice scents!

7.25-oz aerosol cans are VOC compliant in all 50 states. They can deliver 3000 metered sprays lasting 30 days when dispensed every 15 minutes. The cans are designed to fit into our "Sensor Dispenser" or most other automatic dispensing cabinets.

Sensor Dispenser features

- 24 hrs or light only option
- Empty can reminder
- Easily wall mounted
- Spray interval of 5, 15, or 30 minutes
- Low battery monitor with indicator light
- Use one dispenser for every 4000-6000 cubic feet

Total Release Fogger

Odor Assassin Total Release is an aerosol based odor eliminating formula that effectively destroys odors regardless of their source. Use as a fogger to freshen spaces up to 6000 cubic feet. Penetrates cracks and crevices to eliminate odors at their source.

Easy to use. The dual action release tab adjusts from a short burst spray trigger for spot deodorizing to a fogger for an entire room, office, lobby, restroom, auditorium, home, or other large space. Simply lock tab in open position and leave the room undisturbed for 2 hours.

Clean, fresh air scent. 12 5oz cans per case.

ODOR Assassin™

Convenient Sprays

Eliminates odors in seconds! Doesn't just cover up.
Uses compressed air as a natural propellant!
Super-fine mist! No messy fallout!

A quick spray lasts for hours!
Exceptional scents!

Let there be no doubt as to what Odor Assassin does! It gets rid of airborne odors in seconds. Industrial strength formula effectively eliminates offensive odors - doesn't just cover up. A quick spray will clear all kinds of odors in your home or vehicle including -

Pet Odors	Cooking Odors
Tobacco Smoke Odor	Musty Basement Odor
Medical Odors	Bathroom & Diaper Odors
Trash Odors	Laundry Room Odors

Lab tests show that Odor Assassin eliminates more than 90% of odor molecules from the air. Uses compressed air as a natural propellant to dispense a continuous super-fine mist that lasts for hours - doesn't just cover up odors.

Heavy Duty Degreaser – One of the most powerful degreasers. It is high in silicate, with no fragrance added. Produces a medium to high foam that quickly breaks down soils and grease.

Hot Springs Wash & Wax – This is a two-step system in one. The dirt and grime are washed away and a protective wax is left behind. The Wax that is left will cause water droplets to form tight beads.

Tire Shine – The detailer's answer to renewing old tires. Just spray undiluted. Instant gloss and long-term durability. Fast drying liquid that is flammable.

Little Critters – A highly effective liquid enzyme product designed to be used by municipalities, institutions and industries. Use to open, clean and maintain septic tanks, feeder lines, and grease traps. Contains billion "critters" per gallon.

Glass Cleaner - Ready to use for cleaning and brightening windows, mirrors, windshields, show cases and all glass surfaces. Leaves NO FILM–EASY TO USE.

WHEELER Janitorial Supplies & Equipment.

TECHNICAL DATA INFORMATION

LEMON ZEST Kitchen Cleaner *Heavy Duty Eco-Green Degreaser*

This product offers the latest technology in green chemistry. It formulated for the toughest cleaning in industrial facilities. LEMON ZEST is a frictionless / touchless cleaner minimizes scrubbing and elbow grease required. It is highly effective against grease, grime, inks, oils and exhausts. It does not contain SARA 313 chemicals, hazardous ingredients and is non-flammable, non-combustible and biodegradable. LEMON ZEST does not contain any harmful solvents, caustics or ingredients that produce a toxic health environment for workers. No VOC's.

ADVANTAGES:

- **NON-FLAMMABLE**
- **BIODEGRADABLE**
- **NON-TOXIC**
- **PHOSPHATE FREE**
- **NO SOLVENTS**
- **FRICTIONLESS CLEANING**
- **SELF-SPLITTING-BREAKS RAPIDLY**

**MADE IN
USA**

**Made In Mississippi:
WHEELER Janitorial
Supplies & Equipment.**

P.O. Box 958
Crystal Springs, MS. 39059

DIRECTIONS:

Read SD Sheet and consult with your supervisor before using this product.

