O. FAILURE TO ENFORCE

Failure by the MEMA at any time to enforce the provisions of the contract shall not be construed as a waiver of any such provisions. Such failure to enforce shall not affect the validity of the contract or any part thereof or the right of the MEMA to enforce any provision at any time in accordance with its terms.

P. FORCE MAJEURE

Each party shall be excused from performance for any period and to the extent that it is prevented from performing any obligation or service, in whole or in part, as a result of causes beyond the reasonable control and without the fault or negligence of such party and/or its subcontractors. Such acts shall include without limitation acts of God, strikes, lockouts, riots, and acts of war, epidemics, governmental regulations superimposed after the fact, fire, earthquakes, floods, or other natural disasters ("force majeure events"). When such a cause arises, Contractor shall notify the MEMA immediately in writing of the cause of its inability to perform, how it affects its performance, and the anticipated duration of the inability to perform. Delays in delivery or in meeting completion dates due to force majeure events shall automatically extend such dates for a period equal to the duration of the delay caused by such events, unless the MEMA determines it to be in its best interest to terminate the agreement.

Q. INDEMNIFICATION

To the fullest extent allowed by law, Contractor shall indemnify, defend, save and hold harmless, protect, and exonerate the MEMA, its commissioners, board members, officers, employees, agents, and representatives, and the State of Mississippi from and against all claims, demands, liabilities, suits, actions, damages, losses, and costs of every kind and nature whatsoever, including, without limitation, court costs, investigative fees and expenses, and attorney's fees, arising out of or caused by Contractor and/or its partners, principals, agents, employees and/or subcontractors in the performance of or failure to perform this agreement. In the State's sole discretion, Contractor may be allowed to control the defense of any such claim, suit, etc. In the event Contractor defends said claim, suit, etc., Contractor shall use legal counsel acceptable to the State. Contractor shall be solely responsible for all costs and/or expenses associated with such defense, and the State shall be entitled to participate in

said defense. Contractor shall not settle any claim, suit, etc. without the State's concurrence, which the State shall not unreasonably withhold.

R. INDEPENDENT CONTRACTOR STATUS

Contractor shall, at all times, be regarded as and shall be legally considered an independent contractor and shall at no time act as an agent for the MEMA. Nothing contained herein shall be deemed or construed by the MEMA, Contractor, or any third party as creating the relationship of principal and agent, master and servant, partners, joint ventures, employer and employee, or any similar such relationship between the MEMA and Contractor. Neither the method of computation of fees or other charges, nor any other provision contained herein, nor any acts of the MEMA or Contractor hereunder creates, or shall be deemed to create a relationship other than the independent relationship of the MEMA and Contractor. Contractor's personnel shall not be deemed in any way, directly or indirectly, expressly or by implication, to be employees of the State. Neither Contractor nor its employees shall, under any circumstances, be considered servants, agents, or employees of the MEMA; and the MEMA shall be at no time legally responsible for any negligence or other wrongdoing by Contractor, its servants, agents, or employees. The MEMA shall not withhold from the contract payments to Contractor any federal or state unemployment taxes, federal or state income taxes, Social Security tax, or any other amounts for benefits to Contractor. Further, the MEMA shall not provide to Contractor any insurance coverage or other benefits, including Workers' Compensation, normally provided by the State for its employees.

S. NO LIMITATION OF LIABILITY

Nothing in this agreement shall be interpreted as excluding or limiting any tort liability of Contractor for harm caused by the intentional or reckless conduct of Contractor or for damages incurred through the negligent performance of duties by Contractor or the delivery of products that are defective due to negligent construction.

T. NOTICES

All notices required or permitted to be given under this agreement must be in writing and personally delivered or sent by certified United States mail, postage prepaid, return receipt requested, to the party to whom the notice should be given at the address set forth below. V. OWNERSHIP OF DOCUMENTS AND WORK PAPERS

The MEMA shall own all documents, files, reports, work papers and working documentation, electronic or otherwise, created in connection with the project which is the subject of this agreement, except for Contractor's internal administrative and quality assurance files and internal project correspondence. Contractor shall deliver such documents and work papers to MEMA upon termination or completion of the agreement. The foregoing notwithstanding, Contractor shall be entitled to retain a set of such work papers for its files. Contractor shall be entitled to use such work papers only after receiving written permission from MEMA and subject to any copyright protections.

W. RECORD RETENTION AND ACCESS TO RECORDS

Provided Contractor is given reasonable advance written notice and such inspection is made during normal business hours of Contractor, the MEMA or any duly authorized representatives shall have unimpeded, prompt access to any of Contractor's books, documents, papers, and/or records which are maintained or produced as a result of the project for the purpose of making audits, examinations, excerpts, and transcriptions. All records related to this agreement shall be retained by Contractor for three (3) years after final payment is made under this agreement and all pending matters are closed; however, if any audit, litigation or other action arising out of or related in any way to this project is commenced before the end of the three (3) year period, the records shall be retained for one (1) year after all issues arising out of the action are finally resolved or until the end of the three (3) year period, whichever is later.

X. RECOVERY OF MONEY

Whenever, under the contract, any sum of money shall be recoverable from or payable by Contractor to MEMA, the same amount may be deducted from any sum due to Contractor under the contract or under any other contract between Contractor and MEMA. The rights of MEMA are in addition and without prejudice to any other right MEMA may have to claim the amount of any loss or damage suffered by MEMA on account of the acts or omissions of Contractor.

Y. RIGHT TO INSPECT FACILITY

The State, may at reasonable times, inspect the place of business of a Contractor or any subcontractors which is related to the performance of any contract awarded by the State.

Z. STATE PROPERTY

Contractor will be responsible for the proper custody and care of any state-owned property furnished for Contractor's use in connection with the performance of this agreement. Contractor will reimburse the State for any loss or damage, normal wear and tear excepted.

AA. TERMINATION FOR CONVENIENCE

- (1) *Termination.* The Procurement Officer of the MEMA may, when the interests of the State so require, terminate this contract in whole or in part, for the convenience of the State. The Procurement Officer shall give written notice of the termination to Contractor specifying the part of the contract terminated and when termination becomes effective.
- (2) *Contractor's Obligations.* Contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination Contractor will stop work to the extent specified. Contractor shall also terminate outstanding orders and subcontracts as they relate to the terminated work. Contractor shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work. The Procurement Officer may direct Contractor to assign Contractor's right, title, and interest under terminated orders or subcontracts to the MEMA. Contractor must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.

BB. TERMINATION FOR DEFAULT

- (1) *Default.* If Contractor refuses or fails to perform any of the provisions of this contract with such diligence as will ensure its completion within the time specified in this contract, or any extension thereof, or otherwise fails to timely satisfy the contract provisions, or commits any other substantial breach of this contract, the Procurement Officer of the MEMA may notify Contractor in writing of the delay or nonperformance and if not cured in ten (10) days or any longer time specified in writing by the Procurement Officer, such officer may terminate Contractor's right to proceed with the contract or such part of the contract as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part, the Procurement Officer may procure similar supplies or services in a manner and upon terms deemed appropriate by the Procurement Officer. Contractor shall continue performance of the contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.
- (2) *Contractor's Duties.* Notwithstanding termination of the contract and subject to any directions from the Procurement Officer, Contractor shall take timely, reasonable, and necessary action to protect and preserve property in the possession of Contractor in which the State has an interest.

