TAKE A LOOK INSIDE

You'll see products, features and benefits.
More importantly, you'll realize what runs through our veins.
You'll discover what drives our decisions.
And you'll start to unravel the thread that ties us together.
We know you'll want what Gravely® has to offer.
Why? Because we want what you want.
That's tireless performance, simple, thoughtful design and products that are tough as nails.

Over 100 years, we've learned more than most, because we've done more than most. And we're putting that century of work right back to work for you.

Sure, we've been around for a while.

And that's a good thing.

Because we've transformed that century into smarter thinking and more powerful machines.

So explore our lineup, find the advantage, and discover just how hard we're working for you.

WELCOME TO THE NEXT CENTURY OF GRAVELY.

A BRAND NEW 100-YEAR OLD BRAND.

Well, not brand new.
But reinvented, reborn and re-inspired.

We revisited where we've been, the acres we've traveled and the jobs we've done.
And then we went back to work.

100 years ago, Benjamin Franklin Gravely was selling tractors out of the trunk of his Studebaker.

While we're proud to celebrate our 100th anniversary, we're even more ecstatic to show you
where we're headed.

Because we're not here to sell you a history book.
We're here to help you with time-honored products that are honed from experience.

36,500 days of learning and leading—
Always finding new ways to improve the final product.

We have 100 years under our tires and blades.

Plus a grit, gumption and a group that's ready to get the job done.

Just like what Benjamin Franklin Gravely went to work for.

GRAVELY MOTOR PLOW & CULTIVATOR

GRAVELY

100

YEARS STRONG

TIMELESS,
TIRELESS
AND TOUGH
AS NAILS.

1916

GOING TO WORK. ALL DAY. EVERY DAY.

2016

Today, we use 100 years not only as a benchmark to uphold, but also as a bedrock to build from.

We know what it takes out there.

Which is why we build things tougher, stronger, smarter and faster.

We've logged the hours and listened to professionals like you to make the job easier.

To invent, understand and improve.

To outwork, outsmart and outperform.

To design and dream and do.

THE RESULT IS POWERFUL.

I AM GRAVELY.

..... **"Actually, my name is Brian**

But I get it. Just like Benjamin Gravelly got it in 1916.

I've surveyed the landscape. I know what needs to be done.

And I go to work for those doing the work.

Every day, I have over a thousand Gravelly co-workers not just going to work with me.

WE'RE ALL GOING TO WORK FOR YOU

Examining our competition and studying our own machines. Constantly refining, improving and applying best practices across each and every product line.

We understand what goes on out there.

And we bring that knowledge back in here to Brillion, Wisconsin.

Then we design, engineer and invent from the inside out.

Going to work to make your work easier, faster and better.

We're a passionate crew who understands what the professional demands.

And then we go to work to deliver.

All of us at Gravelly invite you to take a look inside and see how far we've come."

CONSTANT =
CONSISTENT

POWERED
BY EXPERTS.

With careful engineering and applied science we have created the CBT (Constant Belt Tension Drive System) to assure the highest cut quality the first time. Starting with the way our belts maintain their tensions allowed us to eliminate belt slippage, keep a high-blade tip speed of over 18,000 FPS. Improving engine efficiency – reducing load to save engine life, fuel and money. But, best of all we saved you time by reducing or eliminating double cuts.

We've been working, refining and manufacturing these machines since Woodrow Wilson was in office.

All these years of experience might make us experts.
But the ultimate experts are professionals like you.

Our mission is to build commercial-grade machines that professionals prefer.
So before we sketch a design, make a weld or tighten a bolt, we consult with the ones putting in the work.

We're constantly out in the field, on the phone or face-to-face with operations managers, shop technicians and field operators. Talking, listening and learning.

And now we're ready to launch the next generation of Gravelly.

INSPIRED BY PROFESSIONALS. BUILT BY PROFESSIONALS.

FORM. FUNCTION AND A FRESH PERSPECTIVE.

"One look at the new face of Gravelly and it's obvious.
It looks fresh, fast and ferocious.

2016 is our 100th anniversary.

And as we turned to the new century, we searched deep to discover how this Pro-Turn could help define the Gravelly ownership experience for the next 100 years.

It started with sticky notes, brainstorming and inspiration sketches.

Then, before a sketch hit the paper, we sat down with the people who matter most.

People like you.

This is a major investment. A primary resource.

It's more than landscaping, it's your livelihood at stake.

Our machines put food on your table.

