*USC Renew is a revolutionary carpet extraction cleaner and spot remover that cleans, protects and deodorizes all types of carpet and upholstery.*

This water based emulsion is safe on all types of fabric and fibers, reaching deep into the material to lift dirt and break up stains. Will not leave residue, remove any stain protection built into the carpet or strip any fabric protective coating. Our perfect blend of all natural ingredients reduces re-soiling, wear and damage to the carpet appearance. Provides a pleasant lemon-pine scent. Certified by Carpet & Rug Institute, the solution is non-hazardous under the OSHA standard and contains no chemicals subject to SARA. Safe for septic systems.

**Directions:** Test for color fastness before using  
**Extractor Systems:** Dilute 1 oz. in 32 oz. of warm water in solution tank. Do not over wet carpet, add de-foamer to recovery tank if necessary.  
**Rotary Floor Machine:** Dilute 1 oz. in 8 oz. of warm water. Pre-spray area of carpet to be cleaned. **Hand Brush:** Dilute 1 oz. in 4-8 oz. of warm water.  
**Stain Removal:** Use full strength on soiled area, let stand for a few minutes. Agitate with carpet brush and blot dry with clean towel. Repeat if necessary, until stain is removed.

**REMOVES PET STAINS, GREASE, BLOOD, SHOE POLISH, WINE/LIQUOR, COFFEE, FOOD**

Note: The success of stain removal, depends on the length of time it has been in the fabric and if another chemical remover has been used.
