# A suite of products for creating collaborative environments

## **Exclave**

**Designed by Gianfranco Zaccai and Continuum**

In today's competitive business environment, innovation drives organizational success. As organizations increasingly rely on the collaborative work of high-performance teams to drive innovation, providing teams what they need to collaborate effectively becomes essential.

Effective collaboration requires a spatial ecosystem in which every element works with every other element to support human needs and stimulate innovative thinking. Exclave is a cohesive suite of products designed to create collaborative ecosystems across the office landscape.

## Enhances Engagement

Exclave uses human-centered design to empower high-performance teams by integrating surroundings, furnishings, and tools in collaborative ecosystems that address sightlines, posture, and circulation. For example, in the Workshop setting to the left, a collaborative standing-height table paired with stools supports standing and seated team members at eye-level with each other and their remote colleagues. The table is shaped to ensure clear lines of sight to analog and digital displays around the perimeter and located so people have plenty of room to move around and use them.

Exclave carts keep information and ideas moving so ideas don't have to end where they began.

Exclave's versatility and diverse finishes elevate the aesthetics and functionality of any setting.

## Mobilizes Ideas and Information

Creative thinking that begins in one space can be refined or expanded on in another. Exclave whiteboards, tackboards, and environmentally friendly, lightweight eco boards travel with teams and individuals throughout the day to help preserve and disseminate good ideas. Mobile carts provide freestanding display and space delineation in open settings. Rails installed in a variety of settings offer flexible, adaptable support.

## About Gianfranco Zaccai and Continuum

Creative collaboration is a passion of designer Gianfranco Zaccai. In 1983, he cofounded the Boston office of Continuum, a global design and innovation consultancy based on the notion of collaboration and the idea that design happens across different disciplines. Zaccai and his team use a research-based process that focuses on the design of experiences—including physical objects, space, and human interactions—to innovate in a wide range of industries. Continuum partners with clients to discover powerful ideas and realize them as products, services, and brand experiences that improve lives and grow businesses.

## Exclave™ Cove

#### Design Story:

Creative collaboration is a passion of designer Gianfranco Zaccai. In 1983, he cofounded the Boston office of Continuum, a global design and innovation consultancy with the notion of collaboration and the idea that design happens across different disciplines. Zaccai and his team use a research-based process that focuses on the design of experiences—including physical objects, space, and human interactions—to innovate in a wide range of industries. Continuum partners with clients to discover powerful ideas and realize them as products, services, and brand experiences that improve lives and grow businesses.

In today's competitive business environment, innovation drives organizational success. As organizations increasingly rely on the collaborative work of high-performance teams to drive innovation, providing teams what they need to collaborate effectively becomes essential.

Effective collaboration requires a spatial ecosystem in which every element works with every other element to support human needs and stimulate innovative thinking. Exclave is a cohesive suite of products designed to create collaborative ecosystems across the office landscape.

#### Herman Miller's Design Protocol

Our commitment to corporate sustainability naturally includes minimizing the environmental impact of each of our products. Our Design for Environment team (DfE) applies environmentally sensitive design standards to both new and existing Herman Miller products.

The DfE Design Protocol goes beyond regulatory compliance to thoroughly evaluate new product designs in four key areas:

- *Material Chemistry and Safety of Inputs*—What chemicals are in the materials we specify, and are they the safest available?
- *Disassembly*—Can we take products apart at the end of their useful life, to recycle their materials?
- *Recyclability*—Do the materials contain recycled content, and more importantly, can the materials be recycled at the end of the product's useful life?
- *LCA*—Have we optimized the product based on the entire life cycle?

#### FSC® Certification

Herman Miller has Forest Stewardship Council® (FSC) chain of custody certification and offers certain standard laminate and veneer worksurfaces and storage products with wood fronts and tops, with exceptions, as FSC-certified products. For a detailed list of these products and exceptions, please visit [HermanMiller.com/certified-wood](http://HermanMiller.com/certified-wood).

#### GREENGUARD Certified

Exclave has achieved GREENGUARD and GREENGUARD Gold Certifications. GREENGUARD Certified products are certified to GREENGUARD standards for low chemical emissions into indoor air during product usage. For more information, visit [ul.com/gg](http://ul.com/gg).

#### Material Content\*

Exclave components are constructed from steel, wood, plastic, fiberglass, aluminum, fabric, and other materials.

## Environmental Product Summary

# Exclave Cove

Exclave components are up to 30 percent recyclable based on availability of recycling facilities.

Exclave components are comprised of approximately 15-percent recycled materials. This figure breaks down to 11% post-consumer and 4% pre-consumer recycled content.