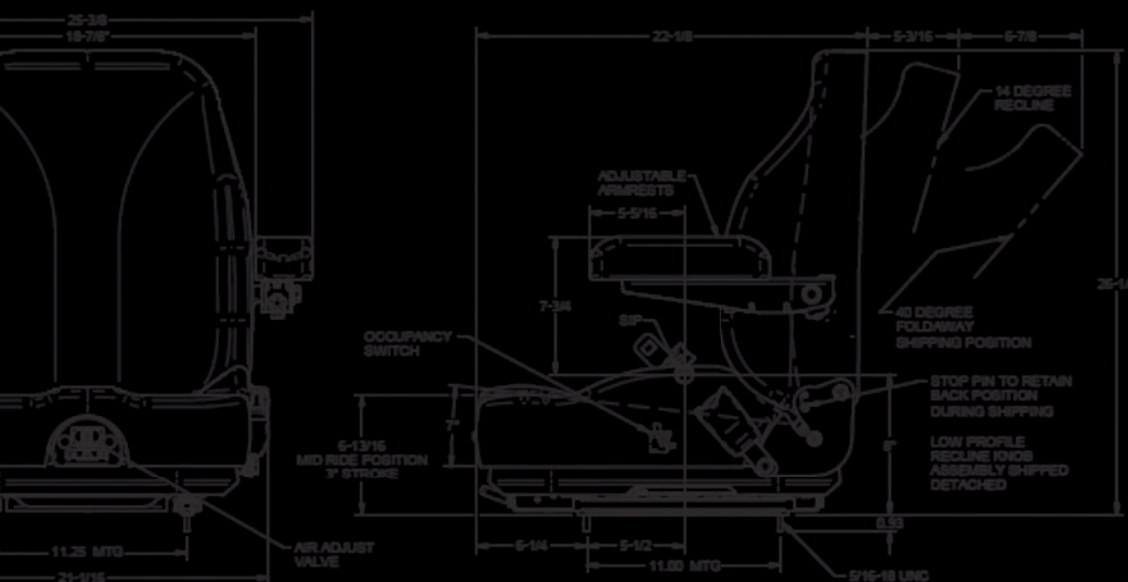

Which is why we put so much thought into each and every touchpoint.

To make things smarter, tougher, faster, more intuitive.

In focus groups, our end product blew everyone else out of the water.

Pros Identified them as heavy-duty high performance machines.

More importantly, it's exactly what you demand."

BUT THIS WASN'T JUST ABOUT
MAKING IT LOOK COOL.

AND IT WASN'T JUST ABOUT
MAKING A CHANGE.

FOR OUR TEAM,
IT WAS ABOUT
MAKING SOMETHING
MEANINGFUL.

PRO TURN OF THE CENTURY

PRO-TURN | 400 SERIES | COMMERCIAL

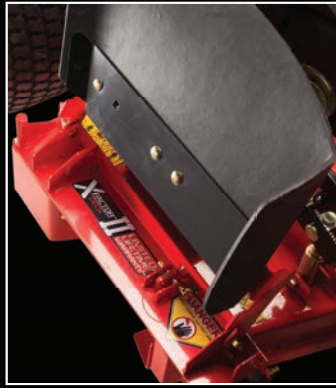

PRO-TURN® 400 SERIES

Get face-to-face with the new face of Gravelly Pro-Turns®. We know you're going to love it, because you inspired, engineered and built this beast. This refreshed, industrial-strength machine features smarter components, a smoother ride and more intuitive controls. And it's all thanks to you. So give yourself a pat on the back and then get back to work with the next generation of Gravelly Pro-Turns.

LOVE IT FOR LIFE. X-Factor® II Deck

The 7-gauge, all-steel, welded X-Factor® II Deck is fabricated from top to bottom, providing industrial-strength peace of mind that's reinforced with an exclusive limited lifetime warranty.

EASY DOES IT. EZ Lift™ Deck System

This system is decked out. Now, raising and lowering the deck requires 25% less effort. Plus, 19 cutting positions with ¼-inch increments help eliminate overhung loads.

SUSPENSION OF DISBELIEF. Air-Ride Suspension Seat

We enhanced the industry's first air-ride suspension system with seat isolators to absorb large vertical impacts and developed an oversized, pillow-top, extra high-back seat for all-day cruising comfort.

IT'S WHAT'S INSIDE THAT COUNTS. Steel Chassis

A heavy-duty, 1.5-inch by 3-inch steel, singular tubular frame is fabricated with four engine frame isolation points to reduce cockpit vibration by 45% while lessening operator fatigue.

WE'RE TIGHTENING OUR BELTS. All-New CBT System

Our exclusive Constant Belt Tension System (CBT) ensures that belt tension is constant, your blade tip speed is consistent and your cut results are right on the money.

IT'S HOW WE ROLL. Radial Rear Tires

Radial rear tires come standard, delivering automotive-style performance and industry-leading handling and hill holding, while being kinder and gentler to the turf.

LP and Diesel machines are available on previous models. Features will vary.

LOVE IT FOR LIFE. X-Factor® II Deck

The 7-gauge, all-steel, welded X-Factor® II Deck is fabricated from top to bottom, providing industrial-strength peace of mind that's reinforced with an exclusive limited lifetime warranty.

LEVEL HEADED. Deck Level Design

A simple four-point adjustment uses half the parts and zero deck hanging welds, making it quick and easy to adjust and maintain superior cutting performance.

CUT COMFORTABLY. Full Suspension Seat

We outfitted the 200 series seat with integral suspension for added lateral stability and improved durability, then added vibration control and a 4-inch seat slide for all-day cruising comfort.

IT'S WHAT'S INSIDE THAT COUNTS. Steel Chassis

A heavy duty 1.5-inch by 3-inch steel, singular tubular frame is fabricated with four engine frame isolation points to reduce cockpit vibration by 45% and lessen operator fatigue.

WE'RE TIGHTENING OUR BELTS. All-New CBT System

THE BADDEST YOUNGER BROTHER ON THE PLANET

PRO-TURN | 200 SERIES | COMMERCIAL

PRO-TURN® 200 SERIES

Simple math says that 400 is greater than 200 but, this machine is out to prove otherwise. The Pro-Turn 200 has the same DNA, determination and dapper new design as the 400 while delivering signature, Gravely performance.