Always wear proper personal safety equipment such as rubber gloves, eye protection.

Use this product "neat", undiluted or dilute up to 1:10 with water.

CAUTION: Contains: No hazardous ingredients.

Keep Out of Reach of Children. Do not get in eyes or on skin or in eyes. May cause skin and eye irritation. Avoid prolonged or repeated skin contact.

FIRST AID:

SKIN: Flood contact area with large amounts of clean water for 15 minutes. Discard contaminated clothing. If irritation persists get medical attention.

EYES: In case of contact flush eyes with plenty of water for 15 minutes, while lifting upper and lower eye lids. Get medical attention.

INTERNAL: Do not induce vomiting. Drink plenty of water and contact a physician immediately.

WHEELER Janitorial Supplies & Equipment.

TECHNICAL DATA INFORMATION

MACHINE KLEEN

This unique high-performance product outperforms the competition with it's proprietary, no-scrub, vigorous but safe formulation. May be used at lower water temps for better economics. This product contains anti-corrosion ingredients and water conditioners.

ADVANTAGES:

- **CONCENTRATED**
- **CONTAINS NO BLEACH**
- **BIODEGRADABLE**
- **WORKS AT LOWER TEMP**
- **WILL NOT HARM GLASS**
- **RINSES EASILY**

DIRECTIONS:

Read SDS Sheet, complete label and consult with your supervisor before using this product.

Follow machine directions

CAUTION: Contains Potassium Hydroxide
Keep Out of Reach of Children. Do not get in eyes or on skin. May cause skin and eye irritation. Avoid prolonged or repeated skin contact. Always wear safety glasses and protective gloves. Do not mix with any other chemicals.

FIRST AID:

SKIN: Flood contact area with copious amounts of clean water. If irritation persists get medical attention.

EYES: In case of contact flush eyes with plenty of water for 15 minutes, while lifting upper and lower eye lids.

INTERNAL: Do not induce vomiting. Drink plenty of water and contact a physician immediately.

INTERNAL: Do not induce vomiting. Drink plenty of water and contact a physician immediately.

LEMON DISINFECTANT

GENERAL INFORMATION

Wepak Lemon Disinfectant is a one-step germicidal cleaner and deodorant designed for general cleaning, disinfecting of hard, non-porous environmental surfaces. **Wepak Lemon Disinfectant** cleans quickly by removing dirt, grime, mold, mildew, food residue, body oils, dead skin, blood and other organic matter commonly found in hospitals, nursing homes, schools, and colleges, offices, funeral homes, hotels, motels, public areas and restrooms, restaurants and federally inspected meat and poultry establishments. **Wepak Lemon Disinfectant** eliminates odors leaving surfaces smelling clean and fresh. Use where odors are a problem.

This product is **Bactericidal** according to the AOAC Use Dilution Test method on hard inanimate surfaces. **Fungicidal** according to the AOAC fungicidal test, modified in the presence of 5% organic serum against: *Pseudomonas aeruginosa*, *Salmonella enterica*, *Staphylococcus aureus*, *Methicillin Resistant Staphylococcus aureus* (MRSA).

Disinfectant, Cleaner, Virucide*, Deodorizer for Hospitals, Nursing Homes, Hotels & Motels, Meat and Poultry Plants, Schools, Restaurant, Food Handling and Process Areas.

DIRECTIONS

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Before using this product, food products and packaging materials must be removed from the room or carefully protected. Do not use this product to clean, sanitize or disinfect utensils, glassware, dishes or interior surfaces of appliances.

DISINFECTION PERFORMANCE IN INSTITUTIONS (Hospitals, Dental Offices, Nursing Homes, and Other Health Care Institutions) AND NON-MEDICAL FACILITIES (Schools, Restaurants, Food Services and Food Processing Plants and Other Non-Medical Facilities): At 4 fluid ounces per gallon of water use level and with a 10 minute contact time, this product is effective against the following organisms on hard, non-porous surfaces.

