

For light cleaning, mix 1:50 with water. For general cleaning, mix 1:25 with water. For heavy cleaning, mix 1:10 with water. For stubborn soils, repeat cleaning procedure at a more concentrate solution. Rinse thoroughly after use.

*"Do not use undiluted solution on composition floor, water base painted surfaces, or aluminum. Avoid contact with eyes and skin."*

**DESCRIPTION:** This all purpose cleaner is a catalactive cleaner that is safer and more effective than most water soluble solvent cleaners. Does not contain harmful toxic vapors. Safe for use on surfaces that are not harmed by water. Environmentally safe because this product is phosphate free, toxic free, soap free, and is biodegradable. This product simultaneously cleans and deodorizes.
