

1 A new look for nooks. The efficient footprint makes Two-Thirds perfect for underutilized spaces.

3 Two-sided seating gives users a place to work alone or together and a choice in posture.

5 Pull up a seat for quick desk-side meetings or group collaboration, then simply store away.

2 In a pinch, poufs are ready and waiting as additional seating in spaces prone to overflow.

4 Simple shapes provide order within the space, while expressive design creates personality.

6 Mix-and-match size, shape, and color to fit your style, preference, and group activities.
