

Cherry Blitz™ Wipes

Multi-Purpose Industrial Towels

Powerful cherry scented, multi-purpose industrial wipe

One wipe cleans your hands, tools, equipment, and work area

For Use in Every Industry

- Industrial Manufacturing
- Food Processing
- Steel Mills and Foundries
- Paper Mills, Printing, and Packaging
- Construction, Mining, Agriculture
- Excavation and Demolition
- Utility Construction
- Concrete and Asphalt Paving
- Federal, State and Local Agencies

Cuts Through the Toughest Soils –

Heavy grease, grime, oil, asphalt, paint, adhesives, carbon, and ink

Extra Tough, Dual-Textured Towel –

Smooth on one side and textured on the other side with purple scrubbers for deeper, faster cleaning.

Won't Irritate or Dry Skin –

Conditioning enriched formula contains almond oil, soy oil, glycerin, lanolin, jojoba, wheat germ oil, aloe vera, and vitamins A, C, & E

25% More Wipes Than Competitors –

Each canister contains 90 wipes compared to the industry standard of 72 wipes

Pleasant Wild Cherry Fragrance

Fast and Versatile Clean-Up –

Eliminates the need for shop rags, paper towels or water. Great for cleaning up on the job site.

Unique Water Based Formula –

Provides powerful cleaning action, but contains no solvents that can leave skin dry. NPE-free and VOC-free formula is also better for the environment.

Wipes Stay Moist for Hours –

Made from polypropylene material which keeps wipes moist allowing for multiple uses.

Handy, Re-sealable Dispense Top –

Keeps wipes clean, moist and protected. If accidentally left unsealed the cleaning formula can be re-activated by simply adding water.
