

# DYLEK™ PS II

## Electronic Cleaner Degreaser

**Quickly dissolves and flushes away grease,  
oils, and soils without disassembly**

**Non-Corrosive**

**No Residue**

**Versatile**

**Non-Staining**

**Safe on Most Plastic Surfaces**

### **Provides Exceptional Cleaning Performance for**

- Industrial Manufacturing
- Transportation and Fleet
- Steel Mills and Foundries
- Paper Mills, Printing, and Packaging
- Construction, Mining, and Agriculture
- Excavation and Demolition
- Utility Construction
- Concrete and Asphalt Paving
- Federal, State, and Local Agencies

- **Easy Application** – Simply spray on the equipment and let dry, no need to wipe down or scrub
- **No Disassembly Required** – Reduces downtime by cleaning without disassembling equipment
- **Contains No CFC's** – Does not contain chlorofluorocarbons
- **Leaves No Residue** – Ensures a clean surface the first time around
- **Various Application Methods** – If the spray nozzle is not reaching the target area, simply attach the extension tube for maximum efficiency
- **Versatile** – Safe on plastic, rubber and painted surfaces. Can also be used on sensitive equipment and precision instruments, such as printed circuit boards, computer equipment, controls, regulators and more
- **Fast Evaporation** – Quick drying time