- Steel components contain approximately 37 percent recycled content and are 100 percent recyclable.
- Wood, while not technically recyclable, can be cycled back to the natural environment through processes such as composting. The wood content in our work surfaces, tables, and storage unit substrates is made primarily of sawdust generated by other upstream wood process operations. Additionally, wood waste from our operations is burned in our Energy Center, which generates steam that we use in our manufacturing facilities.
- All veneers used are purchased from suppliers practicing responsible forestry techniques.
  - Approximately 60 to 80 percent of veneers are derived from domestically grown woods, notably cherry.
  - Responsibly harvested, rapidly renewable bamboo work surface veneer is also available.

–All veneers are adhered to the substrate with water-based glues to minimize air emissions.

- Plastic components are identified with an ASTM recycling code whenever possible, to aid in returning these materials to the recycling stream.
- *Returnable Packaging*—Exclave’s packaging materials include corrugated cardboard and expanded polystyrene foam. These materials are part of a closed-loop recycling system, meaning they can be recycled repeatedly.
  - Whenever possible, shipments between Herman Miller and its suppliers include the use of pallets and other returnable packaging to minimize waste.
  - On large North American orders, disposable packaging can be replaced with reusable shipping blankets.

- *Renewable Energy*—Exclave is manufactured in West Michigan using 100 percent renewable energy via renewable energy credits and a power purchase agreement.
- *ISO*—Exclave is manufactured in West Michigan at an ISO 14001-certified site.
- *Worker Health and Safety*—Herman Miller strives to meet or exceed OSHA standards. Exclave is manufactured at an OHSAS 18001-certified site.

### Product Performance

- Designed for minimal material use, reduced energy requirements, easy reconfiguration, and durability.
- The majority of the Exclave offering is backed by Herman Miller’s 12-year, 24/7 warranty.

### Corporate Sustainability Policy

For more information on Herman Miller’s Corporate Sustainability Policy and other environmental efforts, please visit [HermanMiller.com/environment](http://HermanMiller.com/environment).

### Supplier Support

At Herman Miller, we are committed to working closely with our suppliers to reduce our collective impact on the environment. We not only encourage our suppliers to minimize their operations’ environmental impacts but require they assist us in decreasing our facilities’ negative environmental effects, as well.

### rePurpose<sup>SM</sup> Program

Good design includes thinking about how to recycle used products. Our program, rePurpose, gives new life to furniture that's no longer needed. By employing a thoughtful combination of resale, recycling, and donation on each project, rePurpose ensures each asset, including furniture, equipment, and supplies, reaches its best destination. The rePurpose program is a cost-effective, reliable, and efficient service that protects the environment and benefits the community. rePurpose is a single-source approach, which saves time and money, eliminates liability, and keeps 99 percent of product out of landfills. Its robust web-based reporting helps organization of all types and sizes align economic, environmental, and social goals. Want to learn more about rePurpose? Contact us at [rePurpose@hermanmiller.com](mailto:rePurpose@hermanmiller.com).

# Introduction

## A Note on the Organization of This Book

There are a few signals that will help you understand the organization of this book. Once you know them, you should be able to find your way around easily.

### Like a newspaper, this book is formatted with columns of text and illustrations that run vertically.

Information wraps from one column to the next and continues for as many pages as it needs to.

### Black bars are clues.

A black bar at the top of a page signals the start of information about a product.

This information is divided into two sections, each signaled by a black bar. Product Information includes a description, additional notes, and dimensional drawings. Specification Information, which always begins at the top of a column, includes a series of steps. Each step represents a decision you need to make in order to complete your product number. Steps must be followed sequentially. The number of pages needed to complete information on a product varies; some will be complete in one page; others may fill three or four pages. Just continue going through the steps until you run into the next product, signaled by the black bar at the top of the page.

Black tabs running along the outside edge of the page help you locate what section you are in or what section you want to go to. You can thumb forwards or backwards to find a section; tabs and text appear on both sides of the page.

The additional pages in the back of the book include the appendices and indices. They are signaled by a long black bar running along the outside edge of the page.

### The index is presented two ways.

The first index is in alphabetical order by product name. It can be helpful if you are new to the products and numbering scheme or if you are looking for a type of product, such as work chair or round table.

The second index is by product number. It lists, in alphanumeric order, the base product number, typically a five-digit number.

## General Information

This book is effective February 6, 2017, subject to change without notice. Products may be purchased from authorized Herman Miller dealers who will quote prices upon request. For more information about our products and services or to see a list of dealers, visit [www.HermanMiller.com](http://www.HermanMiller.com).

All prices are list prices. Additional services, such as planning services, design, storage, and installation, are not included and must be added to these prices when the additional services are requested.

Illustrations, specifications, and prices are based on the latest information at the time of publication. The right is reserved to make changes at any time without notice in prices, fabrics, finishes, materials, specifications, and models, and also to discontinue models and finishes.

Dimensions shown in the drawings are engineering drawing dimensions rounded up to the nearest  $\frac{1}{8}$ ". Product is shipped set up or knocked down. Products that include "Shipped knocked down" in the description require some assembly. If this statement does not appear in the description, the product is shipped assembled.

