RE: STATE OF MISSISSIPPI, CLASS 055 ALTERNATIVE FUEL CONVERSION PROPOSAL

Attn:

Corresponding parties: Dept. of Finance and Administration,
Office of Purchasing, Travel & Fleet Management
Jackson, MS

To Whom It May Concern:

Please accept this document as verification that:

NGV Solutions, LLC, 5495 Lakeland Drive, Flowood, MS 39232 601-982-1244
Principles: Mr. Thomas Dent, Operations Manager & Mr. Kent Meadows, Vice President

...is a fully certified Installer for Altech-Eco CNG alternative fuel conversion systems. Their CNG technicians have received full training at our facility in North Carolina. We have processed numerous transactions with NGV Solutions, dating back to early 2012.

The Altech-Eco Corporation is a Ford Motor Company QVM developer, supplier and installer of CNG systems for F-150, F250, F-350, Transit and Transit Connect CNG conversion systems. NGV Solutions enjoys full sales, technical and warranty support from Altech-Eco.

Our sales staff has attended several alt-fuel events in the Mississippi region as partners with NGV Solutions. Their depth of expertise and knowledge of the NGV market impress us. Altech-Eco is fully confident in the strength of the NGV Solutions business plan and commitment to customer satisfaction.

Please inform Mr. Dent or Meadows if our firm needs to supply additional information. We applaud the efforts being made by the state of Mississippi in promoting CNG as a clean, green and affordable alternative fuel source.

Sincerely,

Miles George, Vice President, Altech-Eco Corporation
