Ready for Business
Practical. Pragmatic. Perfect.

Ready, set, go! VS is a terrific turn-key solution.

The VS system allows you to get down to business quickly and effectively. This well-made, good-looking panel system is manufactured utilizing steel, aluminum, wood and other highly recyclable materials. Its proven, yet flexible design is available in our most popular frame colors, fabrics and laminates. And, VS comes with a limited, lifetime warranty which ensures long-term durability and performance.

When “go” means now, VS delivers.

It’s the simplicity you need to get down to business. It’s VS. VS delivers where it matters... cost, quality, selection, sustainability and speed. With our ability to ship up to 25 workstations in 10 days*, VS is an ideal panel system for your business.

*Contact SNAP!office prior to ordering to ensure that your specific request can be shipped within 10 business days.