Service problems are normally handled by a Herman Miller authorized dealer. Where this cannot be accomplished on a local level, service problems should be referred to the Customer Care Representative for your region, Herman Miller, Inc., Zeeland, Michigan 49464.

### 20-Day or Less/Assigned Lead-Time Shipments

All products and options in this price book not designated by an Assigned Program icon  will ship in **20 business days or less** after being acknowledged by Herman Miller.

Products and options designated by an  are on the assigned lead-time program and may ship in 20 days, less than 20 days, or more than 20 days from order acknowledgement.

# Tear Drop Table

EXTD.

## Product Information

### Description

The tear drop table shape enables clear visibility of content and participants, both local and remote. It is available in 4 sizes and 2 heights, 29" and 39", to support varied work activities. Tables 39" high and 72" wide and wider are available with or without a foot rest for better ergonomics while standing. Table is available with or without an electrical cutout. Electrical accessories ordered separately. Shipped knocked down.

### Notes

Actual table dimensions:

Table—Dimensions

042—42"W×44"D

072—71"W×53<sup>4</sup>/<sub>5</sub>"D

096—94<sup>4</sup>/<sub>5</sub>"W×55"D

114—114<sup>4</sup>/<sub>5</sub>"W×81<sup>1</sup>/<sub>2</sub>"D

Available only with thin edge.

Foot rest finish is stainless.

Order the following products separately. Refer to Exclave® Planning Guide and Thrive® Portfolio price book for additional details:

- For 4' table (042), order Logic mini electrical distributor (Y1414.)
- For 6' table (072), 8' table (096), and 9<sup>1</sup>/<sub>2</sub>' table (114), order 6 wide G1000 grommet mounted electrical distributor (Y1425.D or Y1425.G)
- Logic HD cable manager (Y1424.)
- Umbilical riser (Y1430.); order riser height to match table height

Video conference friendly finishes are provided for guidance only.

Customer lighting, color palette, video conferencing equipment, and other non-Exclave® specified furnishings and tools may affect experience.

# Guitar Pick Table

EXTT.

## Product Information

### Description

The guitar pick table shape enables clear visibility of content and participants, both local and remote. It is available in 2 sizes and 2 heights, 29" and 39", to support varied work activities. Tables 39" high are available with or without a foot rest for better ergonomics while standing. Table is available with or without an electrical cutout. Electrical accessories ordered separately. Shipped knocked down.

### Notes

Actual table dimensions:

Table—Dimensions

o60—59<sup>1</sup>/<sub>5</sub>"W×60<sup>1</sup>/<sub>2</sub>"D

o84—81<sup>1</sup>/<sub>5</sub>"W×82<sup>1</sup>/<sub>5</sub>"D

Available only with thin edge.

Foot rest finish is stainless.

Order the following products separately. Refer to Exclave® Planning Guide and Thrive® Portfolio price book for additional details:

- For 5' table (o60), order 5 wide G1000 grommet mounted electrical distributor (Y1425.C or Y1425.F)
- For 7' table (o84), order 6 wide G1000 grommet mounted electrical distributor (Y1425.D or Y1425.G)
- Logic HD cable manager (Y1424.)
- Umbilical riser (Y1430.); order riser height to match table height

Video conference friendly finishes are provided for guidance only.

Customer lighting, color palette, video conferencing equipment, and other non-Exclave® specified furnishings and tools may affect experience.

# Wall Rails

EXRL.

Exclave® Rail & Inserts

### Product Information

**Description**  
 This set of top and bottom rails attaches to architectural walls to support Exclave® components. Rails attach directly to 5/8" thick or thicker drywall using included wall anchors; wall stud attachment is not required. Rails come with inserts to finish the rail fronts and conceal mounting screws. Rails and inserts can be field cut to length. Rail finish is anodized aluminum and insert finish is folkstone grey.

### Notes

Actual rail lengths are 49" (48) and 97" (96).  
 Order wall rail end caps (EXREC.) separately.

**Product Information**

**Description**

This media tile supports digital media equipment within meeting spaces. It holds single or dual TV screens and comes with 1 or 2 screen mounting brackets, a camera shelf, and technology box mounted below the tile. A speaker bar mount is optional.

**Notes**

Media tile hangs on Exclave® wall rails (EXRL).  
 TV screen mounting brackets accommodate screen widths of 42" to 70".  
 Camera shelf finish will match specified panel finish.  
 Technology box accommodates 2RU of componentry. Finish will match specified panel finish.

**Product Information**

**Description**

This 2-drawer stowage unit hangs on Exclave® wall rails. It is available with a laminate case and front, laminate case with veneer front, or veneer case and front. Drawers have bar pulls and full-extension ball-bearing slides. Comes with a whiteboard or tackable fabric backdrop.

**Notes**

Actual stowage unit depth is 11".

