AMERICAN HERITAGE™

American Heritage™

Leather forever — hand-crafted rich traditional looks

Combines time-honored styling and craftsmanship with state-of-the-art advancements in design, leather tanning and composites. The result is a low-profile leather helmet that is attractive, durable and comfortable.

Exclusive Features

Leather shell — State-of-the-art chromium tanning process to seal protective qualities and color and to deflect heat. Won't chip or bubble like painted leather helmets.

LeatherGlas™ one-piece construction — Process bonds fiberglass composite between the outer and inner layers of the leather shell for superior strength and durability during extreme conditions.

Suspension — Patented Center of Gravity™ adjustment system lets you set the center of gravity to your liking and keeps it positioned in place.

Height adjusters — Provide three different headband height positions.

Ratcheting headband — Adjusts from size 5½ to 11. Headband is cushioned with foam and covered with leather for comfort and secure fit.

Eye protection — Choose from:

- High temperature 4" APEC faceshield with thumbwheel adjustments
- ESS goggles
- Flip downs with goggles (can be purchased without goggles, but will not be NFPA compliant)

Edge binding — Aluminum core edge binding is durable, but light.

Chinstrap — Easy-to-adjust, quick-release chinstrap with postman's slide.

Ear covers — Black DuPont™ Nomex® brand fiber/flannel ear covers for added neck/ear protection. Other materials/colors available upon request as replacement parts.

Shield holder — Hand-carved brass eagle leather shield holder.

3M™ Scotchlite™ Reflective Material (2" x 2½" lime-yellow trapezoids) — Has excellent heat resistance and maintains brightness and color after heat exposure.

Colors — Available in yellow, black, white, red, blue, orange or natural.