OUR 100 GIVES 110 PERCENT

PRO-TURN | 100 SERIES | COMMERCIAL

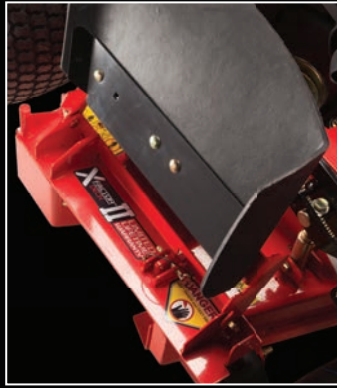

PRO-TURN® 100 SERIES

Get the most Benjamin Gravely performance your Benjamin Franklins can buy. We've taken 100 years of experience and turned the ProTurn 100 into the most powerful commercial value on the market.

LOVE IT FOR LIFE. Lifetime Warranty

When you fall in love with the X-Factor® II Deck, it'll be forever. We provide peace of mind that's industrial strength and stand behind this deck with an exclusive lifetime warranty.

SURGICAL PRECISION. Easy Pin Style Lift Deck System

Easy-to-use deck leveling system offers 17 cutting positions in ¼-inch increments and eliminates over-hung loads.

IT'S WHAT'S INSIDE THAT COUNTS. Steel Chassis

A heavy-duty, 1 ½-inch by 3-inch steel, singular tubular frame is fabricated with four engine frame isolation points to reduce cockpit vibration by 45% and lessen operator fatigue.

BREAK THE CHAIN. Dogbone Style Drag Links

When it comes to precise cutting, you'll be the big dog on the block. Dogbone style drag links don't wear like chains do, so it's easier to set and maintain a level deck.

CUT COMFORTABLY. Seating System

We outfitted this seat with integral suspension for added lateral stability and improved durability, then added vibration control and a 4-inch seat slide for all-day cruising comfort.

STEEL RESOLVE. 10 Gauge Fabricated And Welded Deck

When you're out running from sun up to sun down, you can't afford to have a deck that folds under pressure. Our 10-gauge steel welded deck ensures this machine can make the cut for years to come.

PROFESSIONAL PROTECTION. Foldable ROPS

We designed our ROPS system with your funny bone in mind. It provides more elbow clearance, better protection and maneuverability and is more compact for easier storage and trailering.

DECKED OUT. Heavy-Duty Commercial Deck Lift

You demanded a better deck and we listened. Our new heavy-duty deck lift features a simple adjustable foot pedal with 15 cutting positions ranging from 1-inch to 5-inches in 1/4" increments.

CUT COMFORTABLY. Seating System

We outfitted the Pro-Turn series seats with integral suspension for added lateral stability and improved durability, then added vibration control and a 4-inch seat slide for all-day cruising comfort.

GEARED TO GET IT DONE. 3200 Hydro-Gear Commercial Transmission

The commercial performance transmission features a complete performance package, geared for heavy-duty commercial use.

BEAUTY, BRAINS AND BRAWN

PRO-TURN SERIES | COMMERCIAL

PRO-TURN® SERIES

We've always worked to outperform even the highest commercial demands. The Gravely Pro-Turn series was designed for professionals with industry insight to cut through the clutter and establish itself as the undisputed benchmark.

BETTER BY THE BUSHEL

COMMERCIAL BAGGER SYSTEMS

Our fabric covers don't crack like the plastic counterparts and provide improved airflow and venting. Plus, the top opens fully and is held open by gas cylinders. Choose from a three-bucket, twelve-bushel capacity or two-bucket, eight-bushel capacity which include: blower, bag frame, tube and weight kit.

MAKE BAGGING A BREEZE. DUMP FROM SEAT BAGGER

Empty the bagger without leaving the operator position. This nine-bushel, clamshell design slides into an existing, three-bucket bagging system and opens with the flip of a switch on the mower control panel.

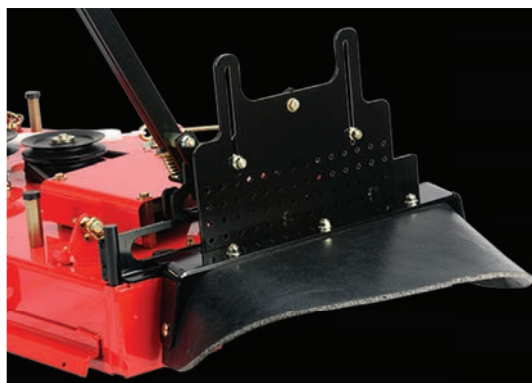

Includes: dump from seat insert only; must be used in conjunction with three-bucket commercial bagger.

THE MULCH MASTER. Mulch Kit

Separate cutting chambers for each blade produce smaller clippings for a professionally manicured appearance.

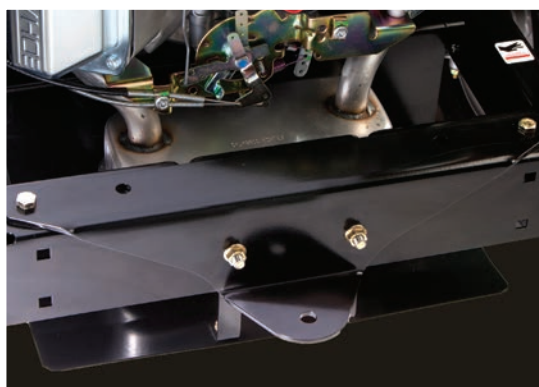

CONTROL YOUR CLIPPINGS. Operator-Controlled Discharge Chute

Control the dispersion of grass clippings directly from the operator position to keep clippings out of unwanted areas.

MADE IN THE SHADE. Sunshade

Cut all day in comfort while staying shaded and protected from the sun.

HOOK IT UP. Hitch Kit

Add a hitch kit to experience unmatched versatility with a variety of tow-behind options.

