

A powerful, fast-acting, multiple acid and detergent based cleaner that instantly foams away heavy grease, oil, soil, and mineral deposits. Can be used on most bathroom and shower surfaces... shower stalls, partitions, swimming pool walls, grout, fiberglass, chrome, plastic compositions, and especially ceramic tile. Dissolves and emulsifies soap scum, body oils and urinary salts, as well as hard water deposits such as lime, calcium, and iron. Especially effective on greasy ceramic tile kitchen floors. USDA Authorized.

DIRECTIONS

For greater economy, use foam application equipment. Cleans equally well in hard water. Dilute with warm or cold water to the concentration that best suits the job as follows:

Light Duty	1 part cleaner to 35 parts water (3 1/2 oz. per gal.)
Medium Duty	1 part cleaner to 25 parts water (4 1/2 oz. per gal.)
Heavy Duty	1 part cleaner to 15 parts water (8 oz. per gal.)
Extra Heavy Duty	1 part cleaner to 5 to 10 parts water (12 - 21 oz. per gal.)

Though the cleaner is specially formulated for foam application, it may be applied manually with a mop or bristle brush. In either case, after application, let foam react to penetrate and loosen soil. Then brush and rinse well. Always rinse thoroughly after using.

WARNING: Use with adequate ventilation. Contains Water CAS# 7732-18-5, Phosphoric Acid CAS# 7664-38-2, 2-Butoxyethanol CAS# 111-76-2, Glycolic Acid CAS# 79-14-1 and Sulfonic Acid CAS# 27176-87-0.

Harmful if swallowed. Causes eye damage and skin irritation. Do not get in eyes, on skin, or on clothing. Protect eyes when handling. Avoid breathing vapor, spray, or mist. If sprayed, wear approved respirator.

FIRST AID: Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. **IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. **IF SWALLOWED:** Call a poison control center or