Specify backdrop tackable fabric to match fabric selection on other Exclave boards with tackable fabric option (EXSB.T or EXLB.T), ordered separately.

Video conference friendly finishes are provided for guidance only. Customer lighting, color palette, video conferencing equipment, and other non-Exclave specified furnishings and tools may affect experience.

Small Boards - Eco Boards

EXSB.

**Product Information**

**Description**

These small Eco boards hang on Exclave® wall rails or Exclave small and large mobile carts. Boards can stack up to 4 deep on rails, and 3 boards can be transported on each side of the small or large cart, for a total of 6 boards. They have top clips for hanging and bottom bumpers. These boards are available with a dry-erase writeable or nonwriteable surface. Eco boards have a cardboard honeycomb core, and are a tackable, recyclable alternative to foam core. They come in packages of 4, and can be used with other Exclave elements.

**Notes**

Actual board dimensions are 31"W x 47"L x 1/2"D.

Bottom bumpers and clip attachment screws are folkstone grey (8Q).

Exclave® Boards

# Small Boards

EXSB.

### Product Information

#### Description

These small boards hang on Exclave® wall rails or Exclave small and large mobile carts. Boards can stack up to 4 deep on rails, and 3 boards can be transported on each side of the small or large cart, for a total of 6 boards. They have top clips for hanging and bottom bumpers. These boards are available in 2 types: a nonmagnetic whiteboard, or a tackable fabric board. Both board types can be used with other Exclave elements.

#### Notes

Actual board dimensions are 31"W x 47"L x 1/2"D.

For whiteboards, bottom bumpers are folkstone grey (8Q).

For tackable fabric boards, bottom bumper color matches the specified clip finish.

Video conference friendly finishes for tackable fabric boards are provided for guidance only. Customer lighting, color palette, video conferencing equipment, and other non-Exclave specified furnishings and tools may affect experience.

## 20-Day or Less/Assigned Lead-Time Order Information

### 20-Day or Less and Assigned Lead-Time Programs

20-day or less and assigned lead-time products are designed for established Herman Miller dealers with pre-approved credit.

Products are distributed from multiple manufacturing facilities across the United States. All products and options not designated by an Assigned Lead-Time icon **A** will ship in 20 business days or less after being acknowledged by Herman Miller. Products and options designated by an **A** are on the assigned lead-time program and will ship in 20 days, less than 20 days, or more than 20 days from order acknowledgement.

### Ordering Procedure

Please place orders through Order Manager. If this is not available to you, place orders through mail or fax. Verbal purchase orders will not be accepted.

Order Entry fax number for Passage®, 5000 Series, and Meridian® Filing and Storage: (616) 846 9236.

Order Entry fax number for all other products:  
(616) 654 3085.

For more information, contact your Customer Care representative at:  
(866) 854 3048 EXT 3400.

### Shipments and Delivery

Per Herman Miller Terms and Conditions.

### Changes and Cancellation

Per Herman Miller Terms and Conditions.

# Stain-to-Match Program

## Stain-to-Match Program

### Program Overview

The Stain-to-Match program gives you the option of using veneer finishes that are not listed in the standard offering. The program allows Herman Miller to match a customer's existing recut or natural veneer, or create a new finish that is unique to an installation.

Specific information on approval, ordering, pricing, and warranty for the Stain-to-Match program is listed below. Questions and requests for assistance may be directed to Herman Miller Options at:

(800) 654 3910

### Stain-to-Match Process

1. Fill out the Options Stain-to-Match Request Form and send along with a color sample (2" x 3" minimum) to the Herman Miller Options Applications Team at the address provided on the form. The form can be found on Omni.
2. Within 7-10 working days, Herman Miller Options will send a sample of the color-matched stain on Herman Miller veneer to the requester for the customer's signed approval.
3. If the sample meets the customer's approval, sign the reverse side of the sample, scan and email the approval to:  
options@hermanmiller.com.
4. After the stain has been approved, a formal quotation with special number and pricing can be provided, or the product can be specified through the Vary Easy program, if available. Work with the Options team on final product needs and how to specify.
5. A purchase order can then be placed.

## Stain-to-Match Warranty

Herman Miller warrants its products to be free from defects in craftsmanship from the date of delivery for the applicable warranty period. Herman Miller is responsible for the physical properties of the veneers available through the Stain-to-Match program, which include:

- STA: Stain-to-Match on Recut Ash
- STB: Stain-to-Match on Beech
- STC: Stain-to-Match on Cherry
- STD: Stain-to-Match on Oak
- STK: Stain-to-Match on Reltech Anigre (Geiger)
- STM: Stain-to-Match on Recut Mahogany
- STP: Stain-to-Match on Maple
- STU: Stain-to-Match on Walnut (Geiger)

See your specification tool for product specific finish offering limitations.