LET THERE BE LIGHT. Professional Head Light Kit

When the sun goes down, step up with a headlight kit to extend your mowing time.

FLASH SOME STYLE. Chrome Wheel Covers

Add a pop of custom style to your profile with chrome wheel covers, available for both front and rear wheels in six-inch, ten-inch and twelve-inch sizes.

IT'S NOT ALWAYS
CHEATING WHEN
SOMEONE HELPS
YOU FIND THE
ANSWER.

At Gravelly, our job is to get your job done faster, better and smarter.
So when we're envisioning, designed and manufacturing our machines,
we don't hesitate to ask you for help.
We want to know what's working and what's not.
We want to hear about obstacles and turn them into opportunities to improve.

No one understands your profession better than Gravelly.

**OUR NAME MIGHT BE ON THE MOWERS.
BUT THESE MACHINES BELONG TO YOU.**

NON- STOP.

JUST LIKE OUR MACHINES

DEDICATION DOESN'T TAKE VACATION DAYS.

"The name might say Gravelly. But I consider this my company.
So when it comes to the products, it's very personal.

I know that customers and dealers like to talk to someone
who has gotten their hands dirty. And after 41 years here,

MY HANDS ARE PLENTY DIRTY.

I've built relationships with customers. I've visited dozens of dealers.
Heck, I've even cancelled vacations to address customer concerns.

Our customer relationships are critical.
Which is why I always keep the phone lines open.

And if I can help in any form or fashion to improve the product or experience, I will."

A PERFECT FIT

COMPACT PRO | COMMERCIAL

COMPACT PRO™ SERIES

The size is right. The price is right. And the performance measures off the charts. We made every inch of this compact mower count – loading it with creature comforts, uncompromised strength and power that doesn't quit.

LIMITED WARRANTY — COMMERCIAL —		
2 YEAR	NO HOUR LIMIT	LIMITED LIFETIME <small>DECK SHELL & FRAME</small>
<small>See your professional dealer for complete warranty details.</small>		

GO ANYWHERE. DO ANYTHING.

Compact Commercial Tubular Frame

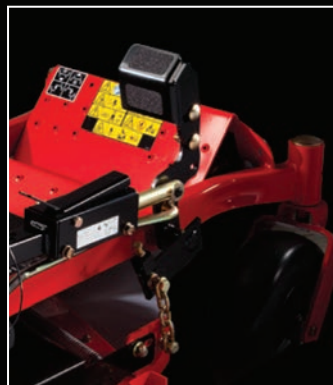

The smaller footprint gives you more flexibility to fit on trailers, maneuver through tight spaces and pass through 36" gates.

CUT TO THE QUICK.

Quick-Release Deck Lift

Cut out the confusion and inconvenience. Change from one cut height to the next with nine cutting positions in ½-inch increments ranging from 1-inch – 5-inches.

BIG-TIME POWER.

Kawasaki® FX Engine

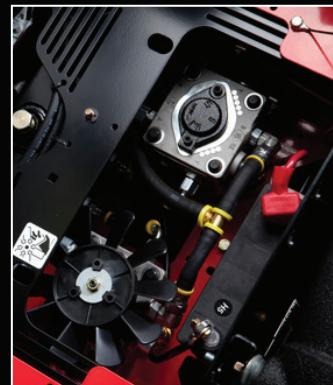

This compact cruises thanks to a Kawasaki FX Engine that touts a heavy-duty canister air cleaner to optimize performance in all conditions and extend engine life.

DON'T GRIND YOUR GEARS.

Hydrostatic Hydro-Gear

The Hydrostatic Hydro-Gear 10cc pump provides silky smooth response and operation with the ability to go 8 to 9 miles per hour in effortless fashion.

THROW WORRY TO THE WIND.

Warranties

Peace of mind is a powerful thing. We stand behind every Compact Pro with a two-year overall warranty, a three-year spindle warranty and a lifetime warranty on your deck and frame.

MAKE IT A MASTERPIECE

PRO-MASTER SERIES | COMMERCIAL

PRO-MASTER™ SERIES

To master the landscape, you need the right tool for the job. Once you start rolling on the Pro-Master, there's no question about who's in charge. With unmatched versatility, professional power and precision, teamed with tireless performance, the Pro-Master makes it apparent that you're the boss on the block.

PROFESSIONAL POWER.

Kawasaki® FX Engine

This master cruises thanks to a 27hp Kawasaki FX Engine that touts a heavy-duty canister air cleaner to optimize performance in all conditions and extend engine life.

CUT COMFORTABLY.

High Back Seat

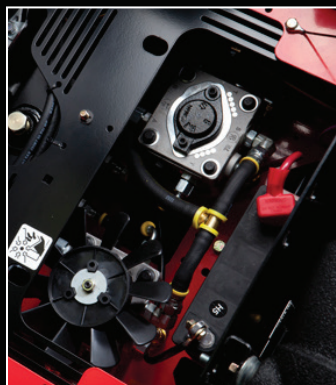

Make a long day of labor look easy while lounging in a high-back seat with armrests designed to minimize fatigue and provide all-day cutting comfort.

DON'T GRIND YOUR GEARS.

Hydrostatic Hydro Gear

The Hydrostatic Hydro Gear 21cc pump provides silky smooth response and operation with ability to go 13 miles per hour in effortless fashion.

FLIP OUT.

Control Arms

Take the helm and you'll always be comfortably in control with adjustable, flip-out control arms designed to suit operators of any size.

DECKED OUT.

Professional Deck System

7-Gauge fabricated deck with ¼" spindle reinforcement provides professional grade cutting quality, enhanced by side or rear discharge deck options.

