Amendment #1  
Floorcovering Bid #3160001494  
Nursing Home Division

**The specifications for base material outlined in the captioned bid have been changed as follows:**

2.03 Related Materials (page 3 of 5)

2. Base material is to be 4.5" height, rubber/vinyl hybrid construction, in roll form without preformed corners.  
Neutral color to be determined.

Facility maintenance personnel will remove the existing base **only in the corridors**, in order to reinforce the wall material to accept the new base.
