

MISSISSIPPI STATE DEPARTMENT OF HEALTH

April 10, 2017

MEMORANDUM

TO: WIC Program Nutritional/Infant Formula Bidders

FROM: Jennifer Dotson, Director  
Facilities, Property and Purchasing 

Subject: WIC Nutritional Products/Infant Formula Invitation to Bid  
Revised Due Date: 2:00 PM CST, Tuesday, April 18, 2017

For your information, below is a listing of MSDH's final clarification of responses to Bidder's questions concerning the above mentioned invitation to bid:

Mead Johnson - Question: Please confirm if a document, such as a Secretary certificate, is required as part of the bid submission package to document proof of authority to sign the bid? NO

Gerber – Question: As Mississippi begins its transition to EBT and a retail system, will the contractor be responsible for supplying directly to those retailers participating in the EBT pilot? NO Will the EBT pilots include a mix of retailers (i.e., large grocery stores, small stores, etc.)? Please provide additional information on the transition to EBT and a retail system that will affect or change the manner in which the contractor supplies infant formula products to Mississippi WIC.
