

Ice Erase

Product # 277

Advanced Liquid Ice Melt Formula

This advanced potassium acetate salt-based liquid penetrates quickly to dissolve frost, snow and ice accumulations from a wide variety of surfaces. It can also be used as a pre-treat up to 12 hours prior to storms to prevent accumulation. Its melting action does not generate any heat; it is non-corrosive and will not cause damage to surfaces or leave a residue; and it is non-burning to surrounding grass areas. A vibrant blue color indicates where product has been applied to surfaces which allows consistent and thorough application.

Ice Erase meets the requirements of "AMS 1435B Fluid, Generic, Deicing / Anti-Icing for Runways and Taxiways", making it an ideal solution for airport ice management on runways and taxiways.

Use on:

- | | | | | |
|--------------------|-----------------|------------------|-----------|------------|
| ● Airport runways | ● Sidewalks | ● Driveways | ● Stairs | ● Bridges |
| ● Airport taxiways | ● Loading docks | ● Locks | ● Chains | ● Linkages |
| ● Building roofs | ● Hinges | ● Coal conveyors | ● Asphalt | ● Concrete |
| ● Terrazzo | ● Rubber | ● Aluminum | ● Steel | ● Plastic |

Features and Benefits

- Prevents build-up of ice and snow
- Approved for airport taxiways and runways
- Vibrant blue dye indicates where product has been applied
- Non-corrosive
- Non-harmful to surrounding grasses
- Effective in temperatures as low as -60°F

Properties

Appearance.....	Blue liquid
Fragrance.....	None
Specific gravity.....	1.28g/mL
pH.....	10 - 11
VOC content.....	<1.0%
Ready to use.....	Yes

Directions *Complete directions on product label*

Anti-icing: Approximately 0.5 gallons per 1000 square feet

Deicing thin layers of ice: Approximately 1 gallon per 1000 square feet. More product will be required to melt thicker layers.

Authorizations: Meets all FAA specifications for SAE AMS 1435B Runway deicing/anti-icing fluids

Ingredients

	CAS Number
Potassium acetate.....	127-08-2
Water.....	7732-18-5
Tripotassium phosphate.....	7778-53-2
Tetrahydrolyltriazone.....	1307867-84-0
Sodium metasilicate.....	6834-92-0

Safety

Keep out of reach of children

DOT Shipping (ground transportation)