MODEL #	DESCRIPTION	DECK SIZE

992219	27HP/852CC KAWASAKI FX REAR DISCHARGE	60"

QUALITY YOU CAN GET BEHIND

PRO-STANCE | COMMERCIAL

PRO-STANCE® SERIES

Take a spin on a Gravely Pro-Stance and you'll quickly see where we stand when it comes to durability, performance and efficiency. You need it done fast. You need it done right. We know how critical it is to design a machine that can stand up to whatever crosses your path. And that's a job we don't take sitting down.

PUT YOUR FOOT DOWN. Foot Pedal Height Adjustment

This foot pedal feature proves we've got you covered from head to toe. It offers improved leverage for smaller operators who normally struggle with traditional hand lever lifts.

IT'S HOW WE ROLL. Tires

The Pro-Stance is booted with industry leading, 13-inch, semi-pneumatic tires up front and radial, Superior Traction Technology (STT) tires in the rear.

TAKE A STAND OR TAKE A WALK. Flip-Up Suspension Platform

Our flip-up suspension platform provides all-day standing comfort and can easily transition from a stand-on to a walk-behind.

LEVEL HEADED. Deck Level System

A simple four-point adjustment uses half the parts and zero deck hanging welds, making it quick and easy to adjust and maintain superior cutting performance.

STEP UP YOUR GEAR GAME. Tech-Advanced 3400 Integrated Transmission

The 3400 integrated transmission boasts an industry leading 1-1/8-inch axle for heavy loads to step up to the challenge of any commercial condition.

LOVE IT FOR LIFE. Lifetime Warranty

When you fall in love with the X-Factor II® Deck, it'll be forever. We provide peace of mind that's industrial strength and stand behind this deck with an exclusive lifetime warranty.

WALK THE WALK

PRO-WALK SERIES | COMMERCIAL

PRO-WALK® SERIES

We've walked in your shoes and have seen what it's like out there. So instead of talking about having a better mower, we got to work on making one. Once you walk with a Pro-Walk, we're positive you'll walk away from anything else out there.

See your professional dealer for complete warranty details.

FINISH STRONG

COMMERCIAL 21 SERIES | COMMERCIAL

COMMERCIAL 21 SERIES

When it comes to walk-behind performance, we're always out front. That's because we start with the operator in mind to design a quicker, more comfortable user experience. From the handlebar to the hubs and every detail in between, we have a mower dialed in to put the finishing touches on any professional job.

READY TO ROLL. 9-inch Cast Aluminum Wheels

Designed from the ground up with you in mind, these wheels feature sealed ball bearings and steel stabilizer bushings for smooth operation on rough terrain during rugged, everyday use.

CUT OUT THE PIT STOPS. Tires

High-durometer rubber tires are designed to go the distance and can easily be replaced to save time and money if tread wears thin.

PRECISELY PERFECT. Cut Adjustment

Once you measure up the job, you can dial in your cutting height, choosing from multiple cutting positions varying from 1-inch to 4-inches.

TAKE CONTROL. Adjustable Handlebar

Adjust the handlebar to the perfect height so that you can cut at your comfort level.

KEEP IT MOVING. Rear Axle Hubs

We over-engineered our rear axle hubs with zerk fittings and dust seals so that they don't lock up and you never slow down.

JOB WELL

"When we went to work, we didn't set out to make another UTV.
We wanted to carve out our own category.

High performance. High utility. High design.
Born to work. Not to play.

Inspired by that, we aspired to an entirely different category.
Which is why the Atlas JSV feels more like a mini pick-up truck
than just a UTV.

It's meant to work hard.
We also worked hard to make it look good.
Right down to the last detail.

.....
Atlas is not a UTV. It's a job site vehicle.
It's unconventional, it's professional and it's outside the category.

And we know it works for those who work.

Which means we did our job right."

DONE

..... We figured that our hard-working, UTV target consumers typically own pick-up trucks, and they probably want to drive something similar.

ALL WORK NO PLAY

ATLAS JSV | COMMERCIAL

ATLAS JSV SERIES

The Atlas JSV isn't born for jaunting through the woods. It's designed, built and bred to get the job done. Hauling, towing, working, towing. The capacity and capabilities, power and performance are second to none.

When there's a paycheck at stake, professionals demand a vehicle that doesn't play around. Which is why we went to work to build a machine that works for you.

HAUL OF FAME.

Capacity & Payload

With a class-leading bed capacity of 1250 lbs. and a 1900-lb. total payload, the Atlas JSV holds its own, and then some.

NO SAG. NO SWEAT.

Our heavy-duty de Dion suspension minimizes sag, to maintain full ground clearance even with cargo, tongue weight and towing maxed out. Adjustable shock stiffness and generous wheel travel keep your ride smooth over rough terrain.

PULLS ITS WEIGHT.

Towing

The Atlas JSV can tow a ton. Literally. Hitch up a full 2000lbs. of trailer and cargo and you'll get more done in less time.

PICK YOUR POWER.

EFI Gas or Diesel Engine

Choose the 3-cylinder, 1028cc Kohler Diesel engine to maximize torque and traction across even the toughest terrains. Or run with an electronically fuel-injected DOHC gasoline engine that's been tested at 13,000 ft. and temperatures from -25° to 110°F.

LOAD IT UP.

All-Steel MX-18 Job Box

The Atlas JSV's fabricated all-steel cargo bed won't buckle or bend under its class-leading 1250 lb. capacity. Dump cargo with the touch of a button and haul a fully loaded pallet thanks to a generous 18 cubic feet of cargo space.

