CHEMSTRIP™ EF AEROSOL

Paint and Varnish Remover

CHEMSTRIP EF removes paint, varnish, shellac, protective coatings, and Scotchlite®* sheeting from wood, concrete, steel, aluminum, brass and other metal surfaces indoors or out. CHEMSTRIP EF ensures fast, on-the-spot stripping without brushes, sprayer, or rollers, and eliminates waste due to evaporation, spills, and contamination.

PRODUCT FEATURES & BENEFITS

- For use on wood, concrete, brick and metals including brass and aluminum
- Non-corrosive to metals - no acid or alkali
- Removes adhesives, decals, protective coatings, paint and more
- Penetrates multiple layers of paint for quick removal

Suitable for use as a paint remover in nonprocessing areas of U.S. Federally inspected meat and poultry plants. Food contact surfaces must be washed with a suitable detergent and then rinsed with potable water before returning them to use.

Consult the product label for complete directions and precautions before using this product.