2016

Herman Miller was recognized by the Michigan Minority Supplier Development Council (MMSDC), as a "Corporation of the Year" and was the only company in West Michigan to receive an "Ambassadors Championing Excellence" Award from the MMSDC this year.

# Contract Information

*continued*

Herman Miller received a “2016 Excellence in Supplier Diversity Award” from the Great Lakes Women’s Business Council.

Herman Miller was named a 2020 Women on Boards Winning Company. Companies selected for this recognition are considered champions of board diversity as 20 percent or more of their board seats are occupied by women.

Herman Miller was selected for inclusion in the 2016 RobecoSAM Sustainability Yearbook for twelfth consecutive year.

2004-2015

Herman Miller was recognized for its commitment to best-in-class economic, environmental, and societal sustainability, earning a spot on the prestigious Dow Jones Sustainability Index (DJSI) for 12 consecutive years. We are one of 317 companies worldwide to be included in the DJSI World Index, and the only contract furniture company recognized globally for its corporate sustainability leadership.

2015

This is the fourth consecutive year that Herman Miller was named one of Michigan’s Best and Brightest Sustainable Companies.

Herman Miller has received the Forest Stewardship Council (FSC) Leadership Award for longstanding commitment to manufacturing with wood sourced from responsibly managed forests. Herman Miller was recognized for being dedicated to reducing environmental impacts by protecting against deforestation and forest degradation.

Herman Miller accepted its second Excellence in Reusable Packaging Award from the Reusable Packaging Association. We were acknowledged for eliminating more than 28,000 tons of corrugated waste from piling up in landfills.

Herman Miller received a Michigan Business Pollution Prevention (MBP<sub>3</sub>) Certificate – a recognition given by the Michigan Department of Environmental Quality (MDEQ) to organizations committed to environmental stewardship, conservation, and sustainable operations.

Fast Company named Herman Miller as one of the World’s Top 10 Most Innovative Companies of 2015 in Design.

Renew Sit-to-Stand tables recognized on Record Products 2014 list by Architectural Record.

Herman Miller was again awarded a perfect score in the 2015 Corporate Equality Index.

2014

Herman Miller’s Locale wins International Design Excellence Awards (IDEA) Gold in the Office & Productivity category.

2013

Herman Miller Earns Perfect Score on the Corporate Equality Index. We are one of only 303 major U.S. businesses to receive a perfect score in 2013, an achievement we have now obtained seven years in a row.

Herman Miller is listed in Forbes Magazine inaugural “Platinum List” of America’s 400 best managed, large companies.

For the second consecutive year, Herman Miller is honored as one of West Michigan’s “101 Best and Brightest Sustainable Companies”.

2012

Architectural and design professionals participating in *Contract* magazine’s 2011 Brand Report Awareness Survey have once again named Herman Miller and its subsidiaries as their preferred source for key furnishings in the workplace and healthcare environments.

Herman Miller is named “Corporation of the Year” in the commercial products sector by the Michigan Minority Supplier Development Council.

Herman Miller was inducted into the Made in the USA Hall of Fame. Herman Miller was one of only 20 companies across the nation to receive this distinction. The Hall of Fame showcases exceptional U.S. manufacturers and demonstrates that many high-quality products are made in the United States.

Herman Miller is honored as one of West Michigan’s 101 Best and Brightest Sustainable Companies. The award celebrates organizations that are making their business more sustainable; the lives of their employees better; and the community, both locally and globally, more responsible as a whole.

The Sustainable Asset Management (SAM) group selected Herman Miller for inclusion in “The Sustainability Yearbook 2012” and has awarded Herman Miller both the “SAM Sector Leader” and “SAM Sector Mover” distinctions.

Herman Miller was named one of 16 Section Leaders on Climate Counts 2011-2012 Scorecard Report, making us the industry leader for Home and office Furnishings. The scorecard measures how well the largest companies across 16 industry sectors are preparing for a low-carbon future. Companies are scored based on 22 criteria including a company’s efforts to assess their climate footprint, reduce greenhouse gas emissions, and the ability to communicate their efforts to consumers.

2011

Herman Miller again tops the contract furniture industry in FORTUNE’s ‘Most Admired’ Companies survey. For the 23rd time in 25 years, Herman Miller was the highest ranking furniture manufacturer in a survey among the executives and board members of peer companies and independent industry analysts, as published in FORTUNE Magazine’s Annual ‘Most Admired’ Companies feature. Taking second overall in the expanded, 14 company category of ‘Home Equipment, Furnishings,’ Herman Miller received the number one ranking in five of the nine attributes surveyed.

# Contract Information

*continued*

Trust Across America, a company dedicated to unraveling the complexities of trustworthy business behavior, listed Herman Miller as one of their "Top Ten Most Trustworthy Companies in America 2011."

