

## For Immediate Release – Brodart Residence Life Furniture

Brodart Contract Furniture is proud to announce that they have taken their more than 50 years of experience building quality furniture and proudly broadens its scope within the academic market by introducing the new Elements Collection. The new residence hall furniture collection is crafted with durability, versatility, and customization in mind.

- **Beds:** Available in Standard, Bunked, Lofted, and Captain-style configurations to maximize space.
- **Desks:** A standard, three-drawer pedestal desk has optional hutch addition and surface upgrades.
- **Wardrobes & Chests:** Multiple configurations and drawer sizes are available with or without partitions. Upgrades include European-style hinges and full-extension drawer slides.

The Elements Collection allows for many customization options, including:

- Laser-etched details, silk-screens, and appliques allow the incorporation of logos, mascots, and custom colors on all pieces
- Multiple wood species and finish choices (including an antimicrobial topcoat)
- Hardware upgrades
- Molding and edge band details

The Elements Collection can be paired flawlessly with other Brodart collections for additional seating, lounge, table, and shelving needs.
