

## How to create your pitneybowes.com account.

Hello

Creating your pitneybowes.com account gives you a wide variety of customized features and tools, available anytime online. To get started:

1. Visit [pitneybowes.us/signin](http://pitneybowes.us/signin) and select sign up now
2. Enter your **email address & account number**. Your account number is also referred to as your BPN (business partner number). It is 8 characters long.
3. You may also need to provide more information to validate your account. Please select **one option** from the menu:
  - Serial number TIP: 7-digits found on the silver sticker on your meter
  - Invoice number
  - Invoice amount

Enter the information and select Submit

4. Finish creating your profile with: first name & last name; password; security question & answer

Once you submit your information, you must verify your profile. Check your email and **select the link to confirm your account**.

*Note: If you don't receive a verification email, check your Junk or Spam folder.*

You are then directed to the Sign In screen and have successfully created your new pitneybowes.com account.
