Work Station Nameplates - Part of a Complete Sign System

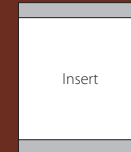

Takeform nameplates for work stations and desks are both attractive and affordable... choose from three sizes, five laminate finishes, and a variety of attachment options including an under-cap hanger for most major system lines. Work station nameplates are part of a coordinated sign system for every location and destination. Contact your local sales representative or go to www.takeform.net

Work Station Nameplates

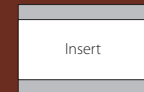

① Sizes

You're in control. Update your signs as needed using downloadable software templates and your office printer.

② Finishes

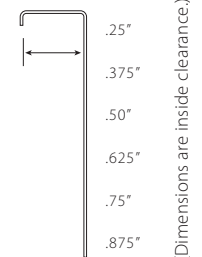

Custom finishes available upon request.

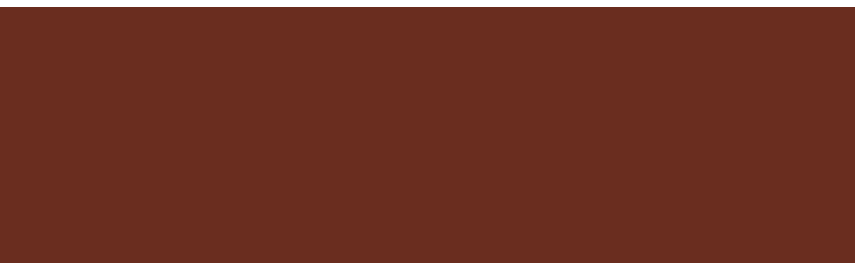

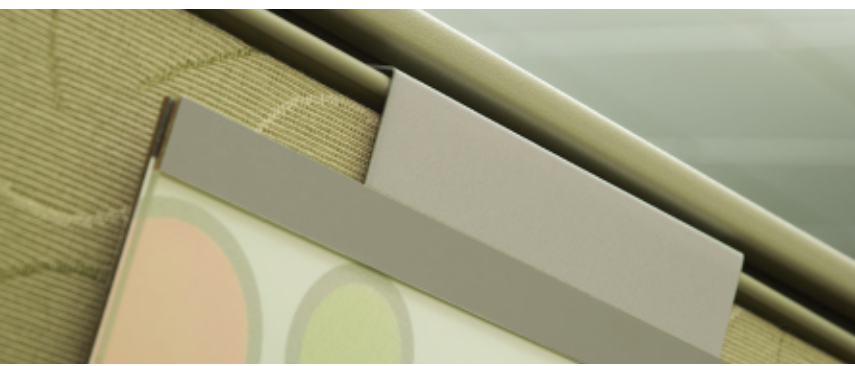

③ Attachment Options

- Tape
- Pin
- Magnet
- Velcro®
- Under-Cap Hanger*

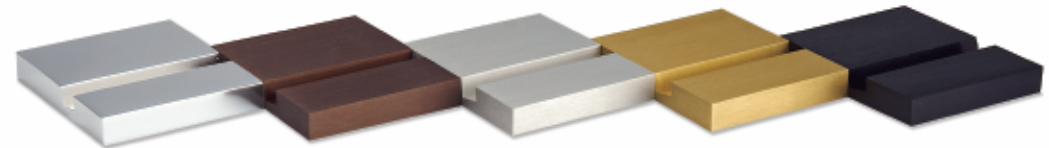

Hanger Sizes

*Silver Finish

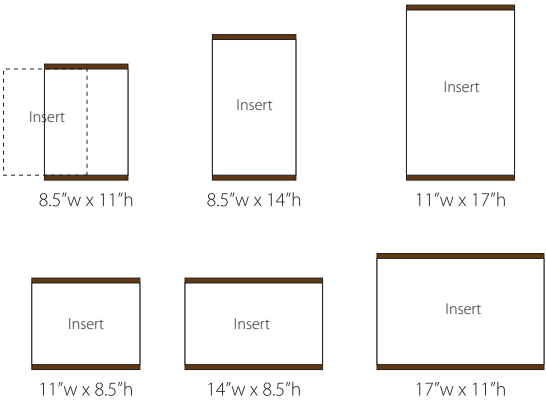

Desk Stands

Desk stands are available in five anodized finishes: polished, bronze, natural, brass and black. They may be utilized with both work station nameplates and notice holders.

Takeform notice holders are an easy and economical way to clean up that messy paper taped, tacked and stuck to your wall. Simply print and slide behind lens.

Notice holders are available in portrait or landscape format in three sizes and five finishes. (see finishes inside)
Mounting adhesive included.
