Important Notes:

- Seat heights differ between configurations. These heights are impacted by framework, controls, seat wood, foam, casters/ glides & other factors. See each series page online under the dimensions section to find seat height dimensions true to specific model configurations.
- High-profile bases (27BB, 27GB & 27PB), Rise exclusive bases (22CB & 22CG), Jury base 20JRY & hands-free Spec Stool 1401 use unique gaslifts not included on this chart. Lounge gas lifts are not included on this chart.

Modular 5-Star Swivel Bases

These bases are used across multiple series for the following applications: task, task stool, light task, light task stool, conference, executive and management seating. Each base is designed to work with both casters and glides options. On select series and where noted below, these bases are used for heavy-duty, 24/7 use & multi-shift use.

PART #	18BB	18PB	18BA	18GB	18WB	13BB

Important Notes:

- Casters specific to series such as those for the hands-free Spec Stool (15SPEC & 15NWB) and those exclusive to the Rise bases 22CB & 22CG (16HP) have not been included here.
- Felt glide additions for lounge chairs & sled bases are not included in this list.
- For electrostatic discharge casters (16ESD) inquiries, please contact your CAS person. These are not a part of our standard, price book listed offerings and are considered a custom request. ESD chairs require a long list of special requirements that must be met.