The Michigan Minority Supplier Development Council (MMSDC) named Herman Miller as its "Corporation of the Year." The company was selected for the honor from among several finalists, including its largest direct competitors. This was the fifth time Herman Miller has received the prestigious award since 2005. When accepting the award, the Inclusiveness & Diversity Program Manager stated, "We are honored to be recognized for our commitment to creating an inclusive supply chain. Herman Miller strives to create a better world through all aspects of our business. Working with diverse suppliers, and the support of the MMSDC, brings us closer to that goal."

Herman Miller receives the Reader's Choice award from TreeHugger's Best of Green: Design and Architecture category for the SAYL chair.

Herman Miller wins prestigious Just Means Social Innovation Award for "Best Sustainability Performance." Herman Miller was nominated for making substantial gains in reducing its CO<sub>2</sub> footprint and significantly outperformed other nominees in the category of Operations.

Herman Miller Healthcare's Compass system was awarded a 2011 Medical Design Excellence Award (MDEA) for its research-based design and ability to be used in a variety of healing spaces, while simultaneously improving the overall delivery of healthcare.

The Sustainable Asset Management (SAM) Group selected Herman Miller for inclusion in the "Sustainability Yearbook 2011" and awarded us both the "SAM Sector Leader" and "SAM Sector Mover" distinctions.

2010

Herman Miller's SAYL chair named "Product Design of the Year" by the International Design Awards (IDA) jury. The award recognizes smart and sustainable multidisciplinary design.

The Flo monitor arm from Herman Miller, was chosen to receive a 2010 "Red Dot" award for product design. The Red Dot Program is considered by many to be the largest and most distinguished international design competition. There were almost 14,000 entries from 68 countries, with more than 4,400 products from 60 countries entered into the product design category.

The NASDAQ OMX CRD Global Sustainability Index (QCRD) has included Herman Miller among their top 100 companies in the world.

Herman Miller achieves LEED-CI Platinum certification from the U.S. Green Building Council for its recently completed Los Angeles Showroom.

2009

Herman Miller named Green Champion by *Business Review West Michigan*.

Herman Miller awarded the 2009 Recycling by Design award by the Institute of Scrap Recycling Industries, Inc.

Aeron receives MBDC Silver Cradle to Cradle certification.

Herman Miller's local fleet is recognized as a U.S. EPA SmartWay Transport Partnership Certified Carrier.

Herman Miller achieves LEED-CI Gold certification for its Main Site B West renovation.

2008

Herman Miller recognized by *Occupational Hazards* magazine as one of America's Safest Companies (ASC). It was one of 18 companies to achieve this distinction.

Herman Miller's Zeeland Main Site awarded status as a STAR participant in the Michigan Voluntary Protection Program (MVPP). The MVPP Star Award is the most prestigious safety and health award given in Michigan. Zeeland Main Site is the fourth Herman Miller facility to receive MVPP status, along with the Greenhouse (in 2005), Midwest Distribution Center (in 2007), and 171st Avenue facility (in 2006).

Teneo, Tu, and Meridian filing and storage product lines receive McDonough Braungart Design Chemistry (MBDC) Silver Cradle to Cradle certification.

2004-2009

Herman Miller achieves sixth consecutive placement on the Dow Jones Sustainability World Index, an international stock portfolio that evaluates the annual performance of the world's largest 2500 companies using economic, environmental, and social criteria, known as the "triple bottom line" of sustainability.

2007

Herman Miller earns the 2007 Waste Wise Gold Achievement Award for Smart Packaging. The U.S. Environmental Protection Agency (EPA) recognizes Herman Miller for its ongoing commitment to reduce transport packaging.

Herman Miller's IT North building in its Main Site facility earns LEED-CI Silver certification from the U.S. Green Building Council (USGBC).

My Studio Environments receive McDonough Braungart Design Chemistry (MBDC) Silver Cradle to Cradle certification.

Herman Miller, Inc., chosen for Sustainable Business 20 List. The company is featured for the fifth time as one of the "World's Top Sustainability Stocks," which includes companies with strong environmental initiatives and solid financial performance.

Herman Miller earns LEED-CI Gold Certification from the U.S. Green Building Council (USGBC) for its National Design Center in Atlanta, Georgia.

# Contract Information

*continued*

2006

*Business Ethics* ranks Herman Miller, Inc. among the “100 Best Corporate Citizens” in America.

Herman Miller earns LEED-CI Gold Certification from the U.S. Green Building Council (USGBC) for its National Design Center in New York City, New York. This is the first LEED-CI Gold rating to be awarded in New York City.

Herman Miller honored by the U.S. Environmental Protection Agency (EPA) with its WasteWise Award for its commitment to build or renovate its facilities--leased or owned--to meet at least a LEED (Leadership in Energy and Environmental Design) Silver certification.

2005

The U.S. Environmental Protection Agency's Pacific Southwest office honors Herman Miller with its seventh annual Environmental Awards, recognizing the company's efforts to protect and preserve the environment during 2004.

