 **First Quality**[®]

Where Quality Always Comes First[™]

Quality & Thoughtful Innovation

Quality in everything we do. You have come to expect from us the highest quality in products. You count on us to support our products with educational programs and resources that help you bring about continuous improvement in healthcare outcomes. We continue to step up our focus on quality that has made us a leading partner in healthcare.

We do so with thoughtful innovation. We will continue to bring to market products and programs that respond to our customer and consumer needs. We will continue to manufacture products that we truly believe in; products born from thoughtfulness and caring; products we would be happy to offer to our very own loved ones. This is part of how we manage our business... the First Quality® way.

The First Quality® Way

- **We make products that we can offer our own loved ones.** First Quality® is a family-owned company established in 1989. We bring to market products with the quality we can be proud to offer our extended families.
- **We focus on core categories where we can make a difference.** Our focus is the investment behind absorbent hygiene products which we know best, and pursue the most advanced technologies to offer value-added differentiation.
- **We are vertically integrated to manage cost, quality and customer service.** First Quality® operates multiple manufacturing sites to ensure constant supply. We produce key raw materials and are fully automated to deliver consistent quality at scale.
- **We are committed to protecting and improving our environment through sustainability initiatives.** In our manufacturing process, 99% of raw materials and packaging are utilized. Less than 1% goes to the landfill.
- **We are proud to say we that our products are engineered and assembled in our manufacturing plants in the U.S.A.** First Quality® has over 4,000 family members behind the production and delivery of high quality products. Our focus on quality has helped us become the leading Incontinence Product Manufacturer in the U.S.A.

Our Commitment

Quality. Service. Integrity. Sustainability.

First Quality® is committed to protecting and improving our environment. Our sustainability initiatives have led the industry and we are continually reviewing our systems in order to identify areas which can be improved.

**We appreciate your use of our online resources,
where the latest updates are always available.

Product Quality Features

Adult

-  **Back Label** - Size printed on inside waistband.
-  **360° Breathable Zones™** - Air flows freely through panels all around allowing skin to breathe.
-  **Breathable Zones™** - Ventilated areas allow air to freely migrate to the wearer, helping maintain skin wellness and comfort by reducing heat build-up.
-  **Cloth-Like Outer Fabric** - A soft breathable outer fabric that is more comfortable for the wearer and reduces the risk of skin irritation from the traditional plastic backed incontinence product.
-  **Designed for Men** - Designed specifically for a man.
-  **Designed for Women** - Designed specifically for a woman.
-  **Direct Lock™ Panels** - Back panel of brief can be grabbed between the two Easy-Lock Fastening Strips to release and attach without unfolding tabs.
-  **Discreet Color/Size Coding** - Colored design printed on white backsheet to indicate the size of the product.
-  **Doublesorb™ Layers** - Soft, dual core system helps lock up moisture and keeps it away from skin.
-  **Easy-Lock Fastener® (ELF®)** - Grip and hold without being sticky. The entire outer cover is a refasten zone, allowing refastening for improved fit, accurate sizing and cost savings through reduced waste.
-  **Expandex™ Wings** - Soft, flexible stretch panels provide a secure and contoured fit.
-  **Extended Use** - Designed with superior absorbency for day and nighttime use.
-  **Odor Guard®** - Helps prevent odors before they even start.
-  **QUICK WICK™ with MaxSoft** - Combines superior softness with first-class acquisition speeds.
-  **Skin Smart™ Fabric** - Hypoallergenic fabric that contains Aloe, Chamomile and Vitamin E for skin wellness.
-  **Stretch** - Stretchy side panels are easy to grab, pull and attach for an adjustable fit that is secure and comfortable.
-  **Unisex** - Designed to fit both a woman and a man.

Feminine Care

-  **Dri-Lock™** - Absorbent core that absorbs in seconds to help prevent leakage.
-  **Dri-Silk® Cover** - Provides exceptional softness and helps keep you clean and dry.

Baby

-  **Dri-Guard®** - Super absorbent core helps stop leaks before they start.
-  **Elastic Waistband** - Elastic bands along the waistline create a more comfortable, customized fit.
-  **Hypoallergenic** - Minimizes the likelihood of an allergic response by reducing or eliminating potentially irritating substances.
-  **Inner Leg Cuffs** - Inner leg cuffs have elastic bands that help provide a custom fit, creating a seal and protecting against leakage.
-  **Stretch** - Stretchy side panels are easy to grab, pull and attach for an adjustable fit that is secure and comfortable.

Wipes

-  **Lotion Enriched** - Moisturizes skin to promote skin wellness.
-  **Premium Quilted Fabric** - Quilted texture creates pockets for more complete cleaning using fewer washcloths.
-  **Press Open Lid** - With just one finger and the touch of a button the lid is easily opened.
-  **Single-Hand Dispensing™** - By combining pop-up folding and a special lid design, a Caregiver with one hand, can pull a single unfolded washcloth each time without reaching in, adding convenience and reducing waste.
-  **Skin Smart** - A combination of Aloe, Chamomile and Vitamin E that helps moisturize skin.
-  **Soft & Strong Tri-Form™ Fabric** - A unique three layer fabric: the two outer layers are made of a soft fabric to be gentle on the skin; the strong and thick inner layer prevents tearing or stretching for effective cleaning and for keeping hands cleaner.
-  **Vitamin E & Aloe** - Promotes skin wellness and reduces dry irritated skin.