BRING THE CREW.

Seating Options

The Atlas JSV-3000 seats three adults comfortably, with a total payload capacity of 1900 lbs. The crew-size JSV-6000 seats six adults across two benches, with a total payload of 2100 lbs.

MODEL #	DESCRIPTION	SEATING CAPACITY
996200	ATLAS JSV – 3000 – EFI	3
996202	ATLAS JSV – 3000 – DIESEL	3
996201	PATLAS JSV – 6000, CREW-EFI	6
996203	ATLAS JSV-6000, CREW – DIESEL	6

TAKE CONTROL. Rapid™ Control System

Variable speed control allows operators to quickly change direction, thus increasing productivity. The combination of the Rapid Control System and intuitive power steering results in smooth, seamless operation.

ON POINT. Self-Aligning Attachment Point

Provides a quick single person attachment change with minimal effort, allowing an operator to transition between attachments seamlessly.

POWER UP. All Season Subaru® Engine

The 12v electric start engine with recoil assist provides optimal performance in any weather condition.

TAKE COMFORT. Ergonomic Controls

Fully adjustable controls provide comfortable operation for a variety of customers. Controls are designed to easily fold down allowing for condensed storage and transport.

DRIVEN TO SUCCEED. Hydrostatic Drive

Intuitive power steering provides effortless operation in all applications thus increasing efficiency and productivity.

BRING IT ON. All Season Design

Designed to deliver a seamless transition through every season without the need to alter the tractor from extreme condition to the next.

GROUND CLEARANCE

Chassis is designed to maximize the approach and departure angles allowing for optimal clearance for curbs and trailers.

44" Power Brush

48" Scraper Blade

PRO-QXT™ TRACTOR SERIES

This two-wheeled workhorse is the single solution for clearing the way with convenience and commercial capability. The Pro-QXT gives you unmatched versatility, allowing you to employ multiple attachments to get the job done right.

BRUSH UP

POWER BRUSH SERIES | COMMERCIAL

POWER BRUSH SERIES

The Gravelly Power Brush separates the pros from the pretenders. Choose from a 28-inch or 36-inch wide model and put the finishing touches on a job well done. From slush, salt and sand, to gravel, grime or just general gunk, Gravelly all-season, multi-functional brushes are built to clear out any business that has no business being on your territory.

POWER BRUSH 28"

POWER BRUSH 36"

BRUSH BOOSTER.
All-Season Subaru® Engine

The Subaru engine puts the “power” in our Power Brush, delivering optimized performance in any weather.

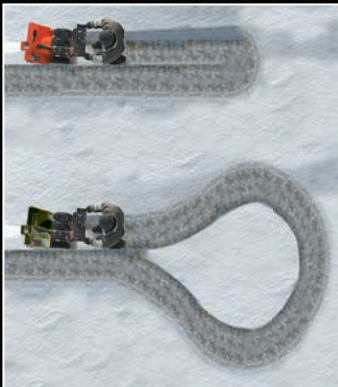

**WORK EVERY
ANGLE.**
Brush Angle

With 40-degree brush head rotation and operator controlled pivot lock, dirt and debris have no place to hide.

**TAKE ON
THE TERRAIN.**
Traction Control

Automatic traction control provides enhanced maneuverability and effortless steering.

**ADJUST
ACCORDINGLY.**
Height Adjustment System

Step your game up (or down) to accommodate varying surfaces and minimize brush wear.

LET'S TALK SHOP.

Sure, Gravelly is on Facebook, Instagram and Twitter.
But we're not sharing cat videos or posting pictures of what we ate for lunch.
We're talking shop with people like you.

We were around decades before the world wide web, but we've always stayed in
touch with hard working Gravelly fans who were proud of a job well done.

@dmac221

@gatestimmy

SO ONCE YOU'RE DONE WITH A LONG DAY OF CUTTING,
KICK OFF YOUR BOOTS AND JOIN THE CONVERSATION.

@thmasangott

WE'RE BRINGING OUR WORK HOME.

At Gravely, we make our machines with the professional operator in mind. We develop and design to run all-day, day after day. Our mowers need to outlast and outperform, because there's a paycheck at stake.

A top-down view of various mechanical components from a lawnmower, including a circular deck with gear and arrow diagrams, a long black drive shaft with a handle, and a metal bolt. The background is dark and textured.

THAT'S LUCKY FOR YOU.

AS A PROUD HOMEOWNER, YOU CAN PUT THAT COMMERCIAL-
GRADE PERFORMANCE TO WORK FOR YOU.

Gravelly residential mowers are built to the same standard and are born from the same commercial pedigree.

Whether you're a pro or a proud homeowner, we're out to make lawns look their best.

So even if it's about pride and not a paycheck, you can still cut like a pro to give your property a premium appearance and put the neighborhood on notice.

PERSONALLY INVESTED.

"At Gravelly, we're passionate about what we do.
We like to astound our customers.

I should know, because I'm one of those customers.

I own several pieces of equipment myself.
Some new, some handed down from generations before me.
And regardless of the machine, one thing is clear:

OUR QUALITY IS BEYOND COMPARE.

There are many people on the team that have been here 45 to 50 plus years,
pouring their heart and soul into the process.

It's easy to see the difference that kind of passion has on our products.

Visit a showroom and see for yourself.

From the bolts and steel to the powder coat finish.
Whether commercial or residential.

Our machines are made to uphold and maintain the Gravelly standard.

Which makes me proud to not only make these machines but to also own them."