The U.S. Environmental Protection Agency presents Herman Miller with its WasteWise 2005 Product Stewardship Gold Achievement Award in the Design category; Honorable Mention also received in the Large Business category for its recycling efforts.

Herman Miller earns LEED Gold Certification from the U.S. Green Building Council (USGBC) for the Design Yard Front Door in Holland, Michigan.

Michigan “Clean Corporate Citizen” Award given to Herman Miller's Greenhouse manufacturing facility for its environmental management system and record for active pollution prevention.

2004

American Institute of Architects (AIA) Committee on the Environment selects Herman Miller's Building C-1 renovation as one of the AIA/COTE Top 10 Green Projects in America.

The U.S. Green Building Council (USGBC) names Herman Miller among the recipients of its Green Building Leaders Recognition Award for 2004, in the Green Building Business category.

For the third year in a row, Herman Miller is included on SustainableBusiness.com's list of the top 20 sustainable stocks among public companies worldwide.

2003

The University of Colorado, Leeds School of Business, names Herman Miller among three finalists for the first annual “Summit Awards for Social Impact,” citing the company's environmental leadership.

*Environmental Building News* magazine's GreenSpec Product Directory names Herman Miller's Mirra chair among its Top 10 picks for best new “green” products.

2002

Program Champion recognition from the U.S. Environmental Protection Agency's WasteWise Program, for overall waste reduction achievements.

2000-2003

*Business Ethics* ranks Herman Miller, Inc. in the top 10 among the “100 Best Corporate Citizens” in America, and first among all ranked companies for “Service to the Environment.”

1999-2001

Environmental Protection Agency's (EPA) Large Industry Partners of the Year Award for overall waste reduction achievements.

2000

Waste Reduction Award Program (WRAP) from the State of California Environmental Protection Agency Integrated Waste Management Board for improving the environment by reducing waste.

# Introduction

## A Note on the Organization of This Book

There are a few signals that will help you understand the organization of this book. Once you know them, you should be able to find your way around easily.

### Like a newspaper, this book is formatted with columns of text and illustrations that run vertically.

Information wraps from one column to the next and continues for as many pages as it needs to.

### Black bars are clues.

A black bar at the top of a page signals the start of information about a product.

This information is divided into two sections, each signaled by a black bar. Product Information includes a description, additional notes, and dimensional drawings. Specification Information, which always begins at the top of a column, includes a series of steps. Each step represents a decision you need to make in order to complete your product number. Steps must be followed sequentially. The number of pages needed to complete information on a product varies; some will be complete in one page; others may fill three or four pages. Just continue going through the steps until you run into the next product, signaled by the black bar at the top of the page.

Black tabs running along the outside edge of the page help you locate what section you are in or what section you want to go to. You can thumb forwards or backwards to find a section; tabs and text appear on both sides of the page.

The additional pages in the back of the book include the appendices and indices. They are signaled by a long black bar running along the outside edge of the page.

### The index is presented two ways.

The first index is in alphabetical order by product name. It can be helpful if you are new to the products and numbering scheme or if you are looking for a type of product, such as work chair or round table.

The second index is by product number. It lists, in alphanumeric order, the base product number, typically a five-digit number.

This book is effective April 3, 2017, subject to change without notice. Products may be purchased from authorized Herman Miller dealers who will quote prices upon request. For more information about our products and services or to see a list of dealers, visit [www.HermanMiller.com](http://www.HermanMiller.com).

All prices are list prices in US Dollars. Additional services, such as planning services, design, storage, and installation, are not included and must be added to these prices when the additional services are requested.

Illustrations, specifications, and prices are based on the latest information at the time of publication. The right is reserved to make changes at any time without notice in prices, fabrics, finishes, materials, specifications, and models, and also to discontinue models and finishes.

Dimensions shown in the drawings are engineering drawing dimensions rounded up to the nearest  $\frac{1}{8}$ ". Product is shipped set up or knocked down. Products that include "Shipped knocked down" in the description require some assembly. If this statement does not appear in the description, the product is shipped assembled.

Service problems are normally handled by a Herman Miller authorized dealer. Where this cannot be accomplished on a local level, service problems should be referred to the Customer Care Representative for your region, Herman Miller, Inc., Zeeland, Michigan 49464.

### 20-Day or Less/Assigned Lead-Time Shipments

All products and options in this price book not designated by an Assigned Program icon  will ship in **20 business days or less** after being acknowledged by Herman Miller.

Products and options designated by an  are on the assigned lead-time program and may ship in 20 days, less than 20 days, or more than 20 days from order acknowledgement.

# Tear Drop Table

EXTD.

## Product Information

### Description

The tear drop table shape enables clear visibility of content and participants, both local and remote. It is available in 4 sizes and 2 heights, 29" and 39", to support varied work activities. Tables 39" high and 72" wide and wider are available with or without a foot rest for better ergonomics while standing. Table is available with or without an electrical cutout. Electrical accessories ordered separately. Shipped knocked down.

