Dear Customer,

Offering the best quality office furniture available in today's market—contemporary, traditional, functional, or luxurious—we have the answer to all your furnishing needs no matter what your budget will allow.

Throughout our easy to use catalog, the products shown are listed with details including the corresponding fabrics and finishes. However, if you wonder if a product could come in a different size, color or finish, give your sales representative a call and we'll be happy to explore all options available for you. We appreciate your interest, and look forward to helping you make your office everything you want it to be. List prices are effective at time of publication and are subject to change without notice. Fabrics and finishes shown are representations and due to printing process, may not be exact.

Technology + Power

Extra's

GREENGUARD

All WorkSimpli Laminate products and most seating lines are built from environmentally friendly materials which meet or exceed California's 2022 environmental guidelines.

Desk Mounted Panels

EFFECTIVE TIME MANAGEMENT often requires a delicate balance between privacy and interaction with colleagues.

Borders can be retrofitted to most WorkSimpli laminate workstations in a manner that allows you to define your workspace the way you want. Whether you choose 24" or 36" high panels for complete privacy, 12" panels for moderate privacy or transaction tops for reception areas Borders has a solution that will work for you and your colleagues. Contact a sales representative for further information.

BORDERS+ FEATURES:

- Modular panel system that can be retrofitted to most WorkSimpli laminate workstations
- Ideal for creating partitions between colleagues and reception station
- Available in frosted acrylic or fabric panels • Economical, versatile and stylish

Polyethylene Terephthalate (PET) Panels

These tackable fabric panels are just for you. They come in two very great, distinctive colors guaranteed to match virtually any office setting. They are great to use in single or multi-user workstations. Our PET panels features an eco-friendly, UV-resistant, scratch resistant, flatness and abrasion resistant, color stable technology, and light weight material. These (PET) panels are acoustic and also offer a partial sound barrier. When privacy and functionality are your concerns they come in Ash Gray and Dark Gray and are easily desk mounted for your convenience.

Training Room Tables

Looking for an economical solution to address your boardroom, training and seminar needs?

Our training room tables are stocked in contemporary color laminates with 3mil Dura-Edge detailing. These tables not only provide flexibility and durability but will bring style and warmth to the workplace.

WorkSimpli

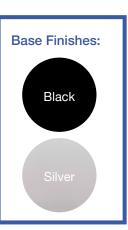

Budget Flip Top Tables are an affordable, highly modular system of freestanding tables which can be configured together to address all your meeting and training room needs. Stocked in contemporary color laminates with 3-mil Dura-Edge detailing. The Flip Top nesting feature allows storage in much less space than normal tables. These tables provide flexibility and durability while bringing style and warmth to the workplace.

Training Table Workstation PLT2472(6), PBF72(6)

Excludes seating and accessories

Ideal for classroom, meeting and institutional applications, these heavy duty flip top tables provide flexibility and convenience at an outstanding price. Featuring a quick response lever and locking casters these tables are designed so they may be nested together for easy storage. Tops are available in a variety of finishes; bases available in black and titanium.

Garrison Series

These two horizontal mesh back task chairs are designed with comfort and ease in mind. Both models feature Synchro-Tilt Mechanism. This allows the backrest and seat to tilt in unison. The back tilts more than the seat and is also tension adjustable. These chairs also feature adjustable arms and a pneumatic gas lift that allows for easy adjustable height and a weight limit of 275 lbs. It is the perfect chair for most everybody. Optional seat covers are available to change the seat color.

How to Use This Chair Functions Guide

Use this guide to help you find the perfect fit for your office seating needs. While browsing through pages 82-106 you will see each chair has a series of letters under the description that corresponds to this seating guide. You spend a lot of time in your office chair, so why not make it as comfortable as possible.

Pneumatic Seat Height Adjusts "up and down" seat height relative to the floor.

360-Degree Swivel Allows seat "rotation" in a full circle.

Mid-Point Control Allows user to recline at a more natural angle than the traditional tilt control. "Pivot point of chair is positioned slightly forward" toward

Knee-Tilt Control

the front of the seat.

Allows user to fully recline while keeping feet comfortably on the floor. "Pivot point is placed near the front of the seat."

Synchronous Control

Automatically "adjusts seat and back angle while maintaining a 2:1 recline ratio", providing optimum back support and minimal seat rise.

Articulating Seat & Back "Adjusts seat & back angle independently" with a single lever.

Adjustable Seat & Back Allows user to "adjust and lock seat and back angle" of chair independently of each other.

Back Height Adjustment Allows user to "adjust back up and down" for proper positioning of lumbar.

Lumbar $\overline{\mathbf{n}}$ Adjustment Allows user to "custom fit chair by adjusting lumbar" for optimum support and comfort.

0

Forward Seat Tilt

Allows user to "tilt seat forward" for optimum comfort while doing intensive forward oriented tasks.

High Control

Includes "swivel/tilt with tension control, independently adjustable seat and back angle with

Back Depth

Adjustment

Allows user to "adjust

back in and out" for additional seat depth.

infinite lock (any position) and forward pitch control."

Sliding

Seat Allows seat to move "forward and back" or to be locked in a desired position.

Height-Adjustable

Arms Allows user to "adjust arms up and down" within a set range to accommodate a variety of tasks.

Height/Width Adj. Arms

Allows user to "adjust arms up and down, or in and out" within a set range to accommodate a variety of tasks.

Soft Wheel Casters for hard surfaced floors. Available for most chairs. PUCASTER List \$39 per set/5 per set

Swivel/Tilt Control Places the "pivot

point directly above the base center" and allows the user to lean back in a seated position.

Tilt-Lock

and back" in an

upright position.

"Locks seat

Tilt-Tension Allows user to adjust "resistance" with which chair reclines or tilts.

Back Lock Allows user to select and "lock a particular back angle."
