## *Library Furniture*

Our maker tables turn any space into a maker space. Durable enough for a life-time of maker activities. Multiple work surfaces include maple butcher block, high-pressure laminate, phenolic resin, and more. Welded steel offers a durable framework for many years of heavy use. Manufactured in the US for full control from start to finish.

## *Library Furniture*

Our discovery tables will quickly become the centerpiece of your children's department and will have young patrons return to the library over and over again. And with modular components and a variety of configurations, our discovery tables can be tailored to meet the needs of any learning environment.

When it comes to display furnishings, we have mastered and redefined free-standing, wall-mounted, and space division display cases. Our traditional and unique handcrafted cases, from hardwood to aluminum, promote communication and show pride for special achievements. Schools, institutions, and offices use our display furniture to transform and customize their space.

Library environments require special attention to ease of use and durability. These spaces are constantly adapting as communities change and grow around them. Our furniture offers both traditional and modern pieces of time-less style and lasting quality.

From standard product to a modified piece or a custom design, TLI Furniture can bring your ideas to reality. Adult, teen and children's furniture, shelving and seating in an array of styles, colors, finishes and looks.

## *Library Shelving and End Panels*

Acrylic end panels add a lot of creativity and aesthetic flare to library environments. We can work with your artwork or let us assist you in custom artwork ideas. The possibilities are endless. Available in any heights for single-face, double-face or A-frame shelving.