Pseudomonas aeruginosa, *Salmonella enterica*, *Staphylococcus aureus*, *Methicillin Resistant Staphylococcus aureus* (MRSA)

VIRUCIDAL* PERFORMANCE: At 4 fluid ounces per gallon of water use level, this product was evaluated in the presence of 400 ppm hard water and 5% serum with a 10 minute contact time and found to be effective against the following viruses on hard, non-porous surfaces: Avian Influenza A virus, Herpes Simplex Virus Type 1, Herpes Simplex Virus Type 2, Influenza A H1N1 virus.

PREPARATION OF DISINFECTION/VIRUCIDAL* USE SOLUTION: For heavily soiled areas, a preliminary cleaning is required. Add 4 fluid ounces of this product to 1 gallon of water to disinfect hard, non-porous surfaces. Apply use solution using a brush, cloth, mop, sponge, auto scrubber, mechanical spray device, or by immersion so as to thoroughly wet surfaces. For sprayer applications, spray 6-8 inches from surface. Do not breathe spray. Rub with brush, cloth, or sponge. Change cloth, sponge or towels frequently to avoid redeposition of soil. Treated surfaces must remain wet for 10 minutes. Allow to air dry. Rinsing of floors is not necessary unless they are to be waxed or polished. Rinse all treated surfaces that come in contact with food, such as countertops, appliances, tables, and stovetops, with potable water before reuse. Prepare a fresh solution at least daily or when use solution becomes visibly dirty.

***FOR DISINFECTING HARD, NON-POROUS SURFACES AGAINST AVIAN INFLUENZA A VIRUS (H5N1) (H3N2) (INFLUENZA A (H1N1)) VIRUS:** For use in hospitals, hotels, motels, schools and other non-animal use sites, follow the **DISINFECTION/GENERAL DISINFECTION/VIRUCIDAL**FUNGICIDAL/MOLD AND MILDEW PERFORMANCE IN INSTITUTIONS AND NON-MEDICAL FACILITIES** directions.

Not for use on medical devices or medical equipment surfaces. This product is a Hospital Disinfectant at 4 fluid ounces per gallon, modified in the presence of 400 ppm hard water with a 10 minute contact time.

DIRECTIONS FOR FOOD PROCESSING PLANTS: For use on hard, nonporous, non food contact surfaces such as floors, walls, tables, garbage cans. Follow the **PREPARATION OF DISINFECTION/VIRUCIDAL* USE SOLUTIONS** use directions.

NON-ACID TOILET BOWL, URINAL, AND BATHROOM DISINFECTANT

PREPARATION OF USE SOLUTION: Mix 4 ounces of this product with 1 gallon of water.

FROM USE SOLUTION: Preclean surface. Empty water out of toilet bowl or urinal and apply ½ to 1 ounce use solution to exposed surfaces, including under the rim with a brush, cloth, mop, sponge, auto scrubber or mechanical spray device. For spray applications, spray 6-8 inches from surface. Do not breathe spray. Allow solution to stand for 10 minutes and flush. Swab all areas after spraying. Refill toilet bowl or urinal with water. Change cloth, sponge or towels frequently to avoid redeposition of soil. Prepare a fresh solution at least daily or when use solution becomes visibly dirty.

FOR USE AS A GENERAL CLEANER AND/OR DEODORIZER: Apply use solution to surfaces. Allow to air dry. For heavy-duty use, add 16 fluid ounces per gallon of water to clean hard, non-porous surfaces.

NEUTRAL CLEANER CONCENTRATE

GENERAL INFORMATION

This product is recommended for general everyday cleaning. It is a combination of detergents, emulsifiers, and wetting agents. No rinsing is necessary, but is recommended where dirt load is extremely heavy. Can be used with hard or soft water. Contains no corrosives or abrasives. Biodegradable, safe to use, and safe for septic systems.

