

Mirage

It's all in the details.

Delivers What You Imagine  
Smart. Simple. Stylish.

### **Innovative features elevate a proven concept.**

The Mirage system creates an attractive environment where functionality and comfort induce high productivity. Simplicity of design, privacy, and efficient use of space are all integral parts of the Mirage no-worry system. With adjustable-height surfaces, power management, as well as acoustical, tackable and glazed panel options, Mirage can meet your exact business requirements today and easily adapt to tomorrow's changing needs.

### **Multiple options mean flexible, exacting design.**

Here, excellence in detail meets surprising affordability. And, Mirage is proof that being tough is a beautiful thing. With one of the largest fabric and finish selections available, Mirage is a perfect solution for every business and every department. Mirage comes with a limited lifetime warranty which ensures long-term performance. If you thrive on making smart decisions, you'll appreciate the exceptional design, durability and affordability of Mirage.
