

The logo for multimist, featuring a stylized white wing or arrow shape above the word "multimist" in a lowercase, sans-serif font, with a small trademark symbol (TM) to the right.

SPARKLE™

Aerosol Cleaner and Polish

SPARKLE quickly removes grease, tarnish, mineral deposits, soap scum, stains, water spots, fingerprints and rubber marks from finished metals and other surfaces. SPARKLE leaves a clear, protective layer to resist stains, water spots, dirt and grime. Use SPARKLE to clean, polish and restore bathtubs, sinks, tile surfaces, water fountains, ovens/stoves, pots and pans, refrigerators, microwave ovens and other appliances. SPARKLE is especially effective for removing rubber marks in racquetball courts. SPARKLE won't stain or corrode.

PRODUCT FEATURES & BENEFITS

- Cleans and polishes quickly in 1 application
- Removes stubborn soils
- Aggressive cleaning action
- Non-flammable
- Use on stainless steel, brass, copper, aluminum, porcelain and more

Suitable for use as a general purpose cleaner in U.S. Federally inspected meat and poultry plants.

Consult the product label for complete directions and precautions before using this product.