THE BOSS OF THE BLOCK

ZT HD | RESIDENTIAL

ZT HD SERIES

Show the neighbors you mean business with the professional-grade performance of Gravelly. People trust us with their livelihoods. So you can rest assured that we're built to dominate any friendly neighborhood lawn rivalry.

DROP THE DECK AND ANY DOUBT. 10 Gauge Fabricated Deck

The 5 1/2-inch deep design delivers superior airflow to handle challenging mowing conditions and includes a 3/8-inch reinforced leading edge. Plus, maintenance-free cast iron spindles are in it for the long haul.

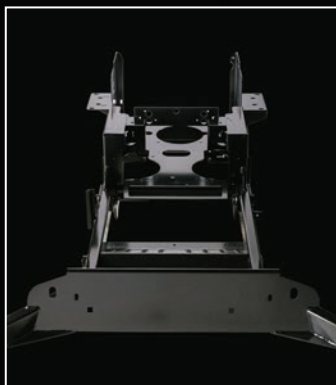

FIRST-CLASS SEAT. Seating Comfort

The ruler of the neighborhood deserves a comfortable throne. This plush, high-back seat with padded armrests ensures upgraded comfort for longer mowing sessions.

A SINGLE SOURCE OF STRENGTH. Fully Welded Tubular Frame

This fully welded tubular frame is a professional-grade backbone tough enough to get the job done in your backyard.

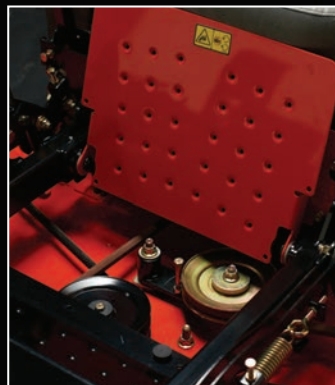

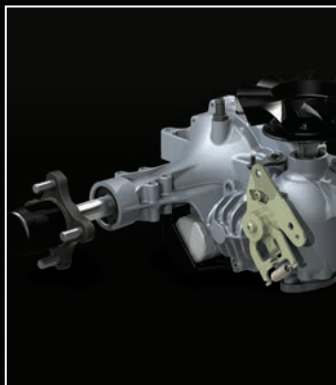

A CUT ABOVE. Cut Selection

Regardless of how you like your cut, we always measure up. With 9 cutting positions in increments ranging from 1-inch to 5-inches, to make your lawn look its best.

GEARED FOR GREATNESS. Hydro Gear ZT-3100 Transmissions

Switch gears from ordinary performance with a commercial-grade, high-efficiency design that delivers responsive control and increased torque with speeds up to 7 mph.

EASY ACCESS. Flip-Up Floor Pan

Once you shut it down, flip up the floor pan for easy inspection and instant access to clean the top of the mower deck.

991084	24 HP/726CC KAWASAKI® FR V-TWIN	60"

A SINGLE SOURCE OF STRENGTH.

Fully Welded Tubular Frame

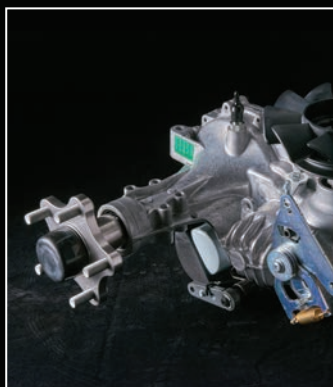

This 3-inch tall fully fabricated tubular frame is welded into a single piece, providing a strong, stable backbone you won't get from a competitive bolted, multi-sectional frame.

GEAR UP.

Hydro-Gear ZT-2800 Transmission

Step up your game with a commercial grade, high-performance design with increased torque a smoother ride and longer life.

DROP THE DECK AND ANY DOUBT.

10 Gauge Fabricated Deck

Our 4 1/2-inch deep fabricated deck design features an optimized airflow design to produce best in class cut quality and discharge performance. The belt drive design requires minimal adjustments for life.

ROLL TO VICTORY.

Tires

Roll right by the competition with 20-inch drive tires and 11-inch by 6-inch front caster wheels – all prepared to provide better traction, control and handling.

SIT BACK AND RELAX.

Seating Comfort

The ruler of the neighborhood deserves a comfortable throne. This plush, high-back seat with cut and sewn armrests ensures upgraded comfort for longer mowing sessions.

PICK YOUR POWER.

Commercial Engine Options

Kawasaki® engines provide the same power, durability and dependability trusted by professional cutters every day. Meanwhile, the Kohler® 7000 Series™ engines with Smart Choke™ technology are ready to run as soon as you turn the key.

MASTER YOUR DOMAIN

ZT XL SERIES | RESIDENTIAL

ZT XL SERIES

Go ahead. Let your ego swell to extra-large proportions once you power this beast over the back 40. Nobody on the block can match the zero-turn performance, the cutting precision or the professional grade quality of the Gravely ZT XL.

THE POWER OF X.

ZT X | RESIDENTIAL

ZT X SERIES

Drop the deck and cut the neighborhood competition short. From the fully-welded tubular frame, to the precise intuitive deck system, to the all-day riding comfort, cut like a pro with the commercial-grade, zero-turn performance of the Gravely ZT X.

A SINGLE SOURCE OF STRENGTH.

Fully Welded Tubular Frame

Faster, worry-free cutting starts from within. Unlike the competitive C-channel frames, this fully-welded, steel-frame tubular backbone provides superior rigidity and strength.

DIALED IN.