DIRECTIONS

For daily maintenance of floors, use 2 oz. per gallon of water. Increase dilution accordingly for heavier dirt, we recommend 3 to 4 oz. for moderate soil. For heavily soiled areas use 10 to 12 oz. per gallon of water and rinse afterward. Use solution in trigger spray bottle for cleaning small areas, wipe off with damp cloth.

CONCENTRATED GLASS CLEANER

GENERAL INFORMATION

A concentrated film free cleaner that contains no undesirable residue forming materials which cause streaking, smearing and resoiling of the glass. For cleaning and brightening windows, mirrors, windshields, show cases and all glass surfaces. Leaves no film, easy to use. Reduces cleaning time, dust resistant, leaves no dirt catching film, wax-free, dustless, saves polishing. Windows stay cleaner longer.

DIRECTIONS

Spray or pour a small quantity of diluted concentrated glass cleaner on the soiled surface and spread evenly with a cloth or paper towel. Wipe off the loosened soil with a clean soft cloth or paper towel.

PEROXY HDOX

CLEANER - DISINFECTANT - SANITIZER - VIRUCIDE - FUNGICIDE - DEODORIZER

Green Cleaning Goal:

Clean without introducing toxicity

Traditional Green Cleaning Systems

-Use Green Cleaners and a Disinfectant

The Problem

-The disinfectant introduces toxicity

Peroxy HDOX Cleaning System

-Use a Low Toxicity Cleaner & Disinfectant

The Advantage

-The system does not introduce toxicity

vs.

Peroxy HDOX combines great cleaning ability with low toxicity disinfecting making it a low toxicity cleaning system, not just a cleaning product

Peroxy HDOX meets US Green Building Council LEED requirements for a disinfectant

Use Peroxy HDOX for:

- Disinfectant
- Sanitizer
- Fungicide
- Deodorizer
- General Cleaner
- Glass Cleaner
- Floor Cleaner
- Tile & Grout Cleaner
- Carpet Cleaner
- And More!

Peroxy HDOX HMIS Ratings:

Concentrate:

Health: 1
Flammability: 0
Reactivity: 0

Both Dilutions:

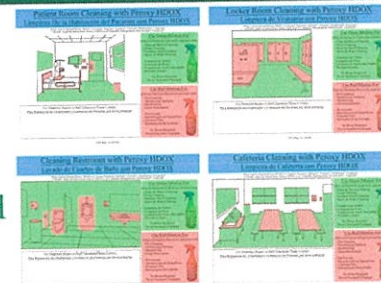

Health: 0
Flammability: 0
Reactivity: 0

Outcomes:

- Cleaner Facility
- No Residue Buildup
- No Toxicity from Cleaning
- Simple Cleaning System
- Easier Staff Education
- Less Safety Data Sheets
- Cleaning Standardization
- Improved Efficiency
- Cost Savings
- And More!

Peroxy HDOX is Great for All Types of Low Toxicity Cleaning

Simple Color Coded Dispensers, Bottles, and Instructional Charts make staff education easy and effective.

cof-1

Cleanser - Protectant - Restorer

Green Floor Care Goal:

Prevent stripping, eliminate toxic chemicals, save labor

Traditional "Green" Floor Care System

Use Green Finish & Green Stripper

The Problem:

You are still stripping your floors
Expensive and labor intensive process

Floor Care with cof-1

cof-1 Removes embedded dirt from finish

VS.

The Advantage:

Reduces or eliminates the need to strip
Saves time and money

Use cof-1 for:

- Embedded Dirt Removal
- Finish Restoration
- Desktop Cleaner
- Locker Cleaner
- Light Graffiti Remover
- Tile & Grout Cleaner
- Finished Floor Cleaner
- Spray Buffing
- Tough Dirt Removal
- Mopping
- Auto Scrubbing
- And More!

