CINNAMON FOAM CLEANER EF

Concentrated Foaming Cleaner

CINNAMON FOAM CLEANER EF combines the power of foam with the scent of cinnamon to make cleaning walls and vertical surfaces fast and more pleasant, too. CINNAMON FOAM CLEANER EF produces a thick foam that lifts soils from surfaces and is recommended for removal of mineral deposits on sinks, walls, floors, lockers, partitions, cabinets, porcelain fixtures, mirrors, glass, brick, plastic shower stalls, and tubs.

PRODUCT FEATURES & BENEFITS

- Specially formulated for removing corrosion, oxidation, hard-water scale, soap scum, and other tough soils
- Powerful foaming action - contains surface tension depressants that lift out dirt and dissolve tough soils; then the dirt easily rinses away
- Versatile - use to clean most surfaces of washrooms or locker rooms, such as walls, toilets, sinks, shower stalls, and mirrors; also can be used on fountains and other areas where hard-water scale may build up
- Leaves a fresh cinnamon scent

Suitable for use as an acid cleaner in non-processing areas of U.S. Federally inspected meat and poultry plants. The cleaned surfaces must be rinsed thoroughly with potable water before any food or food product may contact the cleaned surface.
Consult the product label for complete directions and precautions before using this product.
