

New Product Innovations

Leading Continence Management

Together we make a difference

Bringing Innovation to Life

By integrating customer
insights into product
development

As a world leader in continence management, SCA is committed to providing value by delivering products that can improve the quality of everyday life for those that rely on our products.

Innovation is at the heart of everything SCA does from the introduction of new TENA® programs to the improvement and delivery of new TENA® products.

We are proud to “Bring TENA® Innovations to Life” by further enhancing a number of our existing products.

TENA® Protective Underwear Plus and TENA® Protective Underwear Extra Now with a re-designed core

New re-designed core effectively channels fluids into the absorbing core. The “W” shaped core and elastics hug the product to the body for an improved discreet close fit. SKU numbers are changing.

TENA® MEN™ Absorbent Guard

New look, same great performance

We are pleased to announce a new look for TENA for MEN™ male guards. This sleek new packaging was designed for a more masculine look in order to differentiate it from other TENA® pads.
