ROOM SENSE™ 440

Heavy Duty Cleaner

Properties:

RoomSense 440 Heavy Duty Hard Surface Cleaner is a powerful blend of anionic and nonionic surfactants, specially formulated to be effective against tough soils on walls, floors and other non-porous surfaces. Pleasantly fragranced with the "Cool Rain" scent, **RoomSense 440 Heavy Duty Hard Surface Cleaner** extra strength formula makes everyday sanitation both effective and effortless. The heavy duty formulation is user safe and safe to use on all washable surfaces. Ideal for use in hospitals, hotels, and all institutional and industrial environments. The perfect multi-use cleaning product for floors, walls, concrete, bathroom chrome fixtures, countertops, tiles, sinks, toilets, tubs and so much more. The non-abrasive formula will not damage surfaces and will leave them sparkling clean and streak free.

Directions for use:

This product will be diluted automatically from the Auto-Chlor System dispenser and is used to clean and degrease. Do not use this product on surfaces over 120°F. Dilute this product only with water. Follow proper container change over procedures when replacing empty product with full product.