Cut Selection

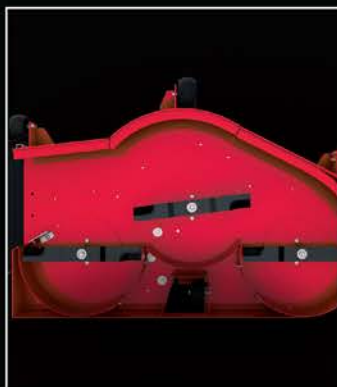

We cut out the pins and levers to offer a simple and intuitive cutting selection solution. Just press the pedal to raise the deck and give a quick turn of the dial.

DROP THE DECK AND ANY DOUBT.

10 Gauge Fabricated Deck

Our 4 1/2-inch deep fabricated deck design features an optimized airflow design to produce best in class cut quality and discharge performance. The belt drive design requires minimal adjustments for life.

RAISE YOUR STANDARDS.

Dual Arm Deck Lift

This dual arm deck lift gives you the upper hand, with a 4 point hanging system for deck stability and even cutting performance.

CUT WITH COMFORT.

Seating Comfort

The king of the neighborhood deserves a proper throne. This plush, high-back seat features forward and backward adjustment from the operator location, so you can find your perfect sitting position without slowing down.

MODEL #	ENGINE	DECK SIZE
915172	24 HP/725CC KOHLER® 7000 SERIES V-TWIN W/SMART-CHOKE™ AND PRO FILTRATION	42"
915174	25 HP/725CC KOHLER® 7000 SERIES V-TWIN W/SMART-CHOKE™ AND PRO FILTRATION	52"

KICK GRASS. Deck Lift

The effortless and intuitive foot operated deck lift makes it easy to adjust between one of seven cutting heights at a moment's notice with half-inch increments ranging from 1.5 to 4.5 inches.

SIT BACK AND RELAX. High Back Seat

This high-back seat can be adjusted directly from the operator's position to deliver the most comfortable and customized cutting experience around.

A DECK THAT DOESN'T DISAPPOINT. Deck System

The 12-gauge Xlerator™ stamped deck features a tunneled cutting area for maximum airflow to move grass up and out. That's teamed with a 4-point deck lift system that provides superior deck stability.

FOR THE CONTROL FREAKS. Flip-Out Controls

This is going to make you flip out. The ZT features flip-out controls to provide easy access to and from the operating position.

MODEL #	ENGINE	DECK SIZE
915210	21 HP/660CC KOHLER® 6000 SERIES V-TWIN	34"
915212	22 HP/725CC KOHLER® 7000 SERIES V-TWIN	42"
915214	24 HP/725CC KOHLER® 7000 SERIES V-TWIN	52"

A ZERO TURN WITH ZERO COMPETITION

ZT SERIES | RESIDENTIAL

ZT SERIES

ZT should stand for “zero threat” because with 34-50-inch options, no other model in its class measures up. With a design inspired by commercial-grade DNA combined with uncompromised quality and performance, this zero turn cuts all the competition down to size.

SEPARATE YOURSELF WITH ACCESSORIES.

When it comes to being the ruler of the residential area, the difference is in the details. Gravely has you covered with a collection of accessories to keep your property and your reputation in peak condition.

POWER-ASSIST DUMP CART LOAD UP.

12 cu. ft. capacity, 750 lb. capacity, Hydraulic-assisted tub lift with 110° tub rotation for side dumping, Professional-grade square tube steel frame. Wider 15 in. x 6 in. run-flat tires.

MULCHING KITS MULCH BETTER.

Our kits feature easy-to-install baffles that fit under mower decks to create a separate cutting chamber for each blade. When cut, grass lifts into the cutting chamber and gets cut many times before dropping onto the lawn.

FLUIDS FILL IT UP.

Maintain next level performance by leveling off with Gravely certified liquids to keep your key components running right.

HITCH KIT GET THE HOOK UP.

The Gravelly Trailer Hitch is easy-to-install and designed with the strength of steel to pull a variety of accessories from pull-behind sprayers, fertilizer spreaders, utility trailers and more.

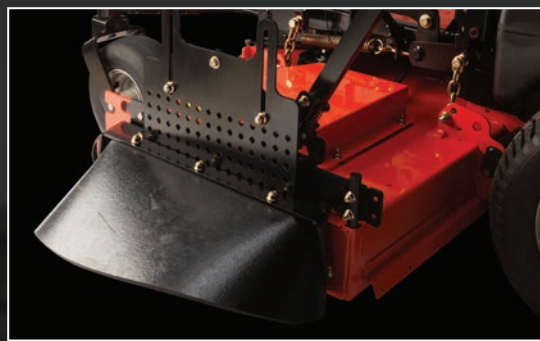

FLEXTEND SHOULDER SUPPORT SYSTEM GIVE IT A REST.

Lawn work doesn't have to be such hard work. Ride with comfort and ease with this ergonomically designed shoulder support system.

WHEEL COVERS PIMP YOUR RIDE.

Upgrade the style of your riding lawn mower's rear wheels with Gravelly 10 in. Chrome Wheel Covers for Lawn Mowers (2-Pack). These solid ABS wheel covers are compatible with Gravelly ZT-HD mowers.

OPERATOR CONTROLLED CHUTE BAFFLE CONTROL YOUR CLIPPINGS.

Gravelly ZT-HD Operator Controlled Chute Baffle offers the operator the ability to quickly control the flow of side discharged grass clippings.

APPAREL LOOK THE PART.

There are going to be a lot of eyes on your lawn. Make sure you look good and feel with a full line of high-performance gear from Gravelly.
