

GRENADIER™ PLUS

Cleaner - Disinfectant - Deodorizer - Fungicide - Mildewstat - Virucide

Highly effective cleaning agent that combines the environmental protection of a disinfectant with a cleaner.

Use GRENADIER PLUS to disinfect and inhibit the growth of mold and mildew on all hard, non-porous surfaces.

Fresh Lemon Scent

PRODUCT FEATURES & BENEFITS

- Use on food processing equipment*, in ultrasonic cleaning units, or through fogging systems.**
- Provides a fresh, pleasant fragrance instead of the conventional medicinal odor of other cleaners and disinfectants
- Inhibits the growth of mold and mildew on all hard, non-porous surfaces
- Controls a broad spectrum of both gram-positive and gram-negative bacteria

Suitable for use in non-processing areas of Federally inspected meat and poultry plants.

*Potable rinse is required

**Only in dairies, beverage, and food processing plants.

Consult the label for complete directions and precautions before using this product.