### Notes

Actual table dimensions:

Table—Dimensions

042—42"W×44"D

072—71"W×53<sup>4</sup>/<sub>5</sub>"D

096—94<sup>4</sup>/<sub>5</sub>"W×55"D

114—114<sup>4</sup>/<sub>5</sub>"W×81<sup>1</sup>/<sub>2</sub>"D

Available only with thin edge.

Foot rest finish is stainless.

Order the following products separately. Refer to Exclave® Planning Guide and Thrive® Portfolio price book for additional details:

- For 4' table (042), order Logic mini electrical distributor (Y1414.)
- For 6' table (072), 8' table (096), and 9<sup>1</sup>/<sub>2</sub>' table (114), order 6 wide G1000 grommet mounted electrical distributor (Y1425.D or Y1425.G)
- Logic HD cable manager (Y1424.)
- Umbilical riser (Y1430.); order riser height to match table height

Video conference friendly finishes are provided for guidance only.

Customer lighting, color palette, video conferencing equipment, and other non-Exclave specified furnishings and tools may affect experience.

# Guitar Pick Table

EXTT.

## Product Information

### Description

The guitar pick table shape enables clear visibility of content and participants, both local and remote. It is available in 2 sizes and 2 heights, 29" and 39", to support varied work activities. Tables 39" high are available with or without a foot rest for better ergonomics while standing. Table is available with or without an electrical cutout. Electrical accessories ordered separately. Shipped knocked down.

### Notes

Actual table dimensions:

Table—Dimensions

o60—59<sup>1</sup>/<sub>5</sub>"W×60<sup>1</sup>/<sub>2</sub>"D

o84—81<sup>1</sup>/<sub>5</sub>"W×82<sup>1</sup>/<sub>5</sub>"D

Available only with thin edge.

Foot rest finish is stainless.

Order the following products separately. Refer to Exclave® Planning Guide and Thrive® Portfolio price book for additional details:

- For 5' table (o60), order 5 wide G1000 grommet mounted electrical distributor (Y1425.C or Y1425.F)
- For 7' table (o84), order 6 wide G1000 grommet mounted electrical distributor (Y1425.D or Y1425.G)
- Logic HD cable manager (Y1424.)
- Umbilical riser (Y1430.); order riser height to match table height

Video conference friendly finishes are provided for guidance only.

Customer lighting, color palette, video conferencing equipment, and other non-Exclave specified furnishings and tools may affect experience.

# Wall Rails

EXRL.

Exclave® Rail & Inserts

### Product Information

#### Description

This set of top and bottom rails attaches to architectural walls to support Exclave® components. Rails attach directly to 5/8" thick or thicker drywall using included wall anchors; wall stud attachment is not required. Rails come with inserts to finish the rail fronts and conceal mounting screws. Rails and inserts can be field cut to length. Rail finish is anodized aluminum and insert finish is folkstone grey.

#### Notes

Actual rail lengths are 49" (48) and 97" (96).  
Order wall rail end caps (EXREC.) separately.

# Small Boards - Eco Boards

EXSB.

### Product Information

#### Description

These small Eco boards hang on Exclave® wall rails or Exclave small and large mobile carts. Boards can stack up to 4 deep on rails, and 3 boards can be transported on each side of the small or large cart, for a total of 6 boards. They have top clips for hanging and bottom bumpers. These boards are available with a dry-erase writeable or nonwriteable surface. Eco boards have a cardboard honeycomb core, and are a tackable, recyclable alternative to foam core. They come in packages of 4, and can be used with other Exclave elements.

#### Notes

Actual board dimensions are 31"W x 47"L x 1/2"D.

Bottom bumpers and clip attachment screws are folkstone grey (8Q).

## 20-Day or Less/Assigned Lead-Time Order Information

### 20-Day or Less and Assigned Lead-Time Programs

20-day or less and assigned lead-time products are designed for established Herman Miller dealers with pre-approved credit.

Products are distributed from multiple manufacturing facilities across the United States. All products and options not designated by an Assigned Lead-Time icon  will ship in 20 business days or less after being acknowledged by Herman Miller. Products and options designated by an  are on the assigned lead-time program and will ship in 20 days, less than 20 days, or more than 20 days from order acknowledgement.

### Ordering Procedure

Please place orders through Order Manager. If this is not available to you, place orders through mail or fax. Verbal purchase orders will not be accepted.

Order Entry fax number for Passage®, 5000 Series, and Meridian® Filing and Storage: (616) 846 9236.

Order Entry fax number for all other products:  
(616) 654 3085.

For more information, contact your Customer Care representative at:  
(866) 854 3048 EXT 3400.

### Shipments and Delivery

Per Herman Miller Terms and Conditions.

### Changes and Cancellation

Per Herman Miller Terms and Conditions.