Benefits

- Saves labor and time by reducing or eliminating wax stripping
 - Leaves surface easier to keep clean
 - Improves slip resistance
- Super Concentrated for maximum efficiency
 - Provides a bright, clear, wet look gloss
 - Lengthens life of floor coatings

Coverage:

1 Gallon cleanses 192,000 sq. ft. of floor used at 10z per gallon

1 Gallon restores 16,000 sq. ft. of floor used at 40z per gallon

www.HDOXinfo.com

PRODUCT OF THE USA

FORMULA 14B

Mineral & Hard Water Cleaner

Formula 14B is a Mineral & Hard Water Remover. It works fast to penetrate and lift off hard water, lime, organic matter, water deposits, stains caused by mold & mildew, even light rust. Formula 14 is an environmentally and human preferable solution to problems usually solved by harsh acids and chemicals that typically cause damage to skin and respiratory systems.

Formula 14b can be used on:

- Ceramic Tile & Grout
- Porcelain
- Stainless Steel
- Metal Fixtures
- Concrete
- Fiberglass

KEEP OUT OF REACH OF CHILDREN

See additional precautionary statements on right panel of label.

STORAGE & DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

Store in original container in areas inaccessible to small children. Store in dry, well ventilated area away from chemicals, direct light, heat, or open flame. Do not mix with other cleaning or disinfecting products. Keep securely closed. Offer for recycling, if available. Puncture and dispose of in sanitary landfill according to Federal, State, or Local law. Non-refillable container. Do not reuse or refill this container.

Manufactured by:
Earth Laboratories, Inc.
1101 East Diamond Avenue
Evansville, IN 47711
(866)203.0535
www.earthlaboratories.com

DIRECTIONS

Preparation: Dilute product with water as follows:

Light to Medium Soils: 10-16 oz / gallon
Heavy Soils: 32 oz / gallon

Application for small area surfaces:
Spray area liberally with diluted solution. Allow product dwell time of 30 seconds to 1 minute. Wipe area and remove solution. Rinse area, if necessary.

Application for large area surfaces:
Fill pressure washer, no touch cleaning system, or pump up sprayer with Formula 14 diluted solution. Apply a thin layer to surface and allow a dwell time of at least 30 seconds. Rinse solution. Light abrasion or scrubbing may be required for more difficult stains and rust.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

Harmful if swallowed. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

FIRST AID:

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. If contact lenses are present, remove after the first 5 minutes, then continue rinse. Call a poison control center or doctor for treatment advice.

If Swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything to an unconscious person.

If on Skin or Clothing: Remove contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth if possible. Call a poison control center or doctor for further treatment advice. Have the product container or label with you when calling a poison control center or doctor or going for treatment.

Met Mop

Neutral Cleaner

Description

Met Mop is a modern combination of synthetic detergents and emulsifiers, which provide multipurpose cleaning of many surfaces. This product will safely and completely perform all cleaning jobs from damp mopping and light cleaning to removal of greasy soils. A wide range of flexibility allows this product to be used on any surface not harmed by water. This is a low foaming, non-stripping multi-purpose cleaner that also rinses freely. It contains no acids, abrasives, or strong alkalis. Super concentrated and can be diluted as high as 1 ounce per gallon. This product is completely biodegradable and will not contaminate streams or septic tanks.

Directions for Use

Use at 1-3 ounces per gallon of water for damp mopping of all modern types of floors and general cleaning, of other hard surfaces. For Venetian blinds, light fixtures, painted walls, wood work and glass cleaning use 1 to 2 ounces per gallon of water. To clean greasy build-ups on automobiles, buses, trucks, and machinery use 6 to 8 ounces per gallon of water. Interior cleaning of autos, buses, and trucks is a breeze at about 2 to 3 ounces per gallon of water. Aluminum and stainless steel are 4 to 6 ounces per gallon of water. These jobs can be easily handled with either hot or cold water.

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.
