Designed to move with you throughout the day.

With Terrace, spaces can be as active as the people who use them. Worksurfaces of varying heights give people the freedom to adjust their work position. Soft seating integrated within primary work areas encourages collaboration. And flexible storage options tailor to individual needs.

Sit-to-stand workspace easily adjusts up and down, so you can change postures quickly.

Standing-height tables and open storage create a comfortable teaming area for sharing ideas.

Involve multi-dimensional laminate storage and soft seating support active work with options that keep everything tucked away yet easily accessible.

Landscape surface: Clear Glass, Frosted Glass **Panel fabric:** Appoint Dune, Tasanee Willow
Laminate and edge: Beigewood **Storage:** Frosty White **Paint:** Sprout
Top trim and feet: Brilliant White, Silver **Soft seating:** Appoint Seating Platinum, Wooly Bamboo
Seating upholstery: Attire Ivy **Mesh carrier and mesh:** Black **Frame finish:** Black

Make the most of your space and your resources.

With real estate at a premium, you need agile workspaces that can accommodate future needs and changing workstyles. Today's office furniture must work harder than ever. That's why Terrace is built to last, with sturdy steel panels that stand up to years of use and reconfigurations.

Remove a center panel and add soft seating to encourage collaboration in a shared workstation.

Convert a workstation to a meeting space by adding soft seating and lower-height storage.

Create convenient touchdown areas or separate workspaces offering ample storage and natural light.

More ways to design one-of-a-kind environments.

From the clean aesthetic of benching, to open collaborative spaces, to individual workstations, Terrace provides unique designs that make a strong visual statement.

Freestanding, panel-mounted, or undercabinet task lighting accommodates visual needs and work tasks.

Flat trim profile creates a clean look.

Layered worksurfaces keep piles off the primary worksurface yet easily accessible to enhance productivity.

To-the-floor tiles provide a cohesive, seamless look all around your space.

Terrace. Make it yours.

The beautiful thing about Terrace is its broad range of functional, ergonomic, and aesthetic options. It can support heads-down concentration or encourage open interaction. You can mix and match a variety of options, from panel heights to worksurfaces, fabrics to frameless glass, and storage to accessories. With a broad selection of surface materials, you can create the perfect palette to complement your brand or style.

Define individual work areas without blocking natural light or views with frameless glass.

Monitor arms and keyboard trays help promote proper postures while also keeping workspaces clear.

Choose the amount, type, and location of storage, keeping everything within easy reach.

FSC®-certified wood can be specified on veneer worksurfaces, tiles, and storage fronts to contribute to more responsible forestry practices.
