Our most extensive offering, Sonoma complements contemporary environments with soft radius edges, compound-curved corners and several curved components, such as P-Tops, half-cylinder table bases, round and racetrack tables. All conference tables feature 2" thick tops. Work surfaces and end panels are 1-1/8" thick. Edges and corners are solid hardwood carefully crafted to match select hardwood veneers, presented in Dark Cherry stain. Medium sheen finishes from multiple-step processes provide executive appearance and lasting durability.
