

This ready-to use cleaner combines powerful cleaning action with a stain remover to clean and whiten difficult mold stains and mildew stains. Recommended for use on resistant surfaces such as tile, grout, shower stalls and doors, shower curtains and sinks.

Directions

Read all precautions before using. Use with adequate ventilation. Without diluting, spray, brush, or wipe this product on the stained surface. Wear rubber gloves if applied by other than sprayer. Apply working from the bottom to the top of the stained surface. Allow to penetrate for several minutes. Light scrubbing may be necessary for badly soiled areas. After surface is dry rinse thoroughly with clean water. Repeat application if stain persists.

Precautionary Statements:

Do not mix with any other chemicals as this may result in release of hazardous gasses. Test on inconspicuous area for surface reaction before using. Not recommended for use on clothing. Test all other fabrics for color fastness. May discolor. Do not use near food.

Contains: Water / CAS# 7732-18-5, Sodium hypochlorite CAS# 7681-52-9, Sodium hydroxide CAS# 1310-73-2
