If a dealer is not registered, they will not be listed in the State's online ordering and will not receive any orders from State Agencies.

II. Proposal Letter

Submit a signed letter electronically in the State of Mississippi e-procurement system with the proposal from an authorized representative of the Manufacturer indicating the Manufacturer's interest in entering into a state contract for the items being proposed. This letter should include Manufacturer's name, location address, mailing address, telephone number, fax number, email address, website address, (if applicable) and name of authorized representative submitting proposal. By signing this letter, the Manufacturer is certifying that it is authorized to do business in the State of Mississippi, that neither the Manufacturer nor any potential subcontractors are debarred or suspended from submitting bids for

contracts issued by any political subdivision or agency of the State of Mississippi, and that it is not an agent of a person or entity that is currently debarred from submitting bids for contracts issued by any political subdivision or agency of the State of Mississippi.

III. Price Lists and Product Information

The percent discount offered to the State must be a minimum of 10% off the list price for each category that applies. Vendors are required to provide pricing for the State of Mississippi in one of the following formats:

If your company has a dedicated website for the State of Mississippi or a website that can provide pricing using a login and password, you must provide information on registration and usage of the website for agencies to obtain the discounted pricing.

If your company does not have a dedicated website, vendors are required to provide an electronic version of the proposed price list or current catalog(s) to be used for the entire 12-month period.

To ensure that agencies receive the appropriate discount on purchases made at the retail locations, the agency must provide their account number prior to the sale being completed. If the agency does not have an established account number, the retail location must provide the required information and assistance to establish an account number.

If a Vendor is listed on a GSA contract, a copy of the current price list must be submitted as an attachment. Discounts shall be competitive when compared to prices and discounts received by the GSA, other state governments, and large volume commercial customers

Exclusions - All items currently on any State of Mississippi Contracts are specifically excluded from any contract resulting from this Proposal Format and Guidelines. The list of items that are specifically excluded shall include, but not be limited to the following: Tires and Tubes, Maintenance, Repair and Operations (MRO), Automotive Batteries and Janitorial Chemicals

Entities making purchases over \$50,000 may consider obtaining two competitive quotes from the authorized dealers' list on a Vendor's contract. When requested, those Vendors that do not have dealers' list should be prepared to submit a quote.

IV. Length of Price Guarantee

Pricing shall be firm for a 12-month period. Price increases are not allowed during the term of the contract.

V. Transportation Terms

All freight and shipping costs are the responsibility of the Vendor and are not reimbursable. All items must be transported F.O.B. Destination.

VI. Payment Terms and Invoices

MS Code Section 31-7-305(3) allows a state entity to pay invoices within 45 days without penalty.

The State requires the Vendor to submit invoices electronically throughout the term of the agreement. Vendor invoices shall be submitted to the state agency using the processes and procedures identified by the State. Payments by state agencies shall be made and remittance information provided electronically as directed by the State. These payments shall be deposited into the bank account of the Vendor's choice. Vendor understands and agrees that the State is exempt from the payment of taxes. All payments shall be in United States currency.

VII. Distribution

The Office of Purchasing, Travel and Fleet Management prefers to have these contracts established with the Manufacturer. All authorized distributors shall be listed on the provided Excel distributor's list. It is the Manufacturer's responsibility to keep this list updated during the contract period. Dealers/Distributors must be registered in the State's e-procurement system.

We will **not** enter into more than one contract for any single brand. An authorized dealer/sales representative may enter into a contract on behalf of the manufacturer by submitting a letter from the Manufacturer authorizing them to do so. This letter must be on the Manufacturer's official stationary, signed by the Manufacturer's appropriate personnel or his/her designee stating that the authorized dealer/sales representative has permission to enter into a contract with the State of Mississippi on behalf of the Manufacturer. The letter should include the name of the authorized representative, location address, mailing address, telephone number, toll free number (if applicable), fax number and e-mail address.

Minority Vendor Status - **Vendors should indicate if they or any of the distributors they list are considered Minority Vendors by placing "MV", for Minority Vendor, in the appropriate column on the spreadsheet.** Minority Vendor means a business concern that (1) is at least 51% minority-owned by one or more individuals, or minority business enterprises that are both socially and economically disadvantaged, and (2) have its management and daily business controlled by one or more such individuals as ascribed under the Minority Business Enterprise Act 57-69 and the Small Business Act 15 USCS, Section 637(a). **MINORITY** as used in this provision means a person who is a citizen or lawful permanent resident of the United States and who is: Black Americans - racial groups of Africa; Hispanic Americans - of Mexican, Puerto Rican, Cuban, Central/South America, Spanish or Portuguese culture or origin; Native Americans - origin in any of the original peoples of North America; Asian Pacific Americans - origins of the Far East, Southeast Asia, the Indian subcontinent; or a Woman.

VIII. Purchase Summary

If Vendor currently has a contract with the State of Mississippi, a purchase summary is required. The summary should only include sales to State agencies and governing authorities. Please do not include sales to nongovernmental entities. Complete the attached excel spreadsheet for the current contract period *starting November 1, 2016*. This purchase summary must be attached with the proposal in the State of Mississippi e-procurement system.

Please Note: Because of the expense associated with the maintenance of this type of contract, it has been determined that a lack of sales activity under \$25,000 for two consecutive years will be cause for rejection of a new contract for a period of two years.

IX. Award of Contract

New contracts will be awarded to all Vendors that submit proposals **electronically in the State of Mississippi e-procurement system** that are in compliance with this format and are proposing competitive prices. Any requested information not submitted may be cause for the contract proposal to be denied.

If you currently have a State Contract and your information is not received by the required submission date, the contract will expire and you will be denied a new contract for a period of two years.

X. E-Verify Compliance

If applicable, Contractor/Seller represents and warrants that it will ensure its compliance with the Mississippi Employment Protection Act of 2008, and will register and participate in the status verification for all newly hired employees. Miss. Code Ann. §§ 71-11-1 *et seq.* (1972, as amended). The term "employee" as used herein means any person that is hired to perform work within the State of Mississippi. As used herein, "status verification system" means the Illegal Immigration Reform and

Immigration Responsibility Act of 1996 that is operated by the United States Department of Homeland Security, also known as the E-Verify Program, or any other successor electronic verification system replacing the E-Verify Program. Contractor/Seller agrees to maintain records of such compliance. Upon request of the State, and after approval of the Social Security Administration or Department of Homeland Security when required, Vendor agrees to provide a copy of each such verification. Contractor/Seller further represents and warrants that any person assigned to perform services hereafter meets the employment eligibility requirements of all immigration laws. The breach of this agreement may subject Contractor/Seller to the following: (1) termination of this Agreement and ineligibility for any state or public contract in Mississippi for up to three (3) years with notice of such cancellation/termination being made public; (2) the loss of any license, permit, certification or other document granted to Contractor/Seller by an agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year; or (3) both. In the event of such termination/cancellation, Contractor/Seller would also be liable for any additional costs incurred by the State due to contract cancellation or loss of license or permit to do business in the State.

XI. Addendum Period: Additions/Deletions

Vendors wishing to make additions/**deletions** to their contract during the contract period should be aware of the following policies of this office:
