High Speed Canine Armor System

PROTECH
TACTICAL

SAFARILAND®

A BRAND OF THE SAFARILAND GROUP

The K-9 tactical carrier designed for the modern canine officer and handler

In the tradition of Safariland's Protech® Tactical brand of carriers, equipment and accessories, this system was designed with the same passion and innovation as our products for the human officer. Catering to the modern police, SWAT or special operations canine, features include a contoured pattern that allows for high-speed application and assaults. Wear-tested and approved by multiple domestic US agencies, this high-speed canine armor system is the top of the line offering on the market.