- (3) *Compensation.* Payment for completed services delivered and accepted by the MEMA shall be at the contract price. The MEMA may withhold from amounts due Contractor such sums as the Procurement Officer deems to be necessary to protect the State against loss because of outstanding liens or claims of former lien holders and to reimburse the State for the excess costs incurred in procuring similar goods and services.
- (4) *Excuse for Nonperformance or Delayed Performance.* Except with respect to defaults of subcontractors, Contractor shall not be in default by reason of any failure in performance of this contract in accordance with its terms (including any failure by Contractor to make progress in the prosecution of the work hereunder which endangers such performance) if Contractor has notified the Procurement Officer within 15 days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of the public enemy; acts of the State and any other governmental entity in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, Contractor shall not be deemed to be in default, unless the services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit Contractor to meet the contract requirements. Upon request of Contractor, the Procurement Officer shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, Contractor's progress and performance would have met the terms of the contract, the delivery schedule shall be revised accordingly, subject to the rights of the State under the clause entitled (in fixed-price contracts, "Termination for Convenience," in cost reimbursement contracts, "Termination"). (As used in this Paragraph of this clause, the term "subcontractor" means subcontractor at any tier).
- (5) *Erroneous Termination for Default.* If, after notice of termination of Contractor's right to proceed under the provisions of this clause, it is determined for any reason that the contract was not in default under the provisions of this clause, or that the delay was excusable under the provisions of Paragraph (4) (Excuse for Nonperformance or Delayed Performance) of this clause, the rights and obligations of the parties shall, if the contract contains a clause providing for termination for convenience of the State, be the same as if the notice of termination had been issued pursuant to such clause.
- (6) *Additional Rights and Remedies.* The rights and remedies provided in this clause are in addition to any other rights and remedies provided by law or under this contract.

CC. TERMINATION UPON BANKRUPTCY

This contract may be terminated in whole or in part by MEMA upon written notice to Contractor, if Contractor should become the subject of bankruptcy or receivership proceedings, whether voluntary or involuntary, or upon the execution by Contractor of an assignment for the benefit of its creditors. In the event of such termination, Contractor shall be entitled to recover just and equitable compensation for satisfactory work performed under this contract, but in no case shall said compensation exceed the total contract price.

DD. THIRD PARTY ACTION NOTIFICATION

Contractor shall give MEMA prompt notice in writing of any action or suit filed, and prompt notice of any claim made against Contractor by any entity that may result in litigation related in any way to this agreement

Contractor understands and agrees that the State is exempt from the payment of taxes. All payments shall be in United States currency.

GG. UNSATISFACTORY WORK

If at any time during the contract term, the service performed or work done by Contractor is considered by MEMA to create a condition that threatens the health, safety, or welfare of the citizens and/or employees of the State of Mississippi, Contractor shall, on being notified by MEMA, immediately correct such deficient service or work. In the event Contractor fails, after notice, to correct the deficient service or work immediately, MEMA shall have the right to order the correction of the deficiency by separate contract or with its own resources at the expense of Contractor.

HH. WAIVER

No delay or omission by either party to this agreement in exercising any right, power, or remedy hereunder or otherwise afforded by contract, at law, or in equity shall constitute an acquiescence therein, impair any other right, power or remedy hereunder or otherwise afforded by any means, or operate as a waiver of such right, power, or remedy. No waiver by either party to this agreement shall be valid unless set forth in writing by the party making said waiver. The pricing included in the proposals will be graded on a points system. The maximum points available for pricing are 25 (twenty five). The lowest price submitted will receive the maximum score of 25 (twenty-five). The lowest price offered in response to this RFP will then be divided by every other price offered, individually. This will produce a percentile for each proposal price. Each percentile will then be multiplied by the total available points to produce a score for each proposal price.

Formula: $(\text{Lowest Price/Proposal Price}) \times 25 = \text{score}$

Proposal pricing will then be recorded in the RFP grading process according to the points awarded based on the above mentioned formula.

Example: Proposal Price A: \$10,000
 Proposal Price B: \$12,000
 Proposal Price C: \$20,000
 Proposal Price D: \$9,950

Proposal D will receive the maximum 25 (twenty five) points as it is the lowest price submitted.

The scores for Proposals A, B and C are then calculated in the following manner:

Proposal A: $(\$9,950/\$10,000) \times 25 = 24.875$

Proposal B: $(\$9,950/\$12,000) \times 25 = 20.729$

Proposal C $(\$9,950/\$20,000) \times 25 = 12.438$
