STATE CONTRACT NO. 8200014936

STATE CONTRACT SMART NO. 1130-15-C-SWCT-00474\*

OPTFM has listed a state contract number and a state contract *smart* number. The contract number is an automatically generated number. The smart number is a more unique identifier that lists OPTFM's agency's number, contract year and shows agencies that it is a statewide contract. Also there is an asterisk listed at the end of the smart number. The asterisk is added at the end of the number for searchable purposes only; this is because each time a contract is changed, the Version number of the contract changes. It is not actually a part of the smart number. Either number can be used by agencies to search for this contract in the State's e-procurement system.

A. AUTHORITY

This certifies that a contract has been executed between the Department of Finance and Administration, Office of Purchasing, Travel and Fleet Management for the State of Mississippi and the herein designated Contractor pursuant to Section 31-7-7, Mississippi Code of 1972, Annotated, for the items specified herein.

B. EFFECT

During the term of this contract no purchase of panel systems furniture manufactured and/or distributed by the above-designated Contractor shall be made by state agencies at a price in excess of that established by the prices set out in this regulation (See Section "F").

Commodities purchased under provisions of this contract from the above Contractor or his authorized distributors shall be exempt from competitive bid requirements otherwise applying to purchases by the state agencies, counties, municipalities and other political subdivisions.

C. PURCHASE ORDERS

Purchase orders prepared by the various state agencies shall show the state contract number on the P. O. in the designated space, quantity, description of the items and prices, also shipping or delivery instructions, if any.

D. PAYMENT

The supplier shall be paid by the ordering agency upon submission of properly certified invoices or vouchers for articles or services delivered and accepted less deductions if any, as provided.

E. ORDERING

Purchasers shall order in such quantities as required. Purchase orders are to be directed to address of Contractor or Distributors shown in Section "J". The Bureau of Financial Control of the State shall not approve any account nor order and direct payment of any account for the purchase of any commodity covered by this contract certification when the purchase price is in excess of the maximum price fixed in this purchasing regulation.

F. PRICES

Prices for the new period are set forth in the [Nvision Price List, Effective January 2013](#). Prices are subject to the discounts as follows:

47% discount for orders from \$100,001 - \$500,000

49% discount for orders from \$500,001 - Plus

The only items that will be included in this agreement are powered and non-powered panels, hang-on components, accessories, such as tack boards, keyboard drawers, task lights, etc., and complimentary storage units which do not conflict with the Steel File Cabinet competitive bid contract. The only exception to this rule is if a file cabinet is being purchased for use within a specific workstation.

**Please note** that this agreement is only for purchases where the total net amount, after discount, will not exceed \$500,000. Design fees are not included as part of this agreement and must be negotiated separately.

Entities making purchases over \$50,000 may consider obtaining two competitive quotes from the authorized dealers' list on this manufacturer's contract. If this manufacturer does not have a dealers' list, the manufacturer should be prepared to submit a quote.