Prevail® Technologies

With thoughtful innovation, we are improving Quality of Life for individuals that rely on Prevail®. Below are just a few of the significant innovations that can be found in Prevail® products.

Skin Smart™ Fabric - For Skin Wellness

Skin health is an ongoing concern for those living with Loss of Bladder or Bowel Control (LOBC). Prevail® products keep skin dry while providing skin caring benefits with Skin Smart™ fabric. This breakthrough material is made with Vitamin E and natural botanicals Aloe and Chamomile, known for protecting, soothing and promoting healthy skin. These details can make a dramatic step toward improving overall skin wellness.

- **Keeps skin comfortably dry** – The fabric wicks urine quickly and locks moisture away from the skin even when the product is under pressure of body weight.
- **Promotes skin integrity** – The larger breathable surface areas allow skin to breathe. The reduction of excess heat prevents perspiration and susceptibility to irritants and microbial growth.
- **Hypo-allergenic care with Vitamin E and botanicals** – The inner layer of the product that comes in contact with the skin is enriched with skincare ingredients that will not wipe off or impede its ability to wick away and lock up liquid.

Skin Smart™
Fabric

Odor Guard® Technology - Helps Prevent Odors

Odor protection is critical to achieving normalcy of life quality. Prevail® products feature Odor Guard® technology. Combined with a super absorbent polymer for dual protection, Odor Guard® is proven to reduce the total amount of odor-causing ammonia formed during and after use. This odor-reducing detail improves air quality in long-term care settings and creates a friendlier environment that ultimately influences staff, resident and family satisfaction.

- **Superior odor control when and where it matters** – When urine mixes with air, the naturally occurring bacteria breaks it down to form a strong odor. Prevail® effectively controls odor formation when and where it happens.
- **Helps prevent odors before they are formed** – Prevail® with Odor Guard® reduces the total ammonia that is formed within the incontinence product.
- **Helps absorb any odor that may still get generated** – The super absorbent polymer effectively absorbs any odor that may still be generated before urine degrades into the open environment.

Odor Guard®

MaxSoft Technology™ - Super Quick & Super Soft

It's not easy to combine performance-grade leakage protection with skin-friendly softness and comfort. Prevail® products feature the proprietary QUICK WICK™ layer with MaxSoft Technology™ that provides advanced softness with rapid liquid acquisition speed to deliver optimal product performance. These seemingly small details can improve skin health by keeping skin drier and reducing leakage—in a way that feels soothingly soft to the skin.

- **Softness you can touch** – Changing the funnel pattern, size, shape, arrangement and reducing height makes the fabric feel softer. Smaller openings create less friction and are less noticeable to the touch.
- **Greater and faster absorbency** – Increasing the number of funnels creates a more permeable film. The unique arrangement of the funnels maintains the integrity and stability of the acquisition layer's areas for absorption.

QUICK WICK™
with MaxSoft

Thinner Absorbent Cores - Move Freely With More Discretion

People with LOBC want to move about freely without the worry of leakage. They count on thicker products to absorb unpredictable leaks even if they are not very discreet and often limit their movements. Prevail® has innovative new materials and the manufacturing expertise that make it possible for its products to absorb more liquid with less bulky materials.

- **Discreet absorbency** – The discreet core technology allows for thinner products that are highly absorbent so users can move more freely.
- **Comfortable protection** – These thinner products lock up liquid away from the skin and can absorb more than its actual weight.

Thinner Core

Training Pants

Training Pants designed to meet the needs of children with the value and features moms love. Designed with Dri-Guard® for leakage protection and available in a variety of options including refastenable sides, standard underwear style, and overnight protection.

Cutie Pants™: Refastenable Sides

Cutie Pants™ Training Pants are both a great quality and value. The refastenable sides make for quick and easy checks and changes. Customized protection for boys and girls helps prevent leaks and characters fade when wet to support potty training.

*Odor Guard® only available on SLP05303

With unpredictable leaks and unwanted odors, many with Loss of Bladder or Bowel Control (LOBC) can feel restricted and often keep themselves isolated. As healthcare providers, being close with those under your care is important in creating a healing, supportive relationship. Prevail® puts care into every last detail in products and programs to provide unsurpassed protection and comfort that allow people with LOBC to live better, feel more confident and get closer to those around them.

Prevail® is about hope. It's about trust. It's about dignity. When you take back control, you Prevail®.

Prevail® Underpads: Surface Protection

Prevail® Underpads are designed to protect beds, chairs and other surfaces. They are available in a variety of sizes and absorbencies to suit all needs.

Nexus™: Premium Absorbency

Prevail® Nexus™ Underpads consist of three integrated layers. The heavyweight bonded top sheet provides exceptional strength while providing softness against the skin. A fluffy super absorbent inner layer quickly pulls and locks up liquid away from skin. The outer fabric is water-proof to trap liquid or materials from passing through the underpad.

- Reduces the need for multiple underpads
- Absorbent & Strong. All-in-One.
