#### USC GREEN 4 HANDS

Gentle hand soap and protective lotion removes the toughest dirt from skin and leaves a lanolin protective coating that acts like an invisible glove all day long.

#### GREEN 4 HANDS

Green 4 Hands is a non-abrasive and hypo-allergenic hand cleaner.

The formula dislodges microscopic dirt particles, encapsulating them in water for easy rinsing. The soap goes right down the drain without clogging to the sink or plumbing.

Our solution eliminates dryness and chaffing, because it does not include harsh ingredients. It contains a potent rich lanolin lotion that leaves skin feeling soft, smooth and healthy.
